Immigrant Youth, Hip Hop, and Online Games Barbara Franz, 2015-08-13 Anti Muslim racism with its attendant xenophobia and the fear of Salafist hostility are two of the most essential problems facing Europe today Both result from the enormous failure of the continent's integration policies which have either insisted on immigrants rigid assimilation or left immigrants to fend for themselves This book radically breaks with contemporary approaches to immigrant assimilation and integration Instead it examines non institutional approaches that facilitate immigrant inclusion through the examples of three alternative small scale projects that have impacted the lives of urban working class youth specifically with second generation immigrant roots in Vienna Austria These projects involve online gaming hip hop as an art form and social work as emancipatory pedagogic practice commonly referred to as street work This book investigates working class teenagers social networks and describes an online game designed to provide a platform for interaction between non immigrant and immigrant youth who usually either do not interact or display prejudice when they engage each other Hip hop can provide both a necessary outlet for alienated youth to articulate their frustrations and a highly effective tool for transforming inclusion conflicts Social work with marginalized youth is crucial for successful inclusion Specifically individual support in small scale settings provides a unique opportunity to open up spaces for discouraged and disaffected teenagers to gain self worth and dignity While the book focuses on identity formation and the teenagers agency it argues that only projects that include both newcomer and native can aid in overcoming exclusionary attitudes and policies eventually allowing some form of social bonding to take place

Popular Music and the Moving Image in Eastern Europe Ewa Mazierska, Zsolt Gyori, 2018-12-13

Popular Music and the Moving Image in Eastern Europe is the first collection to discuss the ways in which popular music has been used cinematically from musicals to music videos to documentary film in Eastern Europe from 1945 to the present day. It argues that during the period of state socialism moving image was an important tool of promoting music in the respective countries and creating popular cinema. Yet despite this importance filmmakers who specialized in musicals lacked the social prestige of leading auteurs and received little critical attention. The resulting scholarly prejudice towards pop culture created a severe shortage of critical studies of the genre. With the fall of state socialism and with it the need for economically viable film and media industries brought about an unprecedented upsurge of films utilizing popular music and a greater recognition of popular cinema as a legitimate object of study. Popular Music and the Moving Image in Eastern Europe fills the gap and demonstrates why the popular music cinema interface needs to be theorized with respect to the political ideological and social forces invested in popular culture.

Schooling Hip-Hop Marc Lamont Hill, Emery Petchauer, 2015-04-26 This book brings together veteran and emerging scholars from a variety of fields to chart new territory for hip hop based education. Looking beyond rap music and the English language arts classroom innovative chapters unpack the theory and practice of hip hop based education in science social studies college composition teacher education and other fields. Authors consider not only the curricular aspects of hip hop but also how its deeper aesthetics such as improvisational freestyling and competitive battling can shape teaching and learning in both secondary and higher education classrooms. Schooling Hip Hop will spark new and creative uses of hip hop culture in a variety of educational settings. Contributors: Jacqueline Celemencki, Christopher Emdin, H. Bernard Hall, Decoteau J. Irby, Bronwen Low, Derek Pardue, James Braxton Peterson, David Stovall, Eloise Tan, and Joycelyn A. Wilson. Hip hop has come of age on the broader social and cultural scene. However, it is still in its infancy in the academy and school classrooms. Hill and Petchauer have assembled a powerful group of scholars who provide elegantly theoretical and practically significant ways to consider hip hop as an important pedagogical strategy. This volume is a wonderful reminder that the stakes are high. Gloria Ladson Billings, Kellner Family Chair in Urban Education, University of Wisconsin-Madison. This book is a bold, ambitious attempt to chart new intellectual, theoretical, and pedagogical directions for Hip Hop Based Education. Hill and Petchauer are to be commended for pushing the envelope and stepping up to the challenge of taking HHBE to the next level. Geneva Smitherman, University Distinguished Professor Emerita, English and African American and African Studies, Michigan State University.

Rapper, Writer, Pop-Cultural Player Josephine Metcalf, Will Turner, 2016-04-08 This collection of essays critically engages with factors relating to black urban life and cultural representation in the post-civil rights era using Ice T and his myriad roles as musician, actor, writer, celebrity, and industrialist as a vehicle through which to interpret and understand the African American experience. Over the past three decades African Americans have faced a number of new challenges brought about by changes in the political, economic, and social structure of America. Furthermore, this vastly changed social landscape has produced a number of resonant pop

cultural trends that have proved to be both innovative and admired on the one hand and contentious and divisive on the other Ice T's iconic and multifarious career maps these shifts This is the first book that taken as a whole looks at a black cultural icon's manipulation of or manipulation by so many different forms simultaneously The result is a fascinating series of tensions arising from Ice T's ability to inhabit conflicting pop cultural roles including hardcore gangsta rapper and dedicated philanthropist author of controversial song Cop Killer and network television cop self-proclaimed pimp and reality television house husband As the essays in this collection detail Ice T's chameleonic public image consistently tests the accepted parameters of black cultural production and in doing so illuminates the contradictions of a society erroneously dubbed post racial

Rap and Politics Lavar Pope, 2020-10-19 Rap and Politics maps out fifty years of political and musical development by exploring three specific moments of local discourse each a response to failures by local state and national governments to address police brutality violence poverty and poor social conditions in Oakland California and the surrounding Bay Area First in the mid 1960s Black youth responded to repressive political and socioeconomic factors in West Oakland by founding the Black Panther Party for Self Defense whose representation of violence and community aid as well as its radical and militant approach to Black Nationalism became a foundational discourse that shaped the development of rap music in the region Second from the collapse of the Party in the early 1980s through the 1990s gangster rap emerged as a form of political expression among local youth who drew heavily on radical and militant elements of Panther discourse in their lyrics and artwork Third hyphy music in the mid 1990s to early 2000s continued these radical discourses and also incorporated coordinated subversive public behavior to the mix The result was a critique of endemic problems facing the local Black community but also an infectious subgenre of party music that gained mainstream popularity Overall this study shows that the specific types of representation created to resist problems of racism and poverty in Oakland is actually key to

understanding other rap undergrounds grassroots subcultures and social movements elsewhere In the process Rap and Politics offers readers a new model focused on the development of settings representation movements discourse banks and impact within underground rap scenes
