Why She Plays The World Of Womens Basketball

Deborah J. Waldman

Why She Plays The World Of Womens Basketball:

Why She Plays Christine A. Baker, 2008-12-01 An exploration of women in basketball

Defending the American Way of Life Kevin B. Witherspoon, 2018-12-01 Winner 2019 NASSH Book Award Anthology The Cold War was fought in every corner of society including in the sport and entertainment industries Recognizing the importance of culture in the battle for hearts and minds the United States like the Soviet Union attempted to win the favor of citizens in nonaligned states through the soft power of sport Athletes became de facto ambassadors of US interests their wins and losses serving as emblems of broader efforts to shield American culture both at home and abroad against communism In *Defending the American Way of Life* leading sport historians present new perspectives on high profile issues in this era of sport history alongside research drawn from previously untapped archival sources to highlight the ways that sports influenced and were influenced by Cold War politics Surveying the significance of sports in Cold War America through lenses of race gender diplomacy cultural infiltration anti communist hysteria doping state intervention and more this collection illustrates how this conflict remains relevant to US sporting institutions organizations and ideologies today

Hoops Thomas Aiello, 2022-02-25 From its early days as a sport to build muscular Christianity among young men flooding nineteenth century cities to its position today as a global symbol of American culture basketball has been a force in American society It grew through high school gymnasiums college pep rallies and the fits and starts of professionalization It was a playground game an urban game tied to all of the caricatures that were associated with urban culture It struggled with integration and representations of race Today basketball s influence seeps into film music dance and fashion *Hoops* tells the story of the reciprocal relationship between the sport and the society that received it While many books have celebrated specific aspects of the game Thomas Aiello presents the only contemporary cultural history of the sport from the street to the highest levels of professional mens and womens competition He argues that the game has existed in a reciprocal relationship with the broader culture both embodying conflicts over race class and gender and serving as a public theater for them Aiello places cultural icons like Bill Russell Michael Jordan and Kobe Bryant in the context of their times and explores how the sport negotiated controversies and scandals *Hoops* belongs on the bookshelf of every reader interested in the history of basketball sports race urban life and pop culture in America

The New Encyclopedia of Southern Culture Harvey H. Jackson III, Charles Reagan Wilson, 2014-02-01 What southerners do where they go and what they expect to accomplish in their spare time their leisure reveals much about their cultural values class and racial similarities and differences and historical perspectives This volume of *The New Encyclopedia of Southern Culture* offers an authoritative and readable reference to the culture of sports and recreation in the American South surveying the various activities in which southerners engage in their nonwork hours as well as attitudes surrounding those activities Seventy four thematic essays explore activities from the familiar porch sitting and fairs to the essential football and stock car racing to the unusual pool checkers and a sport called fireballing In seventy seven

topical entries contributors profile major sites associated with recreational activities such as Dollywood drive ins and the Appalachian Trail and prominent sports figures including Althea Gibson Michael Jordan Mia Hamm and Hank Aaron Taken together the entries provide an engaging look at the ways southerners relax pass time celebrate let loose and have fun

Female Olympian and Paralympian Events Linda K. Fuller, 2018-10-04 *Female Olympian and Paralympian Events* is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games which have long been underappreciated and under analyzed The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis before delving into a literature review of female Olympians and Paralympians events It includes a listing of noteworthy firsts in the field followed by individual discussions of twenty eight Summer and seven Winter events analyzed according to their historical rhetorical and popular cultural representations Women's unique roles in the various events are discussed particular athletes and Paralympic events are highlighted and original tables are also included At the end of each section affiliated organizations and resources are included in this invaluable referential volume

Race and Sports Rachel Laws Myers, 2021-01-19 This work is a welcome compilation that will be of use to anyone interested in the impact of race in sports and on society as a whole Booklist This all in one resource provides a wide ranging overview of the history of race relations in American sports from the nation's decades of segregation to today's thoroughly integrated teams and sports It explores the history of minority involvement in sports at every level the barriers broken the stereotypes that have been shattered and the challenges that many athletes of color still face The volume opens by providing extensive background on the topic of race and sports in American history before moving on to an extended discussion of specific controversies problems and events related to race and sports Essays from a range of perspectives on the intersection of sports and race are featured as well as biographical profiles of notable individuals and organizations from Colin Kaepernick to Simone Biles Other features include a detailed chronology of events an annotated bibliography of sources for further study and a glossary of terms
