Restorative Justice and Street Group Violence Theo Gavrielides, 2021-04-16 The socio economic impacts of the global COVID19 pandemic the Black Lives Matter movement the abuse of police power and persistent inequalities have taken communities to the streets The implications of riots and street group violence for governments across the world spark a new debate on the appropriateness of restorative approaches in relieving the overstretched and costly criminal justice system Despite the impressive literature on restorative justice the potential and indeed viability of its paradigm with street group violence such as riots remain largely unexplored This timely ebook uses the case study method to investigate four examples in India Greece Canada and England where restorative justice is considered within the context of street group violence Key issues are identified and recommendations are posited as new policies practices and research are being proposed in this grey area of restorative justice The book is backed up with a lecture and original evidences collected by the author in four countries To watch the lecture that was held in Vancouver as part of the Simon Fraser University Bruce and Lis Welch Community Dialogue https://www.sfu.ca/dialogue/programs/welch_dialogue/riots_restorative_justice.html Gavrielides research also appeared in The Guardian <https://www.theguardian.com/public-leaders-network/blog/2011/aug/12/listen-young-people-break-cycle> It is a great honour for the Centre for Restorative Justice at Simon Fraser University in Vancouver Canada to be partnering with Theo Gavrielides to better understand and respond to street group violence as characterized through riots Both Vancouver and England experienced the devastating impact of riots in the summer of 2011 Other cities and countries have also felt the heavy impact of riots while police and the justice system brace themselves for more The time is ripe to be asking different questions building new partnerships and exploring innovative solutions This book represents a first step in that direction and opens the door for further partnership and collaboration Professor Brenda Morrison Director of the Centre for Restorative Justice Simon Fraser University To cite this e book Gavrielides T 2021 *Restorative Justice and Street Group Violence* London RJ4All Publications ISBN 978 1 911634 39 3 DOI 10.13140/RG.2.2.30094.33608

State, Power, Crime Roy Coleman, Joe Sim, Steve Tombs, David Whyte, 2009-10-16 Following the outstanding introduction by the authors there are fifteen excellent original articles devoted to an integrated theory of the relationship between the state and crime This work is on the cutting edge of critical criminology It is a must read William J Chambliss Professor of Sociology The George Washington University USA This book is a superb compilation of original papers by an impressive roster of authors

While the articles cover a wide range of empirical issues from Northern Ireland and corporate crime to youth crime and heterosexual hegemony they all explore the implications strategies and mechanisms of state power There isn't a weak paper here all are extensively documented well written persuasive and scholarly in the very best sense Professor Laureen Snider Queens University Canada State Power Crime is a hugely important book for these times Bringing together some of the most original minds in criminology it offers a critical analysis of the state how it constructs crime responds to it and at times engages in the very same The book is essential reading for anyone interested in justice freedom and equality Paddy Rawlinson London School of Economics Featuring contributions by many of the leading scholars in the field this seminal text explores the key themes and debates on state power today in relation to crime and social order It critically evaluates a range of substantive areas of criminological concern including terrorism surveillance violence and the media State Power Crime provides historical overviews of key theories about state power assessment of the relationship between crime criminal justice and the state analysis of the development of law and order policy discussion of the impact of structural fissures such as gender race and sexuality an overview of current research and writing critical reflection on the future direction of research and analysis advice on further reading In 1978 with the publication of Hall et al's Policing the Crisis and Poulantzas's State Power Socialism the complexity of the state's interventions in maintaining a capitalist social order were laid bare for critical criminological analysis State Power Crime offers an up to date and comprehensive examination of the challenges posed by state power in relation to both criminal and social justice

The Community Justice Ideal Todd R Clear, 2018-03-05 Over the past quarter century U S politicians have responded to the public's fear of crime by devoting ever more resources to building and strengthening the criminal justice apparatus which as a result has grown tremendously in size and cost Policymakers have also taken steps to toughen procedures for dealing with suspects and criminals and broaden legal definitions of what constitutes crime which has led to the incarceration under harsher than ever conditions of a record high percentage of the U S population Yet public confidence in the criminal justice apparatus is if anything lower than ever before and fear of crime continues to be high In recent years some activists scholars criminal justice officials and politicians have begun to call for a reexamination of get tough crime policies A more sensible approach to crime they argue would focus on community justice that is on building healthy communities in which criminality cannot take root and on making citizens and criminal justice into partners rather than adversaries In this thought provoking study Todd Clear and David Karp provide both a broad theoretical analysis of this ideal and a close examination of a range of attempts to put it into practice in communities throughout the country They conclude that by making the criminal justice system and the public into partners rather than adversaries community justice strategies for dealing with crime are both more effective and more resource efficient than the failed get tough approach
