Multiethnic Literature and Canon Debates Mary Jo Bona, Irma Maini, 2012-02-16 This groundbreaking collection reinvigorates the debate over the inclusion of multiethnic literature in the American literary canon While multiethnic literature has earned a place in the curriculum on many large campuses it is still a controversial topic at many others as recent campus and corporate revivals of The Great Books attest Many still perceive multiethnic literature as being governed by ideological and political issues perpetuating a false distinction between highbrow literary texts and multiethnic works Through historical overviews and textual analyses the contributors not only argue for the aesthetic validity of multiethnic literature but also examine the innovative ways in which multiethnic literature is taught and critiqued The following questions are also addressed Who and what determines literary value What role do scholars students the reading public book awards and or publishers play in affirming literary value Taken together these essays underscore the necessity for maintaining vibrant conversations about the place of multiethnic literature both inside and outside the academy

Edward Wall, 2002 Joyce Carol Oates: Letters to a Biographer Joyce Carol Oates, 2024-03-05 This rich compilation of Joyce Carol Oates's letters across four decades displays her warmth and generosity her droll and sometimes wicked sense of humor her phenomenal energy and most of all her mastery of the lost art of letter writing It's hard to think of another writer with as fecund and protean an imagination as the eighty-five year old Joyce Carol Oates who is surely on any short list of America's greatest living writers New York Times Magazine In this generous selection of Joyce Carol Oates's letters to her biographer and friend Greg Johnson readers will discover a never before seen dimension of her phenomenal talent In 1975 when Johnson was a graduate student he first wrote to Oates already a world famous author and drew an appreciative empathetic response Soon the two began a fairly intense largely epistolary friendship that would last until the present day As time passed letters became faxes and faxes became emails but the energy and vividness of Oates's writing never abated Her letters were often sprinkled with the names of well known public figures from John Updike and Toni Morrison to Steve Martin and Jacqueline Kennedy Onassis There are also descriptions of far flung travels she undertook with her first husband the scholar and editor Raymond Smith and with her second the distinguished Princeton neuroscientist Charlie Gross But much of Oates's prose centered on the pleasures of her home life including her pet cats and the wildlife outside her study window Whereas her academic essays and book reviews are eloquent in a formal manner in these letters she is wholly relaxed even when she is serious in her concerns Like Johnson she was always engaged in work whether a long novel or a brief essay and the letters give a fascinating glimpse into Oates's writing practice Library Journal, 2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961
