Nehemiah: The Builder's Blueprint Dr Ken Baker, 2018-03-20 When I came to preach and teach on the book of Nehemiah a friend of mine David Crawford Bixby suggested the word Blueprint and I've found it an illuminating suggestion For not only was Nehemiah a capable project

manager who must have dealt with some ancient version of the blueprint in his construction work but the word itself forms a parable of how God dealt with him As we shall see the character of Nehemiah is at the heart of the book that bears his name He is the orchestrator the midwife the warrior but in all he does he seeks only to replicate the pattern given to him by God So finally it is his integrity and faithfulness that shine through He is God's blueprint enshrined in Holy Scripture to encourage us to see just how it's done

Dostoyevsky After Bakhtin Malcolm V. Jones, 2005-10-20 Malcolm Jones the author of an earlier widely read book on Dostoyevsky here approaches his subject afresh in the light of recent developments in Dostoyevsky studies and in critical theory He takes as his starting point the vexed question of Dostoyevsky's fantastic realism which he attempts to redefine Accepting Bakhtin's reading of Dostoyevsky in its essentials he seeks out its weaknesses and develops it in new directions Taking well known texts by Dostoyevsky in turn Professor Jones illustrates aspects of their multivoicedness In Part 1 he concentrates on the internal emotional and intellectual reversals of the underground In Part 2 he focuses on the disruptive and subversive aspects of the relationships between characters and between text and reader In Part 3 he examines textual multivoicedness in its diachronic aspect showing some of the ways in which Dostoyevsky's texts echo and exploit the voices of precursors

The Power of Purpose Peter S. Temes, 2007-03-27 The Power of Purpose begins with a simple but remarkable statement The more you focus on helping others the more you will succeed in reaching your own goals Peter S. Temes builds on this fundamental insight to share a simple plan for living with the truest and most enduring kind of happiness At the heart of The Power of Purpose are the three levels of thinking At the first level we ask Who am I and What do I want At the second level we ask Who do other people think I am How do I look to them But the real magic happens when we hit the third level forgetting about ourselves and asking the questions that lend a powerful sense of purpose to our lives How do others look to themselves How can I help others become the people they want to be To help us along the way Temes who teaches humanities at Columbia University draws on the wisdom of great thinkers including Aristotle Søren Kierkegaard and Abraham Lincoln the life lessons of great achievers ranging from Mother Teresa to Michael Jordan and home truths he's gathered from his parents his grandparents and his three children From all these sources and from his own life of great personal accomplishment Temes identifies the essential knowledge that brings people happiness and success He cites Aristotle's notion that happiness is not a psychological state but a moral one resulting from doing good in the world Temes also believes in the pivotal importance of trust and team building in every area of life from the family to the workplace to the street corner The Power of Purpose is a map for finding the confidence and power the opportunities and occasions and most important the techniques and strategies for centering your relationships and work on helping others It is a book with a point of view the clearest path to your own success and happiness lies in helping others get to where they want to go
