Welcome to a Reformed Church Daniel R. Hyde, 2010 Daniel Hyde traces the historical roots of the Reformed churches their key beliefs and the ways in which those beliefs are expressed The result is a roadmap for those newly encountering the Reformed world and a primer for those seeking to know more about their Reformed heritage **The Ashgate Research Companion to John Owen's Theology** Mr Kelly M Kapic, Mr Mark Jones, 2012-11-01 John Owen 1616-1683 is regarded as one of the greatest theologians Britain ever produced Owen has had an important historical and theological influence and his significance is widely recognized today As a revival in Owen studies and reprints has taken place this much needed companion by an international group of leading scholars helpfully explores key questions related to Owen's method theology and pastoral practice Examining his thought through such topics as his epic work on the Holy Spirit his developed view of faith and reason and his contribution to the place of toleration this book offers an authoritative exploration of one of Britain's greatest theologians *The Nursery of the Holy Spirit* Daniel R. Hyde, 2014-07-30 Public worship is the nursery of the Holy Spirit As you enter the sanctuary you notice them at once Then as you take your seat next to a family they are right there beside you Throughout the ensuing service you see them and hear them The presence of children in public worship is not only striking but also increasingly strange in modern American church life In fact the idea of your children sitting or standing next to you during prayer singing or the pastor's sermon can be downright scary This book is based in the conviction that public worship is the nursery of the Holy Spirit and that bringing children in is both beneficial and a blessing *The Nursery of the Holy Spirit* offers practical advice on how to make this ideal a reality in your children's lives A Faith Worth Defending Jon D.
