Workshop Manual covers the VW Transporter Type 4 T4 which was introduced in December 1990 fitted with 2 0 and 2 5 litre
petrol engines and 1 9 and 2 4 litre diesel engines It has been specially written for the practical owner who wants to maintain

instructions are provided for service and overhaul operations to guide the reader through what might otherwise be
unfamiliar and complicated tasks Numerous drawings are included to amplify the text With the aid of this manual many
aspects of service overhaul and repair are within the scope of an owner with a reasonable degree of mechanical aptitude
Some operations however demand more skill Other jobs require the use of special tools and in some cases testing facilities
and techniques that are not generally available Only you can judge whether a job is within your capabilities We do however
try to assist the reader to come to an informed decision Whilst every effort has been made to ensure that the information

should be consulted if more detailed information is needed Always remember that you are responsible for your own safety
and that of others when working on a vehicle Take particular care with safety related systems like the brakes and steering
and seek professional advice if in any doubt Never work under a vehicle unless it is properly supported a single jack is not
enough Take care with power tools also regard as potentially harmful fuel lubricants solvents and sealers which should
always be and kept in labelled sealed containers With care and common sense the practical owner can make an excellent job
of maintenance and overhaul The benefits include money saved and the satisfaction of work well done You will be adding to
your knowledge too knowing more about the vehicle you own will help you to make logical decisions about what needs to be
done even if it does in some instances have to go into a professional repair shop The Volkswagen Transporter T4 is a vehicle
that will respond to careful regular servicing and is built to a standard that will ensure a long life if this is remembered
