Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis Ghaly MD FACS,2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa

Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about *The Santinis Collection: Volume Two* Melissa Schroeder, 2016-07-01 Experience love and adventure with a family of Marines in the USA Today bestselling Santinis series A SANTINI IN LOVE Book 6 She was the last woman standing and Dante Santini will ensure his former nemesis Madison Baker stays safe FALLING FOR A SANTINI Book 7 Marine pilot Elena Santini has loved her brother's best friend JT forever and she will stop and nothing to prove it ONE NIGHT WITH A SANTINI Book 8 Brando Santini was searching for something he didn't know he needed when a chance meeting with his old crush Kaitlyn Fitzpatrick changed his life THE SANTINI WORLD The Santinis Leonardo Marco Gianni Vicente A Santini Christmas A Santini in Love Falling for a Santini One Night with a Santini A Santini takes the Fall A Santini's Heart Loving a Santini Semper Fi Marines Tease Me Tempt Me Touch Me The Fitzpatricks Chances Are Dirty Boys John Ligato, 2017-02-28 A tenacious FBI agent is forced to operate outside the system to save the country WHAT IF A secret cell of ruthless and brilliant extremists possess the blueprint for the ultimate demise of America WHAT IF America's misfortunes over the past twelve years are not chance happenings and the slow steady decay of the United States hastened by economic instability educational decline and supposedly natural disasters are part of a master plan WHAT IF The erosion of the American Constitution is part of an orchestrated effort to destroy the United States of America from the inside out WHAT IF A tenacious FBI agent begins to connect the dots but is forced to operate outside the system breaking a full page of regulations and even a few laws to save the country and stop the terrorists WHAT IF They can't be stopped **Once a Marine** Claude DeShazo, 2005-03-23 The former enlisted Marines whose stories you will read in this book have a common thread The common thread is that they became one of the few the proud the Marines They joined and entered the Vietnam war when their country called They fought and returned home to adjust to normal lives by themselves These are the life stories told in their own words of how Marine Corps vets came home built families businesses and are living the American dream today Many still live their lives today with the same traditions and values taught to them by the Marine Corps and have adjusted after the traumatic experience of a war Marine Corps values are easy to state as Honor Courage and Commitment The Marine Corps defines these values in the following way Honor as demonstrating integrity in all one does and accepting responsibility and accountability for one's actions Courage as doing the right thing in the right way and for the right reasons Commitment as devotion to the Corps and one's fellow Marines All Marines former and active duty live and fight under this same creed Read about these men who left the Corps and the war behind and used this experience as a stepping

stone to success and happiness *Hemingway's Widow* Timothy Christian,2022-03-01 A stunning portrait of the complicated woman who becomes Ernest Hemingway's fourth wife tracing her adventures before she meets Ernest exploring the tumultuous years of their marriage and evoking her merry widowhood as she shapes Hemingway's literary legacy Mary Welsh a celebrated wartime journalist during the London Blitz and the liberation of Paris meets Ernest Hemingway in May 1944 He becomes so infatuated with Mary that he asks her to marry him the third time they meet although they are married to other people Eventually she succumbs to Ernest's campaign and in the last days of the war joined him at his estate in Cuba Through Mary's eyes we see Ernest Hemingway in a fresh light Their turbulent marriage survives his cruelty and abuse perhaps because of their sexual compatibility and her essential contribution to his writing She reads and types his work each day and makes plot suggestions She becomes crucial to his work and he depends upon her critical reading of his work to know if he has it right We watch the Hemingways as they travel to the ski country of the Dolomites commute to Harry's Bar in Venice attend bullfights in Pamplona and Madrid go on safari in Kenya in the thick of the Mau Mau Rebellion and fish the blue waters of the gulf stream off Cuba in Ernest's beloved boat Pilar We see Ernest fall in love with a teenaged Italian countess and wonder at Mary's tolerance of the affair We witness Ernest's sad decline and Mary's efforts to avoid the stigma of suicide by claiming his death was an accident In the years following Ernest's death Mary devotes herself to his literary legacy negotiating with Castro to reclaim Ernest's manuscripts from Cuba publishing one third of his work posthumously She supervises Carlos Baker's biography of Ernest sues A E Hotchner to try and prevent him from telling the story of Ernest's mental decline and spends years writing her memoir in her penthouse overlooking the New York skyline Her story is one of an opinionated woman who smokes Camels drinks gin swears like a man sings like Edith Piaf loves passionately and experiments with gender fluidity in her extraordinary life with Ernest This true story reads like a novel and the reader will be hard pressed not to fall for Mary **A Few Marines** James W. Hammond,2006-02 This is the first of a proposed series of books about the Marine Corps during the last one hundred plus years The genre is fiction but the episodes make being a Marine meaningful *Semper Fi* Gavin Parmar,2010 Once Upon a Farm Rory Feek,2018-06-19 National Bestseller Sometimes it's not only what we plant but where we're planted Now raising their four year old daughter Indiana alone after Joey's passing Rory Feek digs deeper into the soil of his life and the unusual choices he and his wife Joey made together and the ones he's making now to lead his family into the future When Rory Feek and his older daughters moved into a run down farmhouse almost twenty years ago he had no idea of the almost fairy tale love story that was going to unfold on that small piece of Tennessee land and the lessons he and his family would learn along the way Now two years after Joey's passing as Rory takes their four year old daughter Indiana's hand and walks forward into an unknown future he takes readers on his incredible journey from heartbreak to hope and ultimately the kind of healing that comes only through faith A raw and vulnerable look deeper into Rory's heart *Once Upon a Farm* is filled with powerful stories of love life and hope and the

insights that one extraordinary ordinary man in bib overalls has gleamed along the way As opposed to homesteading this is instead a book on lifesteading as Rory learns to cultivate faith love and fatherhood on a small farm while doing everything at times but farming With frequent stories of his and Joey s years together and how those guide his life today Rory unpacks just what it means to be open to new experiences This isn t a how to book it s more of a how we or more accurately how He God planted us on a few acres of land and grew something bigger than Joey or I could have ever imagined **His Story, My Story, Our Story** Brian Ahearn, CPCU, CMCT, 2024-06-04 His Story My Story Our Story is a heartrending tale that illuminates the stark realities of war from the battlegrounds of Vietnam to the emotional frontlines at home Following a Marine veteran the narrative intricately unravels his grapple with PTSD and the profound ripple effect it has on his family particularly his son Crafted from the personal wartime accounts of Brian Ahearn Sr and juxtaposed with his son s Brian Ahearn Jr candid reflections on growing up under the shadow of trauma this story bridges two generations marked by war s enduring scars The dual lens through which His Story My Story Our Story is told provides a first hand account of war and its aftershock within a family setting Through raw storytelling it seeks to guide Marines in evading service related pitfalls fortify understanding between Marine families and mend the delicate fabric of father son relationships Addressing the often unspoken emotional challenges faced by military families this profound and insightful work serves as a healing blueprint for those navigating the intricate dance of love duty trauma and legacy standing as a beacon of hope and resilience **My Vietnam** Ed Kugler, 2008-07-25 My Vietnam is a one of a kind look at the Vietnam War In a small high school in Montana a project was begun over a decade ago One teacher at Frenchtown High School and two veterans started what is now the Frenchtown Vietnam Symposium There is a history class on the Vietnam War and each year in May the seniors in the class host the Symposium They invite up to forty Vietnam War vet s to come and discuss the war their role in it and they are honored by the students My Vietnam is a book featuring thirteen Montana veterans telling what their Vietnam was like What makes it one of a kind is that these vet s are from all services many military occupations from Marine sniper to fighter pilot grunts and artillerymen They cover many years of the war and they answer twenty six of the most commonly asked questions by the students each year My Vietnam is very special heart warming and healing for all You won t want to miss this special look at the war that shook our nation to its core Truly Blessed: Wirklich Gesegnet Vere Bgatus Jonathan Miller, 2023-07-31 My book is about my interpretation of good over evil how God takes a simple young man to a man with true values who became a warrior of God and charity and humbleness to the end and how God shows how wisdom is the only way to live the ugliness of violence and crimes to the man that finds unconditional love in a woman that needs her knight and shining armor
