Blood and Whiskey Peter Krass, 2004-04-29 The first ever biography of the man who created America's most famous whiskey Born in Lynchburg Tennessee in 1850 Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later By the time he died in 1911 he was an American legend and his Old No 7 Tennessee sipping whiskey was an international sensation the winner of gold medals at the St Louis World's Fair and the Liege International Exposition in Belgium Blood and Whiskey captures Daniel's indomitable rise in the rough edged world of the nineteenth century whiskey trade and shows how his commitment to quality his whiskey was always charcoal filtered and his flair for marketing and packaging he launched his distinctive square bottle in 1895 helped create one of America's most venerable and recognizable brands

American History Through a Whiskey Glass Harris Cooper, 2021-06-29 Experience American history like never before with this unique informative and fun guide for history buffs whiskey enthusiasts folks who like to cook at home and fans of popular music American History Through a Whiskey Glass presents a unique perspective on American history It describes how bourbon and rye whiskey played a role in the most important events in American history including the voyage of the Mayflower George Washington's failed and successful political campaigns the Civil War pioneers moving west Prohibition of course plus many more into the twenty first century It does so with descriptions of historical events but also with amusing anecdotes and humorous quotes from the historical figures themselves The book carefully aligns five elements a narrative about whiskey's role in eight periods of American history descriptions and tasting notes for American whiskeys that represent distilled spirits in each historical period tutorials on how whiskey is produced and its numerous varieties period specific food recipes drawn mostly from historical cookbooks playlists of the popular music during each period The book gives readers an integrated and entertaining perspective on popular culture in America at different times revealing how Americans have politicked drank their native spirits ate and sang But it does more readers will not only learn about America's history they can experience it through numerous illustrations whiskey tasting food and music It provides an opportunity for readers to be involved in a truly immersive approach to life long learning and it's fun

The Art of Distilling Whiskey and Other Spirits Bill Owens, Alan Dikty, 2012-02-01 The Art of Distilling Whiskey and Other Spirits is an encyclopedic guide to the thousand year history and dynamic future of the distillation of whiskey vodka gin rum brandy and more This carefully researched book will give the reader a comprehensive understanding and appreciation of just what is actually in those bottles on the back bar This book shows how the basic ingredients water and grain are transformed into a full range of superb timeless liquors and even moonshine Most other books on spirits chronicle the historical side of distilling or focus on the

flavors of various vintages but in this book the actual craft of distilling is covered in depth Readers will find a thorough examination of distilling techniques along with information on the varieties of stills and equipment used to create these exquisite libations Whether you are an industry professional a novice or simply appreciate a fine dram this is a must have book for you

The Water of Life, etc John Bunyan, 1848 *Water of Life* Mashudu Tshikororo, 2020-03-15 About the Book Fresh water in a clean glass is drinkable but fresh water in a dirty glass contaminates the freshness of the water *Water of Life* in a Foreign Glass addresses all people who took a wrong turn in their lives As you peruse through this piece of wisdom crafted are the strategies aiming to guide and encourage all those who lost hope due to the predicaments of life This book provides penalties of deteriorating from living your purpose especially those who were foretold that their lives are brighter It also encourages everyone to value those closer to them more than strangers Peruse through the inked pages and you will regret considering this book Delight in it

Whiskey Wisdom Ray Harvey, 2021-03-31 Like a jackal writing poetry across tombstones *Whiskey Wisdom* is a howling cry and call for anyone who would undertake the task to do this think for yourself and in so doing make the unimaginable imaginable the impossible possible the unthinkable thinkable the undrinkable drinkable James Cole Professor Emeritus in poetry University of Wyoming Sometimes I just want to slap him across the face and say Why the f ck can t you be more interesting Thus spoke the viper tongued young lady at my bar one quiet Sunday night She was three Manhattans in and talking to me as if we were old friends which we weren t Her remarks I told her reminded me of a basketball coach I once had who in the heat of battle many years ago when we were in the huddle after an urgent and final timeout sixty seconds on the clock the game down to the wire coach s face beet red spit flying said to us seriously I told you guys not to let them make baskets The real question of course is not whether to be interesting but how does one become so To become more interesting first become more interested
