Who are you Rhys Ryan Evans, 2023-04-11

A noise woke me up I felt my body was being shifted about rather roughly from one place to another there was a strong pain from somewhere in or on my body I couldn't think where it was I was plonked down on a hard bed I felt straps being placed around my legs and arms Something was put around my neck as well Voices were talking some were shouting I didn't understand their language My eyes were open but everything was blurred Flashing blue lights red orange colours glowed in my blurred vision tears ran from my eyes and stung my face I was shoved from one place to another voices in another language I kept hearing my arm was pulled from me my veins were slapped and I felt a sharp pain Mind was spinning I couldn't focus on anything at all I didn't understand what was going on There was more pains in my body anymore my arm was held firmly I felt something cold going into my vein the pains disappeared was I in a dream I thought and I expected it as nothing else made any sense to me I heard doors slam shut and movement I could tell I was in the back of a moving vehicle 3 Sirens sounded and I could make out the blue flashing light glows in my blurred vision I tried to think what had happened but couldn't I just led there and fell into a dream or coma whatever it was I felt pretty comfortable at the moment like I was drunk or something high on something there was no pain the shaking around in the vehicle was rocking me to sleep are you ok what is your name what happened to you do you know where you are mate I heard being called out close to me I could tell it was a lady talking I felt hands checking things on my body I could tell it was the hands of a nurse they were gentle but firm my vision was getting a bit better I tried to talk but slurred my words the nurse was close to me I could smell her perfume she asked me what my name was and what had happened to me I tried to talk again the nurse wiped my watering eyes and mouth I could see better she spoke softly and professionally My eyes I can't see properly I moaned out she wiped them again I blinked and blinked again I could see the nurse paramedic she looked like but in a different uniform that I recognised she asked me again what had happened I picked up an accent that I wasn't sure about I closed my eyes and opened them again 4 you are asking me what happened I am asking you what happened I announced she nodded and checked my vitals again I was in an ambulance for sure managed to suss that out the siren was not the one I recognised we bounced about the nurse in the back with me shouted to whoever was driving up front in a language I didn't catch I tried and tried to remember what had happened who I was where I was what had happened to me why I was here and injured things went blurry again the nurse comforted me the best she could as we bumped along I kept my eyes closed and preyed I was in some dream The paramedic nurse continued to talk to the driver I heard him talking back to her she asked me more questions what is your name do you remember anything about what happened where are you from where do you live I heard her asking all these questions which I thought was strange the nurse was going to in depth with the questions what country do you come from why are you here are you holiday she kept on with the questions I looked her and smiled I felt dizzy whatever they had given me was taking effect the nurse became blurry and hazy I felt like I was drunk it was good I could hear her talking to me but I

didn't reply I wanted to reply but I felt I couldn't if I did I would probably laugh or giggle or something the way I was feeling
 5 I listened to the nurse the ambulance bounced around the sirens and flashing blue lights I still couldn't remember what had happened to me where I was what had happened who I was I didn't care *Those Who Made a Difference* Terry Bosgra, 2021 Some people live a life that touch only a few while others have an impact that reverberates throughout the world for decades and even centuries *Those Who Made a Difference* features inspiring stories about extraordinary people While there are plenty of villains who've had an impact the author focuses on those who left the world a better place The individuals highlighted include Dwight L Moody who started an evangelism school that became so popular that even President Abraham Lincoln attended His growing ministry became a church Moody Church which the author attended while on a business trip Alexei A Navalny who has waged a courageous campaign to replace Russian President Vladimir Putin who has done all he can to disgrace and hurt him Ben Carson who became the youngest chief of pediatric neurosurgery in the United States at age 33 He prayed before every operation and received more than sixty honorary doctorate degrees The book features scores of others too such as William Farel Mikhail Gorbachev Norman Rockwell Jan Hus John Calvin Gary Rose Jimmy Doolittle Mary K Beard and many others showing how ordinary people with a purpose can and will make a difference
