Why I Hate Abercrombie Fitch Essays On Race And Sexuality Sexual Cultures:

Why I Hate Abercrombie & Fitch Dwight McBride, 2005-02-01 Reflections on the ways discriminatory hiring practices and racist ad campaigns seep into American life Why hate Abercrombie In a world rife with human cruelty and oppression why waste your scorn on a popular clothing retailer The rationale Dwight A McBride argues lies in the banality of evil or the quiet way discriminatory hiring practices and racist ad campaigns seep into and reflect malevolent undertones in American culture McBride maintains that issues of race and sexuality are often subtle and always messy and his compelling new book does not offer simple answers Instead in a collection of essays about such diverse topics as biased marketing strategies black gay media representations the role of African American studies in higher education gay personal ads and pornography he offers the evolving insights of one black gay male scholar As adept at analyzing affirmative action as dissecting Queer Eye for the Straight Guy McBride employs a range of academic journalistic and autobiographical writing styles Each chapter speaks a version of the truth about black gay male life African American studies and the black community Original and astute Why I Hate Abercrombie Fitch is a powerful vision of a rapidly changing social landscape The Tragedy of Heterosexuality Jane Ward, 2022-03 The Tragedy of Heterosexuality is an exploration of the so called straight culture **Sexual Disorientations** Kent L. Brintnall, Joseph A. Marchal, Stephen D. Moore, 2017-11-07 Sexual Disorientations brings some of the most recent and significant works of queer theory into conversation with the overlapping fields of biblical theological and religious studies to explore the deep theological resonances of questions about the social and cultural construction of time memory and futurity Apocalyptic eschatological and apophatic languages frameworks and orientations pervade both queer theorizing and theologizing about time affect history and desire The volume fosters a more explicit engagement between theories of queer temporality and affectivity and religious texts and discourses **Sexual Discretion** Jeffrey Q. McCune, Jr., 2014-03-07 African American men who have sex with men while maintaining a heterosexual lifestyle in public are attracting increasing interest from both the general media and scholars Commonly referred to as down low or DL men many continue to have relationships with girlfriends and wives who remain unaware of their same sex desires and in much of the media DL men have been portrayed as carriers of HIV who spread the virus to black women Sexual Discretion explores the DL phenomenon offering refreshingly innovative analysis of the significance of media space and ideals of black masculinity in understanding down low communities In Sexual Discretion Jeffrey Q McCune Jr provides the first in depth examination of how the social expectations of black masculinity intersect and complicate expressions of same sex affection and desire Within these underground DL communities men aren't as highly policed and thus are able to maintain their public roles as properly masculine McCune draws from sources that range from R and from E Lynn Harris's contemporary sexual passing novels to McCune's own interviews and ethnography in nightclubs and online chat rooms Sexual Discretion details the causes pressures and negotiations driving men who rarely disclose their intimate secrets **Journal of the History of Sexuality**

,2005 *Transforming Citizenships* Isaac West,2014 *Transforming Citizenships* engages the performativity of citizenship as it relates to transgender individuals and advocacy groups Instead of reading the law as a set of self executing discourses Isaac West takes up transgender rights claims as performative productions of complex legal subjectivities capable of queering accepted understandings of genders sexualities and the normative forces of the law Drawing on an expansive archive from the correspondence of a transwoman arrested for using a public bathroom in Los Angeles in 1954 to contemporary lobbying efforts of national transgender advocacy organizations West advances a rethinking of law as capacious rhetorics of citizenship justice equality and freedom When approached from this perspective citizenship can be recuperated from its status as the bad object of queer politics to better understand how legal discourses open up sites for identification across identity categories and enable political activities that escape the analytics of heteronormativity and homonationalism Brown Boys and Rice Queens Eng-Beng Lim,2023-11-21 Honorable Mention for the 2015 Cultural Studies Best Book presented by the Association of Asian American Studies Winner of the 2013 CLAGS Fellowship Award for Best First Book Project in LGBT Studies A transnational study of Asian performance shaped by the homoerotics of orientalism *Brown Boys and Rice Queens* focuses on the relationship between the white man and the native boy Eng Beng Lim unpacks this as the central trope for understanding colonial and cultural encounters in 20th and 21st century Asia and its diaspora Using the native boy as a critical guide Lim formulates alternative readings of a traditional Balinese ritual postcolonial Anglophone theatre in Singapore and performance art in Asian America Tracing the transnational formation of the native boy as racial fetish object across the last century Lim follows this figure as he is passed from the hands of the colonial empire to the postcolonial nation state to neoliberal globalization Read through such figurations the traffic in native boys among white men serves as an allegory of an infantilized and emasculated Asia subordinate before colonial whiteness and modernity Pushing further Lim addresses the critical paradox of this entrenched relationship that resides even within queer theory itself by formulating critical interventions around Asian performance **Extravagant Camp** Chris A. Eng,2025-02-04 Winner of the 2023 2024 CLAGS Fellowship Award Illuminates an irreverent queer cultural strategy for grappling with and remaking abject histories of violence *Extravagant Camp* takes as its point of critical departure the multiple valences of the word camp the camp as a geopolitical space and process of concentrating racialized populations and the campy as a mode of queer expressiveness Engaging its double meaning Chris A Eng explores how camp and encampment have contoured the figure of the Asian American The book follows campy performances that imaginatively restage the camps that have been central to dominant narratives of Asian American history Chinese railroad labor Japanese American incarceration Vietnam War refugee resettlement and counterinsurgency camps across US imperial entanglements in the Philippines Illuminating an eclectic ensemble of performances that grapple with Asian American history from classical works in the Asian American literary tradition to emerging works of theater and film *Extravagant Camp* uncovers Asian American camp as a prevalent yet

underappreciated cultural strategy for contesting accounts of Asian American racialization that overly rely on terms of abjection Theorizing Asian American camp as both a performance strategy and reading practice Eng examines how artists drag up the maligned racial roles of the coolie the internee the refugee and the diva to make different sense of these histories Extravagant Camp shows how Asian American camp takes on queerness as a resource to enliven modes of joy beauty and pleasure within structures of constraint revealing the types of power camp retrieves for racialized communities in the face of abjection Geared toward the extravagant Asian American camp demands a recognition of queer abjection not as the basis for our undoing but rather the grounds for a more radical social remaking **GLQ**, 2006 The Sexual Body Shelly Eversley, Jennifer Morgan, 2007-06 During the past thirty years controversies have raged over the associations among women s bodies sex and questions of women s liberation Through critical essays fiction poetry and images this provocative issue draws on the expertise of a variety of disciplines to explore a range of topics including soul food the works of performance artist Sarah Jones photographer Renee Cox filmmaker Spike Lee dance hall music and the history of slavery as it reveals how women s bodies have been portrayed and how society views discusses and practices sex today **Feminist Periodicals**, 2007 *American Studies Association* American Studies Association. Meeting, 2005 **The Crisis**, 2005 **Ideology, Identity, and Assumptions** Howard Dodson, Colin A. the fundamental ways in which sexuality has become a key component of contemporary literate practice of the stories we tell about ourselves our communities and our political investments Alexander then demonstrates through a series of composition exercises and writing assignments how we might develop students understanding of sexual literacy Examining discourses of gender heterosexuality and marriage allows students and instructors a critical opportunity to see how the languages we use to describe ourselves and our communities are saturated with ideologies of sexuality Understanding how sexuality is constructed and deployed as a way to make meaning in our culture gives us a critical tool both to understand some of the fundamental ways in which we know ourselves and to challenge some of the norms that govern our lives In the process we become more fluent with the stories that we tell about ourselves and discover how normative notions of sexuality enable and constrain narrations of identity culture and politics Such develops not only our understanding of sexuality but of literacy as we explore how sexuality is a vital if vexing part of the story of who we are *The Journal of African American History* ,2002
