Why Does College Cost So Much

Robert B. Archibald, David H. Feldman

Why Does College Cost So Much:

Why Does College Cost So Much? Robert B. Archibald, David H. Feldman, 2010-11-10 Much of what is written about colleges and universities ties rapidly rising tuition to dysfunctional behavior in the academy. Common targets of dysfunction include prestige games among universities, gold-plated amenities, and bloated administration. This book offers a different view. To explain rising college cost, the authors place the higher education industry firmly within the larger economic history of the United States. The trajectory of college cost is similar to cost behavior in many other industries, and this is no coincidence. Higher education is a personal service that relies on highly educated labor. A technological trio of broad economic forces has come together in the last thirty years to cause higher education costs and costs in many other industries to rise much more rapidly than the inflation rate. The main culprit is economic growth itself. This finding does not mean that all is well in American higher education. A college education has become less reachable to a broad swathe of the American public at the same time that the market demand for highly educated people has soared. This affordability problem has deep roots. The authors explore how cost pressure, the changing wage structure of the US economy, and the complexity of financial aid policy combine to reduce access to higher education below what we need in the 21st century labor market. This book is a call to calm the rhetoric of blame and to instead find policies that will increase access to higher education while preserving the quality of our colleges and universities.

Tuition Rising Ronald G. Ehrenberg, 2009-07-01 America's colleges and universities are the best in the world. They are also the most expensive. Tuition has risen faster than the rate of inflation for the past thirty years. There is no indication that this trend will abate. Ronald G. Ehrenberg explores the causes of this tuition inflation, drawing on his many years as a teacher and researcher of the economics of higher education and as a senior administrator at Cornell University. Using incidents and examples from his own experience, he discusses a wide range of topics including endowment policies, admissions, and financial aid policies, the funding of research, tenure, and the end of mandatory retirement, information technology, libraries, and distance learning, student housing, and intercollegiate athletics. He shows that colleges and universities, having multiple relatively independent constituencies, suffer from ineffective central control of their costs. And in a fascinating analysis of their response to the ratings published by magazines such as *U.S. News & World Report*, he shows how they engage in a dysfunctional competition for students. In the short run, colleges and universities have little need to worry about rising tuitions, since the number of qualified students applying for entrance is rising even faster. But in the long run, it is not at all clear that the increases can be sustained. Ehrenberg concludes by proposing a set of policies to slow the institutions' rising tuitions without damaging their quality.

Why Does College Cost So Much? Robert B. Archibald, 2014

Why Does College Cost So Much? Robert B. Archibald, 2011 This book is a call to calm the rhetoric of blame and to instead find policies that will increase access to higher education while preserving the quality of our colleges and universities.

Résumé de l'auteur

Why Does College Cost So Much? Robert B. Archibald, David

Henry Feldman,2011 College tuition has risen more rapidly than the overall inflation rate for much of the past century To explain rising college cost the authors place the higher education industry firmly within the larger economic history of the United States **Why Does College Cost So Much?** Gabriel E. Kaplan,1999 Tuition Rising Ronald G. Ehrenberg,2002

The College Cost Disease Robert E. Martin,2011-01-01 College cost per student has been on the rise at a pace that matches or exceeds healthcare costs Unlike healthcare though teaching quality has declined and rapidly rising costs and declining quality are not trends easily forgiven by society The College Cost Disease addresses these problems providing a behavioral framework for the chronic cost quality consequences with which higher education is fraught Providing many compelling insights into the issues plaguing higher education Robert Martin expounds upon H R Bowen s revenue theory of cost by detailing experience good theory the principal agent problem and non profit status Reputation competition dominates higher education Students and their parents and public opinion in general associate higher tuition with higher quality and greater accolades price is used as a proxy for quality only when consumers are uncertain about quality prior to purchase Higher education services are the most complex types of experience goods a service whose quality can only be determined after a purchase has been made Applying formal economic theory to higher education Robert Martin examines how and why attempts to control costs are controversial and the damaging effects these controversies have on institutions reputations Arguing that the college access problem cannot be solved until colleges and universities find a way to control their costs this book brings to the fore the leading ideas that will bring about much needed budgetary reform in higher education

Why Does College Cost So Much Introduction

In the digital age, access to information has become easier than ever before. The ability to download Why Does College Cost So Much has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Why Does College Cost So Much has opened up a world of possibilities. Downloading Why Does College Cost So Much provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Why Does College Cost So Much has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Why Does College Cost So Much. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Why Does College Cost So Much. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Why Does College Cost So Much, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Why Does College

Cost So Much has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Why Does College Cost So Much Books

1. Where can I buy Why Does College Cost So Much books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
