ROY ANDERSON

White Star Titanic Roy Anderson

Paul Heyer

White Star Titanic Roy Anderson:

White Star Roy Anderson,1964 **The Titanic** Eugene L. Rasor,2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music film and exhibitions Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the Titanic **Titanic** John P Eaton,Charles Haas,1995-04-04 Astonishingly thorough pictorial record of her brief existence Beginning with her conception more than a thousand photographs and artists impressions cover her construction and launching her fitting out and trials preparations for her maiden passenger carrying voyage her departure from Southampton and arrival at Cherbourg her voyage to Queenstown and the drama of her final disaster after hitting an iceberg in the North Atlantic and the aftermath through to the **The Titanic** Wyn Craig Wade,2012-03-21 In this centennial edition of the definitive book on the Titanic new findings photos and interviews shed light on the world s most famous marine disaster for the 100th anniversary of the Titanic s sinking On that fatal night in 1912 the world s largest moving object disappeared beneath the waters of the North Atlantic in less than three hours Why was the ship sailing through waters well known to be a mass of floating ice Why were there too few lifeboats Why were a third of the survivors crew members Based on the sensational evidence of the U S Senate hearings eyewitness accounts and the results of the 1985 Woods Hole expedition that photographed the ship this electrifying account vividly recreates the vessel s last desperate hours afloat and fully addresses the questions that have continued to haunt the tragedy of the Titanic **A Girl Aboard the Titanic** Eva Hart,Ron Denney,2014-02-15 The remarkable memoir of Eva Hart a 7 year old survivor of the Titanic Disaster Total Titanic Marc Shapiro,2013-05-09 The RMS Titanic struck an iceberg in the North Atlantic at 11 40pm on 14 April 1912 By 2 20am on 15 April the last visible section of the Titanic sank below the waters More than 1500 people lost their lives This text attempts to separate fiction from fact reporting on what actually happened Answers many questions about the Titanic Where and when was it constructed Who booked passage on the maiden and final voyage Why did it actually sink Who survived Who rescued the survivors Includes a complete listing of Titanic Internet web sites **Titanic Century** Paul Heyer,2012-04-05 This book presents a revealing look at our 100 year fascination with the Titanic disaster and the various media that have been involved

in reporting preserving and immortalizing the event The Titanic s fate is still very much in our collective consciousness A catastrophe that was unimaginable at the time now 100 years later it continues to provide lessons that we have not yet fully absorbed And the debate continues regarding how the loss of life might have been averted could for example the nearby ship Californian have rescued everyone on board Titanic The book examines the relationship between a momentous historical event the media that have been involved in reporting and re presenting it and the subsequent transformation of the disaster into an enduring myth in contemporary popular culture The book will also show how the sinking of the Titanic helped make Guglielmo Marconi a household name set David Sarnoff on the path that led to his becoming head of RCA raised the stature of The New York Times to the eminence it has today and helped give film director James Cameron his current notoriety and influence

RMS Olympic Mark Chirnside,2015-09-07 Launched as the pride of British shipbuilding and the largest vessel in the world Olympic was more than 40 per cent larger than her nearest rivals almost 900ft long and the first ship to exceed 40 000 tons She was built for comfort rather than speed and equipped with an array of facilities including Turkish and electric baths one of the first ships to have them a swimming pool gymnasium squash court la carte restaurant large first class staterooms and plush public rooms Surviving from 1911 until 1935 she was a firm favourite with the travelling public carrying hundreds of thousands of fare paying passengers and retained a style and opulence even into her twilight years During the First World War she carried more troops than any other comparable steamship and was the only passenger liner ever to sink an enemy submarine by ramming it Overshadowed frequently by her sister ships Titanic and Britannic Olympic s history deserves more attention than it has received She was evolutionary in design rather than revolutionary but marked an ambition for the White Star Line to dominate the North Atlantic express route Rivals immediately began trying to match her in size and luxury The optimism that led to her conception was rewarded whereas her doomed sisters never fulfilled their creators dreams This revised and expanded edition of the critically acclaimed RMS Olympic Titanic s Sister uses new images and further original research to tell the story of this remarkable ship 80 years after her career ended [Olympic Titanic Britannic](#) Simon Mills,2022-10-13 The Titanic The Britannic The Olympic They are some of the most famous ships in history but for the wrong reasons The Olympic Class liners were conceived as the largest grandest ships ever to set sail Of the three ships built the first only lost the record for being the largest because she was beaten by the second and they were both beaten by the third The class was meant to secure the White Star Line s reputation as the greatest shipping company on earth Instead with the loss of both the Titanic and the Britannic in their first year of service it guaranteed White Star s infamy This unique book tells the extraordinary story of these three extraordinary ships from the bottom up starting with their conception and construction and later their modification and following their very different careers Behind the technical details of these magnificent ships lies a tragic human story not just of the lives lost aboard the Titanic and Britannic but of the designers pushing the limits beyond what was actually possible engineers unable to prepare for every twist of fate and

ship owners and crew who truly believed a ship could be unsinkable This fascinating story is told with rare photographs new computer generated recreations of the ships and unique wreck images that explore how well the ships were designed and built Simon Mills offers unparalleled access to shipbuilders Harland Wolff s specification book for the Olympic Class including original blueprints and being made widely available for the first time large fold out technical drawings showing how these extensive plans were meant to be seen The Titanic in Print and on Screen D. Brian Anderson,2014-12-09

Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind s hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron s blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history s most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children s books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers *The American Line (1871-1902)* William H. Flayhart,2000 This book presents the largely unknown early history 1870 1900 of the American Steamship Company an extremely colorful and eventful time replete with disasters and triumphs *Il était une fois le Titanic* Gérard A. Jaeger,2012-01-18 Le 14 avril 1912 le Titanic trace fi rement sa route vers New York Rien ne laisse pr sager que le g ant des mers le plus luxueux paquebot jamais construit court sa perte 23 h 39 la vigie discerne soudain la masse sombre d un iceberg sur la trajectoire du grand paquebot Sur la passerelle l officier de quart donne l ordre de venir sur b bord Une manoeuvre qui va envoyer mille cinq cent personnes par le fond Deux heures et quarante minutes plus tard le Titanic a disparu de la surface des eaux Il n aura navigu que cinq jours Aussit t na t un mythe qui n a cess de fasciner Un si cle apr s le drame l historien maritime G rard A Jaeger explique qu il tait impossible d enrayer le cours de l histoire Remontant 1907 date laquelle commence l aventure du Titanic il inventorie les faits r habilite la fiabilit du navire et se penche sur les manquements du personnel de bord D crit comme le symbole d une civilisation finissante le drame du Titanic n est en r alit que la r sultante d un tragique concours de circonstances Son enqu te a conduit l auteur Belfast o fut construit le paquebot ainsi qu Londres et New York o se sont tenues les commissions d enqu te sur le naufrage **Exploring the Britannic** Simon Mills,2019-03-07 Launched in 1914

two years after the ill fated voyage of her sister ship RMS Titanic the Britannic was intended to be superior to her tragic twin in every way But war intervened and in 1915 she was requisitioned as a hospital ship Just one year later while on her way to collect troops wounded in the Balkans campaign she fell victim to a mine laid by a German U boat and tragically sank in the middle of the Aegean Sea There her wreck lay at a depth of 400 feet until it was discovered 59 years later by legendary explorer Jacques Cousteau In 1996 the wreck was bought by the author of this book Simon Mills Exploring the Britannic tells the complete story of this enigmatic ship her construction launch and life her fateful last voyage and the historical findings resulting from the exploration of the well preserved wreck over a period of 40 years With remarkable sonar scans and many never before seen photographs of the wreck plus the original Harland Wolff ship plans not previously published in their entirety Exploring the Britannic finally details how the mysteries surrounding the 100 year old enigma were laid to rest and what the future might also hold for her

The Dreadnought and the Edwardian Age Andrew D. Lambert, Robert J. Blyth, Jan Rüger, 2011 The name of HMS Dreadnought is closely associated with the age of empire the Anglo German antagonism and the pre First World War naval arms race Yet it was also bound up with a range of political and cultural national and international contexts central to the Edwardian period This volume investigates these contexts and their intersection in this symbolically charged icon of the Edwardian age

Die TITANIC Firma Nikolaus Zöllner, 2012 Ann hernd 300 B cher wurden ber den Untergang der Titanic geschrieben doch nie ist die Katastrophe aus der Sicht der Wirtschaft beschrieben worden Der Autor vermittelt in diesem Buch in einer verst ndlichen Weise Informationen und Hintergr nde um dem Leser die wirtschaftlichen Aspekte der Katastrophe zu erl utern Dabei tauchen erstaunliche neue Erkenntnisse und Theorien ber das ber hmteste Schiff der Welt auf Zus tzlich zeigt das Buch zahlreiche noch nie ver ffentlichte Dokumente der Titanic Firma

An Economic History of Ulster, 1820-1939 Liam Kennedy, Philip Ollerenshaw, 1985

The Six Steven Schwankert, 2025-04-08 A moving exploration of the origins and fate of the little known Chinese passengers aboard the Titanic and how they survived against all odds The Six unveils the harrowing journey of the Chinese Titanic survivors exposing a deeply human narrative lost to time and prejudice Amy Tan When RMS Titanic sank on a cold night in 1912 barely seven hundred people escaped with their lives Among them were six Chinese men Arriving in New York these six were met with suspicion and slander Fewer than twenty four hours later they were expelled from the country and vanished When historian Steven Schwankert first stumbled across the fact that eight Chinese nationals were onboard of whom all but two survived he couldn t believe that there could still be untold personal histories from the Titanic Now at last their story can be told The result of meticulous research a dogged investigation and interviews with family members The Six is an epic journey across continents that reveals the full story of these six forgotten survivors Who were Ah Lam Chang Chip Cheong Foo Fang Lang or Fong Wing Sun Lee Bing and Ling Hee Professional mariners their incredible journeys reveal an overlooked but all too common experience of inequality and discrimination The Titanic continues to reveal a multitude of secrets and the lives of

these six men add a layer of humanity and nuance to one of the most storied shipwrecks in history **RMS Olympic** Brian Hawley,2012-07-15 This is the story of the Titanics sister ship the Olympic which celebrates the 100th anniversary of her maiden voyage in June 2011 Elegance, Sobriety and Hypocrisy Marie L. Woodard,1991 The Restless Sea Cynthia Harrod-Eagles,2011-08-25 England in 1912 still bears itself with Edwardian confidence but strikes protests and public violence reveal the fault lines as society evolves under the spur of new ideas and technology Among the many branches of the Morland family Jessie and Violet childhood friends learn to cope with the surprises of marriage and motherhood and their different strata of society Jack disappointed in love loses himself in designing aircraft and training airmen for the newly formed flying corps And Anne exhausted by the Suffragette struggle seeks comfort in her friendship with an unconventional young woman The Titanic tragedy shakes the confidence of a people used to conquering nature with engineering and all the while the troubled nations of Europe edge closer to a war no one wants but which seems inevitable
