Malcolm,Elois Wilform-Malcolm,2014-01-16 Meditations on Life and LivingBorn Out of Love for God are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth How many times have you sat alone somewhere just reflecting on the simplicity of lifehow blessed you are from where you came compared to where you are now Author Elois Wilform Malcolm brings these everyday things to life It will seem as though you are right there by her side witnessing what she does in her own mind seeing feeling understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for you own life Meditations on Life and LivingBorn Out of Love for God will allow you to relive your past reflect on the glory of your present and marvel at your future when you realize the joy happiness contentment and peace of mind you attain through a life with God You will see where you were before salvation understand who you are in your salvation and strive to be even better through salvation You will see how Scriptures are being brought to light through everyday life situations Wait till you read catchy titles such as Throw Down Your Rocks The Fragrance of Christ or Wake Up Everybody You will find excitement in the directions each testimonial meditation will take you Reading these meditation will bring about purpose for studying the Bible which is not to know the Bible but to know God The Bible is not a book of rules but a book of principles which are clearly and

simply brought out through these meditations We get to know God through His Word His spirit our experiences and through prayer May you be blessed **The British Workwoman** ,1870 Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that All the days of our life, thoughts for daily life and for Church seasons by C.H.B. African Theology Kɔdzo Mawusi, 2015-09-16 This book is a theological research done as a comparative study of African Traditional Religion in comparison to Christianity Since Africans in most part are seen around the world as pagans without any concept of the true God until white missionaries got to the continent this study is an effort to change that mentality This book is a result of my research as a theology student to find out what both the Traditional and Christian religions have in common Those who will approach this book with an open mind will realise that Africans when it comes to their spirituality are more spiritual and prayerful than the average Christian in the West Readers will find to their surprise that there are some similarities or commonalities within these religions which most Christians are not even aware of Since the people who brought the notion of this ONE God Christians hold on to so dearly the Hebrews were originally Africans readers should not be surprised when they come across the facts that most of the traditional religious sacrificial traditions are in the Christian book of life we call the Bible Yes this may come as a surprise to most Christians but the truth is we cannot deny their similarities and probably their origin in the Christian tradition because of their African background Hopefully this book will open the door for dialogue between Christians and non Christians about God s presence in every culture
