The Mended Soul - Healing Your Mind, Body, & Spirit From Anxiety & Depression Kelly Wallace, 2020-10-21 If you suffer from anxiety or depression it could be a sign that you're going through a spiritual awakening Older souls are far more sensitive and tend to be plagued with emotional highs and lows but that doesn't mean you need to live your life always on edge or in darkness You can get control of your thoughts and moods while still progressing as a spiritual being and I want to show you how Many people include me believe that hyper or hypo moods can often be rooted in the soul When we find ourselves feeling anxious or depressed it's an indicator that your spirit is going through a growth process or wants to For introverts and sensitive people this is extremely common though I've known plenty of extroverts who experience this as well Right now though some things are standing in the way and blocking the free flow of energy between your mind body and spirit Maybe you know what it is or perhaps you need help uncovering it We'll work on that You'll probably also want tips on how to heal and strengthen yourself mentally physically emotionally and spiritually We'll cover that too I wrote this book to offer you help and guidance and to share a bit of my own journey as well Most of all I want to show you that you aren't alone you aren't going crazy and you will be okay In fact you might end up feeling better than you have in a long long time Now let's start the healing process
