We Preach Not Ourselves Paul On Proclamation:

We Preach Not Ourselves Michael P. Knowles, 2008-04 Holds Paul up as a model of faithful and effective preaching to help pastors and seminarians evaluate their own preaching McMaster Journal of Theology and Ministry: Volume 10

Wendy Porter, 2010-01-01 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology **Dialogical Preaching** Marlene Ringgaard Lorensen, Ph.D., 2013-11-20 Dialogical

Preaching Bakhtin Otherness and Homiletics explores the genre of preaching in light of theories of dialogicity and carnivalization developed by Mikhail Bakhtin The Bakhtinian approach to preaching evokes ways in which historical acts and embodied experiences are transcribed in literary genres The theories of carnivalization manifest the dynamic other oriented interaction between reflexive texts and embodied acts Experiences of otherness and difference play a central role in human communication as well as in theological descriptions of the relationship between God and humans One of the central aims of this book is to explore ways in which others different from the designated preacher influence contemporary preaching practices and in that sense can be seen as co authors As material for this investigation the book provides analyses of four theologians who have contributed significantly to contemporary homiletical developments namely those of the American homileticians Charles Campbell John S McClure and James H Harris and the Danish Systematic Theologian Svend Bjerg The homiletical analyses lead to the thesis that the dialogical encounter between author and addressees analyzer and analyzed is one of the conditions of interpretation and communication rather than a disturbance The communication theoretical and practical theological analyses are discussed in light of Kierkegaard's Barth's and Jungel's emphasis on the qualitative difference between God and humans These concluding reflections suggest ways in which inter human otherness can function as a dynamically conjoining rather than mutually exclusive difference between God as the Wholly Other and other wise humans

Paul's Eschatological Anthropology Sarah Harding, 2016-02-01 In this study Sarah Harding examines Paul's anthropology from the perspective of eschatology concluding that the apostle's view of humans is a function of his belief that the cosmos evolves through distinct aeons in progress toward its telos Although scholars have frequently assumed that Paul's anthropological utterances are arbitrary inconsistent or dependent upon parallel views extant in the first century world Harding shows that these assumptions only arise when Paul's anthropology is considered apart from its eschatological context That context includes the temporal distinction of the old aeon the new aeon and the significant overlap of aeons in which those in Christ dwell as well as a spatial dimension that comprises the cosmos and the powers that dominate it especially sin and the Holy Spirit These eschatological dimensions determine the value Paul attaches to any particular

anthropological aspect Harding examines the cosmological power dominant in each aeon and the structures through which in Paul's view these influence human beings examining texts in which Paul discusses nous, kardia and soma in each aeon

Keefer, C. Neil Strait, 2001-11-07 *The Surpassing Power of the Gospel* Ed Lacy Compiled By: Dianne Lacy, 2025-01-27 Evangelism should be the very heartbeat of every born again Christian flowing from their love of Jesus Christ In this book Ed Lacy reminds us of the transformative power found within the gospel message the message that is Christ centered from beginning to end The gospel stands as a beacon of light illuminating the path to salvation God has chosen the plan of salvation and the way to proclaim the good news Lacy beckons you to place your confidence in the surpassing power of the gospel that cannot be found in a formula or man's philosophy but rather in the person and work of Jesus Christ alone He

Quicke,2011-09-01 Much current

literature on church worship rarely mentions preaching and vice versa Worship is often seen as restricted to music and liturgy while preaching is assumed to operate on different principles for different purposes But veteran preacher Michael Quicke argues that preaching should be viewed as worship as both worship and preaching belong within the same Trinitarian dynamic serving the same purpose and marked by similar characteristics Drawing on insights from wide ranging literature and practitioners on both sides of the gap this insightful book confronts and corrects ten characteristics of preaching that are disconnected from worship *Trinitarian Doxology* Kevin J. Navarro,2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In *Trinitarian Doxology* Kevin J

Navarro examines the Torrance's theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding and live by from a preeminent theologian and educator

Harbingers of Hope William E. Hull, 2007-11 Words to inspire and live by from a preeminent theologian and educator

Third Voice Michael P. Knowles, 2021-01-14 What makes for powerful preaching Careful exegesis logical structure interesting illustrations and clear speech can all help But truly transformative preaching depends on divine power not human skill alone Those who would reduce preaching to simple systems or sure fire strategies for success will find little of interest here Instead this book appeals to those pastors and academics alike who find themselves confounded by the occasional futility of their best preaching and the unexpected success of their worst It invites readers to enter more deeply into the uncontrollable mystery that attends all efforts to speak in the name of Christ above all on the topic of resurrection Although the gospel always turns our attention to the crucified and risen Lord preaching about resurrection calls us to trust that the same God who raised Jesus from death will likewise grant life to us as preachers to our sermons and to our hearers alike Drawing on resources as diverse as Luther's understanding of the Christian gospel Speech Act theory and Bhabha's concept of Third Space **Third Voice Preaching** Resurrection argues that the true key to effective preaching is not rhetoric but spirituality Preaching Jason C. Meyer, 2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it's so important exploring the concept's canonical development and relevance for key doctrines

Catechesis Jarred Mercer, 2020-11-30 Catechesis is not just about right teaching it is a cultivation of a living faith within the community of the Church Christian faith and theology are performed in the sacramental communal and missional life of the Church and catechesis is an invitation into this lived reality This book explores the nature of catechesis and how catechesis within our churches can shape the Christian community into an instrument of renewal in the world through the formation of holy living It argues that the future of catechesis in the life of the Church is to be found in this holistic discipleship and explores this holistic vision by examining catechesis in its relationship to Christian worship and liturgy the teaching of doctrine mission and social action evangelism preaching communal life and the sacraments

The Globalization of Christianity Gordon L. Heath, Steven M. Studebaker, 2015-01-20 While Christianity appears to be in decline in the West it is growing robustly in the global South What does this mean for the Christianity that was once considered to be the religion of the West The new contexts and trajectories require innovative responses and relevant theological reflection in the church This volume addresses these changes through identifying and analyzing global shifts highlighting practical innovations in the church that attempt to deal with new trajectories and proposing theological positions intended to help face the issues and challenges of the twenty first century Contributors to this volume include Philip Jenkins The Next Christendom The New Faces of Christianity God's Continent Steven M Studebaker Gordon L Heath Bradley K Broadhead Christof Sauer Lee Beach Michael P Knowles Peter Althouse Michael Wilkinson John H Issak David K Taurus and Seongho Kang

The Self, the Lord, and the Other according to Paul and Epictetus Michael J. Gorman, 2023-03-29 This study explores the relationship between the individual person the self the divine and other people in the writings of the apostle Paul and the Roman Stoic Epictetus It does so by examining self involving actions expressed with reflexive pronouns myself yourself etc in various kinds of sentences for example Examine yourself and You do not belong to yourself After situating the topic within the fields of linguistics and ancient Greek the study then examines the reflexive constructions in Epictetus's Discourses showing that reflexive texts express fundamental aspects of his ethic of rational self interest in imitation of the indwelling rational deity Next the investigation examines the 109 reflexive constructions in Paul providing an exegesis of each reflexive text and then synthesizing the results Paul's reflexive phrases are essential statements of his theology and ethics expressing an interconnected narrative Christology narrative apostolic identity and narrative ethic Most importantly the study finds that for Epictetus concern for others is a rational means to self realization whereas for Paul concern for others is a community ethic grounded in the story of the indwelling Christ and is the antithesis of self interest
