Mike Kovacs is an economics professor who's trying to get over a bitter divorce He's barely on speaking terms with his only child And he's just killed two bicyclists in an inebriated hit and run at a deserted Michigan beach In his defense he hadn't meant to get that drunk And what's the use of getting caught and going to jail if it means you can no longer make positive contributions to society Sunk costs and all Claire Boland's daughter is one of the victims She's racked with guilt over what she might have done differently as a parent Her marriage is buckling under the weight of the tragedy And yet there's one person who seems to understand the magnitude of her grief her neighbor Mike Kovacs Tandem is a gripping dark comedy about two lives that intersect in the most awful way possible Andy Mozina's exquisite novel details the absurd lengths we go to in order to avoid uncomfortable truths And to cover up murder although that's such a strong word isn't it It's a mesmerizing book about the weight of guilt and the longing for justice and the crazy things we do for love One of Electric Literature's 15 Must Read Small Press Books for Fall 2023 A NewPages Editor's Choice
