Who Killed My Church Revelation Series 1:

Who Killed My Church? Jame Shupp, 2015-05-20 An emotionally frail pastor's wife pleads with her husband to find a new career. A burned out pastor is about to face a forced resignation. A struggling church is nearing the end of its lifecycle. All too often these scenarios end in broken hearts lying beneath piles of rubble. What if a miracle occurred instead? Who Killed My Church opens a stained glass window into the realities of what happens inside houses of worship all across America perhaps even in your own. Take an emotional journey with some gutsy people who believe that the aging bride of Christ has not lost her beauty. Their journey will inspire you. What they do however may challenge you to go and do likewise. Green Street Baptist Church has fallen on hard times. Members are leaving. The banker is knocking on the door and everyone wants to know Who killed my church? It's the same question people are asking all across America as church after church enters the struggle for survival. When all the trends are down is there any hope? Who Killed My Church is a simple story about some gutsy people who believe that the bride of Christ is worth fighting for. They don't mince words. Their ideas are highly unconventional. Some believe that their plans are too risky even leaning on the side of crazy. But when there's nothing left to lose why not take a shot at winning? Follow Pete, Monica, Markus, Bender and the rest of Green Street on an emotional journey into a very familiar environment. Though they exist in a fictional realm you may be convinced that you've seen these characters walking the hallways of your own church. One might even look like you. Follow them as they race against a ticking clock to save what matters most to the heart of God.

Revelations from Revelation Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins, this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ. Inside you will find the most amazing thought revelations, the most beautiful jewels of truth you would never have thought of before. Listen as the harmonious voices of many Second Advent authors make clear Revelation's fascinating lines of prophecies. Follow the footsteps of God's leading in the past, present and future. If there was ever a book that should be read and is studied today, it is the book of Revelation. In fact, God has pronounced a blessing on those who hear, read and keep the words of Revelation. May this book be a springboard to still greater light for you.

Death and Beyond Edwin L. Woolsey, 2021-06-23 Search the scriptures for in them ye think ye have eternal life and they are they which testify of me. John 5:39. A mysterious disconnect exists between the amount of biblical material about death and Western theology's scant reliance on that body of Scripture to universally explain what happens when life ends. In a vague way we assume to understand what occurs after our last breath but do we really? Can we say with surety what happens next? Where precisely do we go and when do we get there? Are we able to point to ancient authoritative sources and say See here it is? Due to the fuzzy nature of our current ideas, the hodgepodge of religious speculations dealing with the afterlife are more likely an outgrowth of popular culture, religious songs and anecdotal stories instead of solid biblical texts or early Judeo-Christian orthodoxy. This quandary is probably a modern

anomaly since medieval society was more familiar with the certainty of dying than we are The disassociation with spiritual reality might be a product of advancements in science and medicine that give us a false notion of immortality however nothing could be farther from the truth Unquestionably we will all die and guaranteed that fact a knowledge of what immediately follows the cessation of life is an asset worth having not only for peace of mind here but also for advanced preparation until we get there especially regarding faith based groups like Christianity If anyone should master the questions and answers dealing with the transition between life and death it should be the Church Maybe the somber nature of death makes us avoid the subject or possibly the opposite is true Our illiteracy of God s Word might be the reason death seems so cryptic and foreboding thus creating our shortsighted ignorance of the topic Regardless Jesus admonished us to pull our heads from the sand search the Scripture and make sure that our doctrines actually match God s source material hence the purpose of this book

Secrets of the Holy Bible Last Prophets,2011-04-13 This book uses both modern science and biblical references together without contradiction This book releases for the first time secret codes in the bible which disclose the approximate dates of all events in the book of Revelation which includes the dates of all seven seals and what they really are and the exact date the Antichrist and false prophets are due to arrive and what 666 really stands for in the ancient text This book also exploits hypocrisies of our society and explains biblical misconceptions and loop holes in the bible and shows the reader how far fetched you could make religion because of these loop holes This book also categorizes and groups together bible verses related to similar topics for your convenience and reference and most importantly this book documents with over 2 900 different bible verses what the bible really says
