Tiger The White Tiger is one of the most special animals in the world It is a member of the family of big cats and is a cousin of lions cheetahs jaguars and panthers It is a subspecies of the Bengal tigers subspecies means that they are like siblings because they have almost the same physical traits However unlike the Bengal tigers that have orange fur and black stripes the White Tiger has white fur and black stripes White Tigers look majestic but they have a sad story Because of their unique skin color some people keep them in circuses and theme parks to make money out of them Many of them that are sick and are not pretty are taken for granted Luckily scientists and animal protectors are doing their best to keep them safe and educate everyone about their importance
