The physical realities, cosmic perspectives and dynamics involved are all addressed. Rapid climate changes, galactic and solar cycles, volcanism, ice ages and magnetic reversals are touched upon in a rich and concise way. *Gaia Luminous* goes to the very heights and depths of what this great change is all about. Barry Martin Snyder *Birthing the Luminous Self*. This remarkable book showcases Kiara's extraordinary ability to integrate, summarize and structure a vast range of topics from deeply spiritual teachings to the latest discoveries in science. Kiara brilliantly and eloquently connects the dots and presents clear and practical solutions for these complex and precarious times. Yves Nager *Find your Life Purpose*. For those who are consciously aware of the challenging implications of these times and seek both cosmic perspectives and spiritual guidance, *Gaia Luminous* is an invaluable resource of scholarly and balanced investigation combined with profound personal experience. Simon Peter Fuller *Rising out of Chaos*. Kiara Windrider serves up a full course of scientific inquiry, evolutionary thinking and sacred insights from a wide variety of traditions. This thrilling read feeds our sense of the possible and activates our commitment to a bold new vision for humanity. James O. Dea *The Conscious Activist* *On Being an Earth Being* Norman C. Habel, 2020-02-14 What happens when you discover you are an Earth being and not just a human being? This volume traces my journey from being a child of Mother Church to being a child of Mother Earth, from being a human being cursed with original sin to being an Earth being blessed with innate spirituality. My journey includes probing the maze of mysteries called ecology, attending the Wisdom School of the ancient world, taking a cosmic journey with the traumatized Job, joining Aboriginal peoples of Australia in reading the spiritual landscape and celebrating life in a cosmic sanctuary called Earth. These reflections are suitable not only for personal meditation but for readings in worship contexts and for spirituality retreats or workshops. *Welcome Home* Steve Rother, 2002-08 The world we knew is rapidly evolving. Life on planet earth is becoming increasingly unpredictable. The old rules no longer function. According to the Group, these changes have greater implications than we imagine. As unexpected as recent events have been, they merely mark the beginning. The evolution of mankind has begun. The Group's purpose is to prepare us for what lies ahead. In *Welcome home*, they offer us keys to unlocking secrets of developing our full powers as creators and using them in our lives now. Cover page 4 *Welcome Home Soldier* Dean C.
