Why You Should Believe In The Trinity An Answer To Jehovahs Witnesses:

Why You Should Believe in the Trinity Robert M. Bowman, 1992 **A Catholic Response to the Jehovah's Witnesses** Jennifer Moorcroft, 2014-07-16 A Catholic Response to the Jehovahs Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality Having met with many Witnesses over the years she was prompted to write the book as a response to them It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovahs Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church Jehovah's Witnesses Robert M. Bowman Jr., 2016-09-06 The zeal and dedication of Jehovah s Witnesses mask a highly disciplined organization that has a troubled history Moreover their thorough knowledge of their own scriptures gives a pretense of having spiritual truth The movement has grown from about 1 1 million worldwide in 1965 to 4 4 million today Yet all is not what it seems in the Watchtower Society How do the teachings of the Jehovah s Witnesses run counter to orthodox Christianity What drives adherents to give hundreds of hours a year to witnessing What draws converts to a cult of strict control by religious leaders Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood A World of Difference (Reasons to Believe) Kenneth Richard Samples, 2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism Samples tackles tough issues through this in depth study of Christianity s history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense **The Incarnate Christ and His Critics** Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough

biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

Oneness Pentecostals and the Trinity Gregory A. Boyd,1992-06-01 What s special about Oneness Pentecostals In this penetrating analysis of Oneness theology and practice Gregory Boyd reveals the experience of four years of personal involvement in a Oneness church Although Oneness Pentecostals belief in Christ s deity establishes some common ground with other Christians their aggressive denial of the Trinity has nonetheless fostered their indisputably sub Christian ideas about God s character about salvation and about Christian living *Approaching Jehovah's Witnesses in Love* Wilbur Lingle,2004-01-01 Do you feel like hiding when Jehovah s Witnesses ring your doorbell Have you tried to convey your faith to them and gotten nowhere It s proven and practical guide which includes questions answers conversation starters and other great witnessing tools that will help you speak to Jehovah s Witnesses **A Zeal for God Not According to Knowledge** Eric Snow,2005-03 Are the Jewish arguments against belief in Jesus as mankind s Savior any good Is Jesus Christ the promised Messiah of the Old Testament s prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can t be dismissed lightly Using solid scholarship and rigorous logic A Zeal For God Not According to Knowledge defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michael Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament s prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also **The Omnipresence of Jesus Christ** Theodore Zachariades,2015-06-01 This important book reassesses the classic Chalcedonian view of Jesus one person two natures It carefully rejects all forms of kenotic Christology and affirms that Jesus possessed and used all the divine attributes in particular that of omnipresence arguing that evangelical scholars have abandoned this important truth This has ramifications for our view of the Holy Spirit

and of Christ's presence with his people. It challenges us to read the Scriptures again and to live in the presence of Jesus.

Publisher Commendation In this important study of orthodox Christology Dr Zachariades develops an aspect of it that has generally been neglected. How should we understand the universal presence of the risen, ascended and glorified Christ? Starting with the controversies of the early church he takes us through the questions involved in the discussion and points us to a deeper understanding of how Christ is both God and man at the same time. Gerald L. Bray, Research Professor of Divinity History and Doctrine, Beeson Divinity School, USA. [Another Jesus, a Different Spirit, a Different Gospel](#) Steven H. Propp, 2011-12-13. It's the Christmas season, the most wonderful time of the year for most people in River City, California. But for Jehovah's Witnesses, Lawrence and Brad, it's a time for them to try to explain the truth about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement or a door slammed rudely in their faces, but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall, two Latter-day Saint Mormon missionaries, the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel, but their efforts are often rebuffed as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ, the Community of Christ, RLDS, Seventh-day Adventists and Oneness Pentecostals, not to mention skeptics, atheists and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on cults, and specifically targeting the Jehovah's Witnesses and Mormons, a confrontation is ensured where theological and biblical concepts collide in a public forum. Who, if anyone, really has the Truth? Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions. Readers of the author's earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book. **The Watchtower and the Word** Stephen J. Bedard, 2014-02-18. This book is meant to equip Christians to have productive conversations with Jehovah's Witnesses. It systematically goes through the Jehovah's Witness booklet *What Does the Bible Really Teach*. This book provides responses to their beliefs and suggestions as to where to steer the conversation. **The Godhead: New Scriptural insights on the father, the son and the Holy Ghost** Duane S.
