 Unleash your creativity and dive into the world of webcomics with the tutorials techniques and insider tips in Create Your Own Webcomics with WEBTOON **Comics through Time** M. Keith Booker,2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers **Teen Fandom and Geek Programming** Carrie Rogers-Whitehead,2018-06-15
 Fandom and geek programming has exploded in libraries in recent years From anime themed library lock in events cosplay contests and video game tournaments to an annual Harry Potter Yule Ball libraries have embraced their inner geek and are hosting a wide variety of fandom programs For those librarians who have no idea about the importance of Doctor Who or the Star Trek vs Star Wars debate planning for such programming can seem daunting Teen Fandom and Geek Programming A Practical Guide for Librarians covers major fandom and program themes as well as real world event club and program ideas to help librarians provide this type of programming to their communities Specifically detailed coverage is provided for Major fandoms including superheroes anime Harry Potter Dr Who Sherlock and video game fandoms including MMOGs Nintendo and RPGsFandom clubsFanfiction programmingCosplay programmingSTEM programming through fandoms graphic design and art video editing and design 3D printing Large scale geek eventsPromoting inclusivity through geek programming Use the tips and how to knowledge in this practical guide to get more teens into your library *Drawn to Purpose* Martha H. Kennedy,2018-02-14 Winner of the 2019 Eisner Award for the Best Comics Related Book Published in partnership with the Library of Congress Drawn to Purpose American Women Illustrators and Cartoonists presents an overarching survey of women in American illustration from the late nineteenth into the twenty first century Martha H Kennedy brings special

attention to forms that have heretofore received scant notice cover designs editorial illustrations and political cartoons and reveals the contributions of acclaimed cartoonists and illustrators along with many whose work has been overlooked Featuring over 250 color illustrations including eye catching original art from the collections of the Library of Congress Drawn to Purpose provides insight into the personal and professional experiences of eighty women who created these works Included are artists Roz Chast Lynda Barry Lynn Johnston and Jillian Tamaki The artists stories shaped by their access to artistic training the impact of marriage and children on careers and experiences of gender bias in the marketplace serve as vivid reminders of social change during a period in which the roles and interests of women broadened from the private to the public sphere The vast often neglected body of artistic achievement by women remains an important part of our visual culture The lives and work of the women responsible for it merit much further attention than they have received thus far For readers who care about cartooning and illustration Drawn to Purpose provides valuable insight into this rich heritage
