Bridge, 1649 **Sermons on Selected Lessons of the New Testament** Saint Augustine (of Hippo), 1844 *Readngs for the Aged* John Mason Neale, 1853 *Sermons On Selected Lessons Of The New Testament* St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy "The" Epistles of St. Paul to the Galatians, Ephesians, and Philippians Michael Ferrebee Sadler, 1889

How to Fight Satan Dr. Art Wooten, 2010-08-04 How to Fight Satan is an important tool in our spiritual warfare against the devil Christians often blame one another for conflict without realizing that it is Satan s influence behind it all In this book Art Wooten teaches that if we are to be helpful to God in His work we must acknowledge Satan s temptations and be victorious in our daily struggles with them Satan of course is constantly trying to pull us out of the spirit of God For us to truly sin we must cease walking in the spirit of God for it is spiritually impossible to sin and walk in God s spirit at the same time When we receive the spirit of God we receive the fruits of the spirit We are reminded that if we walk in the spirit of God we will not fulfill the lust of the flesh The author urges us not to surrender to Satan s attack Each day we must keep in mind that we are On the battlefield for God **Readings for the aged** John Mason Neale, 1850 To You with Love from Jesus
