| 28       | Fuel pump, gasoline                                                                                           | 15       |
| 29       | Engine control module (ECM), gasoline                                                                         | 15       |
|          | Engine control module (ECM), diesel                                                                           | 10       |
| 30       | Sunroof control module                                                                                        | 20       |
| 31       | Automatic transmission control module                                                                         | 20       |
| 32       | Fuel injectors (gasoline)                                                                                     | 10       |
|          | ECM (diesel)                                                                                                  | 15       |
| 33       | Headlight washer system                                                                                       | 20       |
| 34       | Engine control elements                                                                                       | 10       |
| 35       | 12V power outlet (in luggage comp.)                                                                           | 30       |
| 36       | Fog lights                                                                                                    | 15       |
| 37       | Radio terminal 86S, instrument cluster                                                                        | 10       |
| 38       | Central locking system (with power windows) luggage compartment light, remote fuel tank door, rear lid unlock | 15       |
| 39       | Emergency flashers                                                                                            | 15       |
| 40       | Dual tone horn                                                                                                | 20       |
| 41       | Cigarette lighter                                                                                             | 15       |
| 42       | Radio system                                                                                                  | 25       |
| 43       | Engine control elements                                                                                       | 10       |
| 44       | Heated seats                                                                                                  | 15       |

**NOTE —**

Fuses number 23 through 44 are identified in wiring diagrams with an additional prefix of 2 (i.e. fuse #40 is S240).

**Relay positions**

The relay panel is located under the left side of the instrument panel. There are three fuses on the lower relay panel which are identified in **Table b**. The relays are also identified in **Table b**.
