Why Suffering Ravi:

Why Suffering? Ravi Zacharias, Vince Vitale, 2025-05-01 Why would a loving and powerful God allow so much pain and suffering In Why Suffering Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear comprehensive and convincing answer Responses like Where there is the possibility of love there has to be the reality of freedom and therefore the possibility of pain Wishing God had made a different world is to wish yourself out of existence The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering In comparison with other world religions the Christian response is highly distinctive The reality of evil only makes sense in light of the reality of divine goodness Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering God's decision to allow temporal suffering is understandable when viewed from an eternal perspective Divine goodness shows how to conquer not in spite of but even through suffering Here is a book written with great respect for the complexity of the issue recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God Why Suffering provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity **Why Do We Hurt?** C. Destined to Survive; A Memoir of Tragedies and Triumphs Leslie Pobe,2023-04-10

The story of the Liberian civil war may have fizzled out of the minds of those who were old enough to read about it or watch it on television. It was one of the many recorded atrocities of the twenty first century when humans turned on themselves for no reason other than the vain pursuit of power. To the author it was a period of loss, pain, anguish, disease, starvation, and a life of uncertainty. This memoir gives an account of how the author and his sister lost their parents in the civil war and survived under inexplicable circumstances when adults fully capable of fending for themselves did not. It simply shows that the strong hand of God keeps those who are helpless and shows up for them in ways and places that are beyond human explanations. You need to read this book to know how helpless humans are without the help of God. When left to our own devices, we will go to whatever extent to unleash pain and suffering on our fellow humans to get and keep power. *Outrageous Truth...* Robert Jeffress, 2013-07-24

SEVEN OUTRAGEOUS TRUTHS YOU CAN STILL BELIEVE AND WHY

Every other religion is wrong. God sends good people to Hell. Homosexuality is a perversion. Evolution is a myth. God is ultimately responsible for suffering in the world. Husbands are to lead their families. America is a Christian nation. In Hell, Yes. Dr. Robert Jeffress issues a bold wakeup call to all believers, from college students to grandparents, to stop apologizing for and start proclaiming the tough but essential truths that Christians have historically embraced. And he provides the finest biblical, scientific, and historical evidence needed to defend these core beliefs in a culture turned hostile to God's truth. Dr. Jeffress believes the secular spirit of political correctness is holding the church hostage. And the tragic result is that the revolutionary, life-changing, positive message of the Christian faith is being watered down. If you are weary of a Christianity that waffles and wavers about controversial issues, if you are ready to stand up and passionately yet forcefully and intelligently say, "This is what I believe," and here's why, then this book is for you.
