We Have Always Lived In The Castle By Shirley Jackson Jun 12 1984:

Shirley Jackson, Influences and Confluences Melanie R. Anderson, Lisa Kröger, 2016-05-20 The popularity of such widely known works as *The Lottery* and *The Haunting of Hill House* has tended to obscure the extent of Shirley Jackson's literary output which includes six novels a prodigious number of short stories and two volumes of domestic sketches. Organized around the themes of influence and intertextuality this collection places Jackson firmly within the literary cohort of the 1950s. The contributors investigate the work that informed her own fiction and discuss how Jackson inspired writers of literature and film. The collection begins with essays that tease out what Jackson's writing owes to the weird tale detective fiction the supernatural tradition and folklore among other influences. The focus then shifts to Jackson's place in American literature and the impact of her work on women's writing campus literature and the graphic novelist Alison Bechdel. The final two essays examine adaptations of *The Haunting of Hill House* and Jackson's influence on contemporary American horror cinema. Taken together the essays offer convincing evidence that half a century following her death readers and writers alike are still finding value in Jackson's words.

Agatha Christie and the Guilty Pleasure of Poison Sylvia A. Pamboukian, 2022-11-12 *Agatha Christie and the Guilty Pleasure of Poison* examines Christie's female poisoners in the context of Christie's own experience in pharmacy and of detective fiction. In doing so it uncovers an overlooked dynamic in which female poisoners deliver well deserved comeuppance for gendered and classed wrongdoing ordinarily accepted in everyday life. While critics have long recognized male outlaws like Robin Hood who use crime to oppose a corrupt system this book contends that female outlaws witches and poisoners offer a similar heritage of empowered femininity. Far from cozy and formulaic Agatha Christie's outlaw poisoners offer readers the surprising pleasures of comeuppance and they set the stage for contemporary detective fiction writers more recent films depicting poisoning as empowering and even poison gardens which are tourist destinations that offer visitors the guilty pleasure of poison.

A History of American Literature Linda Wagner-Martin, 2015-07-20 *A HISTORY OF AMERICAN LITERATURE 1950 TO THE PRESENT* Featuring works from notable authors as varied as Salinger and the Beats to Vonnegut Capote Morrison Rich Walker Eggers and DeLillo *A History of American Literature 1950 to the Present* offers a comprehensive analysis of the wide range of literary works produced in the United States over the last six decades and a fascinating survey of the dramatic changes during America's transition from the innocence of the fifties to the harsh realities of the first decade of the new millennium. Author Linda Wagner Martin a highly acclaimed authority on all facets of modern American literature covers major works of drama poetry fiction non fiction memoirs and popular genres such as science fiction and detective novels. Viewing works produced during this fertile literary period from a wide ranging perspective Wagner Martin considers literature in relation to such issues as the politics of civil rights feminism sexual preferences and race and gender based marketing. She also places a special emphasis on works produced during the twenty first century and writings influenced by recent historic events such as the 9/11 terrorist attacks.

Hurricane Katrina and the global financial crisis With its careful balance of scholarly precision and accessibility *A History of American Literature 1950 to the Present* provides readers of all levels with rich and revealing insights into the diversity of literary forms and influences that characterize postmodern America A monumental distillation of an enormous range of material Wagner Martin's rich book should be required reading for anyone grappling with making sense of the prolific broad spectrum and diverse writing in the US since 1950 Thadious M Davis University of Pennsylvania Linda Wagner Martin's history impressively and judiciously surveys all fields of American writing over the past sixty years taking full account of significant cultural and historical contexts and the major critical commentaries that have helped shape our understanding of developments in the second half of the last century and the dozen years following the millennium Balanced informative and always highly readable there is much here for general readers students and specialists alike Christopher MacGowan the College of William and Mary

Ladies Laughing Barbara Levy, 2013-09-13 This engaging and accessible book examines the world of seven contemporary popular American women writers and their individual use of wit as a subtle and effective strategy to engage or control the reader A chapter is devoted to each of the seven writers Lisa Alther Rita Mae Brown Nora Ephron Shirley Jackson Alison Lurie Grace Paley and Anne Tyler and discusses their writings and their use of wit in the context of their lives An opening chapter frames wit and control in psychological realities and a concluding chapter summarizes the power of wit A bibliography of the writers' works is also included making this an ideal introduction and companion to these writers and their works
