faith based life But how does one pray Prayer may seem like something everyone just knows how to do but it can be so much
more meaningful than repeating basic orisons And creating a more meaningful prayer life is the subject of author Beatrice
Fearon s *Prayer Changes Things* Prayer the Word of God Power For many years Fearon felt she had been prophetically told
she would write a book Though she tried to do so she would lose interest and stop writing Then one day while at a prayer
meeting someone mentioned people didn t like to pray openly because they didn t know how to pray And with that comment
Prayer Changes Things was born In its pages Fearon takes readers through what it takes to have a prayerful life Using
extensive biblical references she creates an atmosphere in which one feels inspired to pray deeply and sincerely not just
repeat things through rote *Prayer Changes Things* Prayer the Word of God Power guides you on the path to find the strength
and power one can have only through prayer and a faith based life No longer will prayer be a mystery or approached with
fear and apprehension You will have all you need to speak openly and lovingly to God rather it s a brief chat with your
heavenly Father or a more in depth conversation *Hindrance* Darlene Johnson-Jefferson,2009-01-24 *Hindrance* Who Or
What Is Holding You Back was inspired by God This book was designed to identify some of the areas that have been
strategically placed to block the plan of God for our lives Although the title speaks for itself we must ask ourselves a question
What is holding us back from fulfilling our God given destiny or becoming all that God has called and created us to be Often
times during our everyday journey we find ourselves in the same predicament We are heading on a road or path leading
toward God s perfect will for our lives The pathway is made straight the surroundings are clear and suddenly we find
ourselves coming to a complete stop Prior to this we noticed a change in our surroundings along the way We began to

experience a little bit of disappointments here and there There are times on this journey when we will experience a few heartaches and even some pain We thought everything was going to be all right when the disappointments heartaches and even pain began to disappear Suddenly without warning we come to a complete STOP Trouble is on every side We began to question what went wrong along the way How could this have happened Why Why me Why not you God has created each and every one of us for a divine purpose You are not a mistake neither is your existence or life in vain I believe that once we identify and conquer those things that are holding us back and then we can move forward into our God given destiny
