To Heaven Through Hell: A Book About Challenging and Changing Destructive Religious Beliefs Sue Wilson, 2014-03-13 Whether we re talking about eternal Heaven and Hell in Western religions or Reincarnation and Karma in religions of the East Sue Wilson shares overwhelming evidence that what most religions teach about what happens when we die is totally wrong and fosters irrational fear and extreme codependency She asserts that contrary to these unsubstantiated teachings death is a positive experience for everyone Wilson is not an outsider looking in on this subject She s a former minister s wife and missionary to Africa a world traveler and a retired world history and geography teacher In To Heaven Through Hell she shares an incredible journey into the invisible realm beyond the physical world through a number of spontaneous paranormal or sixth sense experiences along with her extensive research from theologians psychologists psychiatrists doctors scientists and a host of others in the helping professions all of which refute religion s erroneous teachings concerning life after death Among her many sixth sense experiences are a powerful near death experience in which she cries out to the God she has learned to fear in fundamental Christianity and is assured that God s love is unconditional not only for herself but for all of us the appearance of her father s ghost who tells her that when he died he went to God immediately and was fully immersed in love and understanding as we ll all be when we die and an amazing regression experience which helps her understand that the purpose of reincarnation is opportunity not karma Wilson encourages readers to formulate healthy beliefs about God and the universe She shows how embracing positive beliefs about life after death especially removes the fear of dying and enables us to get on with the wonderful business of living She helps readers tap their own sixth sense and gives a problem solving model that incorporates all the senses the five traditional ones the controversial sixth and a seventh sense we often overlook in our desperate search for answers common sense And though she acknowledges that religious institutions have done much good in the world she challenges them to admit to the damage they have also done with destructive teachings about life and death and to replace them with better ones To acknowledge that all religions are resources not roadmaps including their own And to turn their buildings into lively classrooms where their members can find solutions to the real problems they face as human beings using good ideas from all disciplines in society and rejecting the rest

Equipped for Life Mary J. Davis, Rosekidz, 2009-11 Explain the Lord s Prayer the Ten

Commandments the Beatitudes the Armor of God and other especially meaningful parts of God's word **Lessons for a Lifetime** John Canfield, 2012-05-31 An amazing story of an adventurous young American who grew up in Cleveland Ohio during the Great Depression and World War II Times were tough for everyone Jobs were scarce food was very limited and the American Spirit had disappeared So had John's father Left alone was John his mother and younger brother who struggled together to survive They not only did so but eventually were all successful in life A happily ever after story Yes but the road to victory was amazingly different What happened to John at various times and in unexpected ways over a long period of time was completely unbelievable In this life story you will most likely encounter episodes which although well explained will stretch your sense of reality Don't worry it had the same affect on the person to whom it happened Even so you will find no gore profanity or exaggeration in this book You will however see the world as John saw it and also have many good laughs It is also certainly possible that Lessons for a Lifetime might uplift the reader as it certainly did for the author **More Ibl for Preschoolers: i Praise Jesus** Rosekidz, Pamela J.
