White Masculinity In The Recent South Making The Modern South:

White Masculinity in the Recent South Trent Watts, 2008-05-01 From antebellum readers avidly consuming stories featuring white southern men as benevolent patriarchs hell raising frontiersmen and callous plantation owners to post Civil War southern writers seeking to advance a model of southern manhood and male authority as honorable dignified and admirable the idea of a distinctly southern masculinity has reflected the broad regional differences between North and South In the latter half of the twentieth century and beyond the media have helped to shape modern models of white manhood not only for southerners but for the rest of the nation and the world In *White Masculinity in the Recent South* thirteen scholars of history literature film and environmental studies examine modern white masculinity including such stereotypes as the good old boy the redneck and the southern gentleman With topics ranging from southern Protestant churches to the music of Lynyrd Skynyrd this cutting edge volume seeks to do what no other single work has done to explore the ways in which white southern manhood has been experienced and represented since World War II Using a variety of approaches cultural and social history close readings of literature and music interviews and personal stories the contributors explore some of the ways in which white men have acted in response to their own and their culture s conceptions of white manhood Topics include neo Confederates the novels of William Faulkner gay southern men football coaching deer hunting church camps college fraternities and white men s responses to the civil rights movement Taken together these engaging pieces show how white southern men are shaped by regional as well as broader American ideas of what they ought to do and be White men themselves the contributors explain view the idea of southern manhood in two seemingly contradictory ways as something natural and as something learned through rites of initiation and passage and believe it must be lived and displayed to one s peers and others in order to be fully realized While economic and social conditions of the South changed dramatically in the twentieth century white manhood as it is expressed in the contemporary South is still a complex contingent historicized matter and broadly shared or at least broadly recognized notions of white southern manhood continue to be central to southern culture Representing some of the best recent scholarship in southern gender studies this bold collection invites further explorations into twenty first century white southern masculinity *The Southern Historian* ,2009 **Southern Literature, Cold War Culture, and the Making of Modern America** Jordan J. Dominy, 2020-01-27 During the Cold War national discourse strove for unity through patriotism and political moderation to face a common enemy Some authors and intellectuals supported that narrative by casting America s complicated history with race and poverty as moral rather than merely political problems *Southern Literature Cold War Culture and the Making of Modern America* examines southern literature and the culture within the United States from the period just before the Cold War through the civil rights movement to show how this literature won a significant place in Cold War culture and shaped the nation through the time of Hillbilly Elegy Tackling cultural issues in the country through subtext and metaphor the works of authors like William

Faulkner Lillian Smith Robert Penn Warren Eudora Welty Ralph Ellison Alice Walker and Walker Percy redefined South as much more than a geographical identity within an empire The South has become a racially coded sociopolitical and cultural identity associated with white populist conservatism that breaks geographical boundaries and as it has in the past continues to have a disproportionate influence on the nation s future and values *Program of the ... Annual Meeting* Organization of American Historians. Meeting,2008 *The Southern Review* ,2008 **Men and masculinities in modern Britain** Matt Houlbrook,Katie Jones,Ben Mechen,2024-01-16 Men and masculinities provides an engaging accessible and provocative introduction to histories of masculinity for all readers interested in contemporary gender politics The book offers a critical overview of ongoing historiographical debates and the historical making of men s lives and identities and ideas of masculinity between the 1890s and the present day In setting out a new agenda for the field it makes an ambitious argument for the importance of writing histories which are present centred and politically engaged This means that the book engages head on with ferocious debates about men s social position and the status of masculinity in contemporary public life In establishing a critical genealogy for the proliferation of this crisis talk it sets out new ways of understanding how men s lives and ideas of masculinity have changed over time while patriarchy and male power have persisted An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence *Masculinities and the Nation in the Modern World* Simon Wendt,Pablo Dominguez Andersen,2016-04-29 Masculinities and the Nation in the Modern World sheds new light on the interrelationship between gender and the nation focusing on the role of masculinities in various processes of nation building in the modern world between 1800 and the 1960s **Creating the Modern Man** Tom Pendergast,2000 Pendergast traces the shift in US periodicals from Victorian masculinity which valued character integrity hard work and duty to modern masculinity which valued personality self realization and image Arguing that the rise of mass consumer culture was a key factor in the change he describes how such magazines as American Magazine Esquire and True presented masculinity in ways that reflected the magazines relationship to advertisers contributors and readers Annotation copyrighted by Book News Inc Portland OR *Colloquium Masculinities in Southern Africa* ,1997 **Interdisciplinary Conference on Gender and Colonialism** ,1997 *Routledge Companion to Sports History* S. W. Pope,John Nauright,2009-12-17 This book describes how the field of sports history has matured dramatically over the past decade and expands on what this means for sports historians today The specially commissioned essays addressing a range of thematic and regional contexts that make up this companion make it a uniquely valuable resource *Archaeologies of Sexuality* Robert A. Schmidt,Barbara L. Voss,2005-06-28 Status age and gender have long been accepted aspects of archaeological enquiry yet it is only recently that archaeologists have started seriously to consider the role of sex and sexuality in their studies Archaeologies of Sexuality is a timely and pioneering work It presents a strong diverse body of scholarship which draws on locations as varied as medieval England the ancient Maya kingdoms New Kingdom Egypt prehistoric Europe and convict era Australia

demonstrating the challenges and rewards of integrating the study of sex and sexuality within archaeology This volume with contributions by many leading archaeologists will serve both as an essential introduction and a valuable reference tool for students and academics

Changing Men in Southern Africa Robert Morrell, 2001-08-18 Despite claims that men are in crisis the domestic and public realms of Southern Africa are still dominated by men This examination of modern men aims to show that the power of man is not a fixed concept and that it is not true that all men share the spoils of dominance The Faulkner Journal , 1999

2010 Redaktion Osnabrück, 2011-06-16 **The Mississippi Quarterly** , 2008 "Each Man was a Perfect Cog; Each Held a Flame Within" Anne-Marie Harvey, 1999

Leisure, Recreation, and Tourism Abstracts , 1996 Imagining the City Sean Field, Renate Meyer, Felicity Swanson, 2007 The overriding strength of this book is that it places people ordinary people at the centre of memory at the centre of historical and contemporary experience and thus at the centre of reimagining and owning the city of Cape Town It is as they speak what they choose to say what they choose to remain silent about that we become aware of the possibilities of the city if it really did embrace all its people in all of their diversity Mike van Graan from the foreword Cities are not only made of buildings and roads but they are also constructed through popular imagination and memory as evidenced in this collection of oral and visual histories drawn from the people who live work and creatively express themselves in Cape Town South Africa The collected works move beyond apartheid history to analyze the reflective ways in which people are coming to terms with that history through memory work performance and memorialization

Women in Magazines Rachel Ritchie, Sue Hawkins, Nicola Phillips, S. Jay Kleinberg, 2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia

White Masculinity In The Recent South Making The Modern South Introduction

In today's digital age, the availability of *White Masculinity In The Recent South Making The Modern South* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *White Masculinity In The Recent South Making The Modern South* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *White Masculinity In The Recent South Making The Modern South* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *White Masculinity In The Recent South Making The Modern South* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *White Masculinity In The Recent South Making The Modern South* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *White Masculinity In The Recent South Making The Modern South* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks.
