Web Mystery 10 Macabre Stories:

The Weird World of Eerie Publications Mike Howlett, 2010-11-30 Eerie Publications horror magazines brought blood and bad taste to America's newsstands from 1965 through 1975. Ultra gory covers and bottom of the barrel production values lent an air of danger to every issue daring you to look at and purchase them. The Weird World of Eerie Publications introduces the reader to Myron Fass, the gun-toting megalomaniac publisher who with tyranny and glee made a career of fishing pocketbook change from young readers with the most insidious sort of exploitation. You'll also meet Carl Burgos who as editor of Eerie Publications ground his axe against the entire comics industry. Slumming comic art greats and unknown hacks were both employed by Eerie to plagiarize the more inspired work of pre-Code comic art of the 1950s. Somehow these lowbrow abominations influenced a generation of artists who proudly blame career choices and mental problems on Eerie Publications. One of them, Stephen R. Bissette's *Swamp Thing* Taboo Tyrant provides the introduction for this volume. Here's the sordid background behind this mysterious comics publisher featuring astonishingly red reproductions of many covers and the most spectacularly creepy art.
