Why Jesus Rediscovering His Truth In An Age Of Mass Marketed Spirituality:

Why Jesus? Ravi K. Zacharias, 2014-07-01 Ravi takes a scholarly yet imaginative approach to apologetics. The author believes that over the past 40 years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work and teaching of Jesus Christ. In *Why Jesus*, Zacharias looks at the impact of this storm.

Why Jesus? Ravi Zacharias, 2012-01-25 The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work and teaching of Jesus Christ. In *Why Jesus*, Ravi Zacharias looks at the impact of this storm by discussing the 60s/70s Age of Aquarius, actor Shirley MacLaine's book and TV series *Out On A Limb*, author James Redfield's *The Celestine Prophecy*, Rhonda Byrne's *The Secret*, Dan Brown's *The Da Vinci Code* and other books by Eckhart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like the belief that we are all gods and have to discover our divinity. Jesus was only a good teacher. Christianity is but one among many ways to eternal life. Reincarnation is real. Jesus was married. Truth is relative. There is no sin and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

Be Light Samuel Rodriguez, 2016-05-03 LOS ANGELES TIMES BESTSELLER The Blueprint for Overcoming Darkness and Living in God's Light. Our world unravels more each day. It feels as if we're drowning in a sea churning with greed, violence and lust. As darkness advances, hope dims. Yet within that reality, God gives us a profound mandate: Be Light. Light has always defined God and his followers. At creation, God spoke light into existence. Jesus is the light of the world. And we are born to absorb and then reflect God's light. In *Be Light*, Samuel Rodriguez, described by Fox News and CNN as America's most influential Latino Evangelical leader, provides a blueprint for confronting darkness in every realm of our lives. He issues a clarion call for individual believers and the church to rise up and once again be that bright city on a hill which doesn't simply expose the invading darkness but overcomes it with God's blazing light.
