Why Is Your Axe Bloody A Reading Of Njals Saga:

'Why is your axe bloody?' William Ian Miller, 2014-07-17 Njal's saga the greatest of the sagas of the Icelanders was written around 1280. It tells the story of a complex feud that starts innocently enough in a tiff over seating arrangement at a local feast and expands over the course of 20 years to engulf half the country in which both sides are effectively exterminated. Njal and his family burned to death in their farmhouse the other faction picked off over the entire course of the feud. Law and feud feature centrally in the saga Njal its hero being the greatest lawyer of his generation. No reading of the saga can do it justice unless it takes its law its feuding strategies as well as the author's stunning manipulation and saga conventions. In 'Why is your axe bloody' W I Miller offers a lively entertaining and completely original personal reading of this lengthy saga.

Page Susanne Pohl Zucker Amanda Strick Helle Vogt Mark D West and Stephen D White Death in the Middle Ages and Early Modern Times Albrecht Classen, 2016-04-11 Death is not only the final moment of life it also casts a huge shadow on human society at large People throughout time have had to cope with death as an existential experience and this also of course in the premodern world The contributors to the present volume examine the material and spiritual conditions of the culture of death studying specific buildings and spaces literary works and art objects theatrical performances and medical tracts from the early Middle Ages to the late eighteenth century Death has always evoked fear terror and awe it has puzzled and troubled people forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations The more we learn about the culture of death the more we can comprehend the culture of life As this volume demonstrates the approaches to death varied widely also in the Middle Ages and the early modern age This volume hence adds a significant number of new facets to the critical examination of this ever present phenomenon of death exploring poetic responses to the Black Death types of execution of a female murderess death as the springboard for major political changes and death reflected in morality plays and art *Bad Boys and Wicked Women* Daniela Hahn, Andreas Schmidt, 2017-02-07 This volume assembles 13 essays as the result of a workshop for international doctoral and post doctoral researchers in Old Norse studies which was held at the Institute for Nordic Philology at LMU in Munich in December 2015 The contributions focus lies on different aspects of bad or evil characters in saga literature and they give testimony to the broad literary variety such figures display in Old Norse texts The Antagonists and Troublemakers in Old Norse Literature are here explored in their diversity ranging from their literary psychology to their characteristics which often challenge gender norms The contributions discuss the narrative strategies of presenting these characters to the audience both positively and negatively Furthermore they analyse how the central paradox of evil and its dependence on context is realised in various ways in Old Norse literature **Outrageous Fortune** William Ian Miller, 2021 In this book William Ian Miller offers his reflections on the perverse consequences of so called good things With wit and sensitivity along with a large measure of fearless self scrutiny he points to and invites us to recognize the gloomy neurotic despondent tendencies of reasonably sentient humanity *Europe in the Eleventh Century* Charles West, 2025-10-16 Eleventh century Europe was diverse and fast changing Historians have often debated this change through two sets of competing arguments one about the shifting role of the Church and the Papacy and the other about the rise of castellan lords and a proliferation in violence Yet these arguments about Church Reform and Feudal Revolution only really apply to one part of Europe the Latin West This book takes its cue from contemporary perceptions of Europe and includes Byzantium or East Rome and Muslim al Andalus in scope In doing so it presents a new perspective on Europe in the period Its chapters assess different scales of action and interaction within this wide space They take from the reader from the peasants living in small village settlements via the great city of Constantinople the taifa emirates kingdoms from Ireland to Hungary and the two universal empires up to

contemporary ideas cosmologies and representations of the wider world Viewed in this broad setting the Latin West's remarkable expansion during this period dramatically illustrated by the First Crusade at the century's end can best be understood as the poorly controlled overspilling of internal dynamics as the established public order was disrupted Elsewhere in Europe existing structures proved more resilient and better able to accommodate internal economic and social development though remaining vulnerable to aggression from outside

A Very Bad Wizard Tamler Sommers, 2016-05-26 In the first edition of *A Very Bad Wizard* Morality Behind the Curtain Nine Conversations philosopher Tamler Sommers talked with an interdisciplinary group of the world's leading researchers from the fields of social psychology moral philosophy cognitive science and primatology all working on the same issue the origins and workings of morality Together these nine interviews pulled back some of the curtain not only on our moral lives but through Sommers probing entertaining and well informed questions on the way morality traditionally has been studied This Second Edition increases the subject matter adding eight additional interviews and offering features that will make *A Very Bad Wizard* more useful in undergraduate classrooms These features include structuring all chapters around sections and themes familiar in a course in ethics or moral psychology providing follow up podcasts for some of the interviews which will delve into certain issues from the conversations in a more informal manner including an expanded and annotated reading list with relevant primary sources at the end of each interview presenting instructor and student resources online in a companion website The resulting new publication promises to synthesize and make accessible the latest interdisciplinary research to offer a brand new way to teach philosophical ethics and moral psychology

Viking Women Lisa Hannett, 2023-01-31 Let's travel in time together a thousand or so years back and meet Viking women in their hearth lit world How did these medieval viragoes live love and die How can we encounter them as flesh and blood beings with fears and feelings not just as names in sagas or runes carved into stone In this groundbreaking work Lisa Hannett lifts the veil on the untold stories of wives and mothers girls and slaves widows and witches who sailed settled suffered survived and thrived in a society that largely catered to and memorialised men Hannett presents the everyday experiences of a compelling cast of women all of whom are resourceful and petty hopeful and jealous and as fabulous and flawed as we are today Lisa Hannett is an award winning Canadian Australian writer and academic

"The Making of Europe", 2016-05-09 In *The Making of Europe* Essays in Honour of Robert Bartlett a group of distinguished contributors analyse processes of conquest colonization and cultural change in Europe in the tenth to fourteenth centuries They assess and develop theses presented by Robert Bartlett in his famous book of that name The geographical scope extends from Iceland to the Islamic Mediterranean from Spain to Poland Themes covered range from law to salt production from aristocratic culture in the Christian West to Islamic views of Christendom Like the volume that it honours the present book extends our understanding of both medieval and present day Europe Contributors are Sverre Bagge Piotr Grecki John Hudson Hugh Kennedy Simon MacLean William Ian Miller Esther Pascua Echegaray Ana Rodriguez

Matthew Strickland John Tolan Bjorn Weiler and Stephen D White This is an excellent collection of essays that do justice to Rob Bartlett's inexhaustible book *The Making of Europe* Rather than merely repeating and venerating Bartlett's ideas the essays engage creatively and critically with them and spark new ideas and insights that cast a flood of light on the culture of medieval Europe The result is a worthy tribute that will send readers scurrying back to Bartlett to quarry yet more nuggets from *The Making of Europe* still fizzing with intellectual brio some twenty years after its publication Stuart Airlie University of Glasgow October 2015 *Die Faszination des Verborgenen und seine Entschlüsselung – Rāði sać kunni* Jana
