Why Join A Small Church:

Why Join a Small Church? John Benton, 2008-09-20 A Christian married couple I know of had to move out of London and leave their church to go north with the husband's job. Much to the surprise of some of their long-term Christian pals they began attending the little and very local Anglican church in the village to which they had moved. The Christian friends of the couple had concerns. The church was small, the teaching was not heretical but it was not great and there was nothing there for their four children. It was while talking through these concerns one evening with one of their friends that the husband made a comment which was highly significant. He said, "How could we drive past one church to go to another? They felt before God they just could not do it. They refused to dismiss the little church because it was in a poorly state. They were more concerned to help Christ's cause there than they were for their own immediate welfare or enjoyment of the ministry. To join a big and thriving church is not always wrong but it is frequently the easy option. To join a little needy congregation is not a decision to be taken lightly. It will probably require far more guts, love, resilience and spiritual exertion. But how the devil would love to herd Christians into a few big city-centre churches getting them to travel miles from their communities and leaving vast tracts of our country with no viable witness for the gospel. This book is written as a plea for Christians to think again about getting involved with a small church. Ask yourself the question: How can we drive past one church to go to another?"

How to Thrive as a Small-Church Pastor Steve R. Bierly, 2010-08-03 Pastoring a small church is no small job. It can be physically, emotionally and spiritually exhausting. Read this book for a relief. And a turning point. Steve R. Bierly offers the seasoned reassurance of one who has been in the trenches of small church pastoring. He understands your unique needs and problems not just as a pastor but as a person. And he shows that by God's grace you can fulfill your calling and thrive in the face of its challenges. With humor and fatherly wisdom, Bierly helps you reframe your perspectives on God, Your ministry, Your relationships, Your personal needs. And more. Drawing on years of experience, he offers assurance that you're not alone, a fresh outlook on the successes of your ministry and an upbeat practical approach to spiritual, emotional and physical well-being. *How to Thrive as a Small Church Pastor* will help you face realistically the rigors of your vocation and reclaim your first love of ministry.

Small Church Essentials Karl Vaters, 2018-03-06 Do you lead a small church? Big churches get all the love. Articles, books, conferences, they mostly feature leaders of large congregations. Yet big churches are a small part of the ecclesial landscape. In fact, more than 90 percent of churches have fewer than 200 people. That means small churches play a big part in what God is doing. *Small Church Essentials* is for leaders of these smaller congregations. It encourages them to steward their role well, debunking myths about small churches while offering principles for leading a dynamic, healthy small church. Based on the popular six-hour lecture that Karl Vaters delivers to church leaders across the country, *Small Church Essentials* will affirm small church leaders and show them how to identify what they do well and how to do it even better. Readers will be assured that leading a small congregation does not make them ministry failures. Come away inspired to lead.

with passion regardless the size of their church Have field tested principles for leading a church in their context Possess new metrics for biblically measuring vitality in small churches Have a toolkit of resources to use in their everyday ministry Karl Vaters has been a small church pastor for 30 years is the author of *The Grasshopper Myth Big Churches Small Churches* and *the Small Thinking that Divides Us* 2013 and travels extensively to churches and conferences to speak about leading a small church well If you are pastoring a small church this book will be a breath of fresh air It will affirm your calling while giving you fresh tools to help you lead It will help you Stop believing lies about small churches Lead your church to fulfill the role only small churches can Understand your congregation s strengths and weaknesses Turn around a dying or unhealthy church Identify good trends and bad in church and culture **Indispensable Guide for Smaller Churches** David R.

Ray, 2009-06-01 This book complements the author s earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030 *Helping the Small Church Win Guests* Desmond Barrett, 2024-04-25 The heart behind any revitalization effort is to see the church reach the community and new people with the gospel It should not be about membership tithing or even more people in the pews Those will come if the church is willing to prepare for guests for the greater good of the community There is no silver bullet in winning and keeping new guests but may you find strategies in this resource that will make you think about what more you could do to prepare retain and invite guests into the local church

Tribal Church Steve Stroope, Kurt Bruner, 2012-01-15 God s biggest assignments have always been entrusted to those leading a small tribe From the twelve families of Israel to early Christians who met in one another s homes great leaders begin by serving a core group of people who ripple outward for ever extending social and spiritual impact They go big by leading small Today leaders don t fail because they lack vision They fail because they neglect their tribe It could be a father losing sight of his family a lead pastor failing to leverage the strengths of his staff or a small group coordinator ignoring a tiny but important process Tribal Church helps pastors recognize the potential and power of various tribes within their congregations one family a network of small groups maybe an entire age group and then recalibrate ministry efforts to maximize the impact of each Steve Stroope has spent three decades mastering the art of leading small in a church that has multiplied from dozens to over ten thousand He explains why big impact does not come from any sort of mega church ambition It rather comes by attending to the little details and the smallest tribes Endorsements Steve Stroope has done us a favor by collecting three decades of experience into one book One glance at the manuscript and I thought of a dozen uses for it First it will strengthen my leadership skills I can envision our leadership team reading it as a group Seminaries should tap into its wisdom Thank you Steve for living out an example of godly leadership Max Lucado pastor and best selling author Steve Stroope is one of the finest pastor leaders of our generation In his candid look at Lake Pointe Church s first 30 years

Steve shares helpful insight wisdom and practical experience that can help churches become more fruitful in fulfilling Christ's Great Commission With a heart for local and global missions Steve has modeled leadership methods that have been tested in the modern church world and can be great tools for equipping leaders in the days ahead Bryant Wright senior pastor Johnson Ferry Baptist Church of Marietta GA and president of the Southern Baptist Convention Steve Stroope is one of the most quietly influential voices in the growth and robustness of American Christianity He is a collector of good ideas what he calls little things the small but essential acts that cumulatively demonstrate the character of Christ in American church leadership This book is by a leader I admire Bob Buford founder of Leadership Network and author of Halftime and Finishing Well I've known Steve for 15 years and he's the real deal His life and leadership inspires me and so does the tribe of Lake Pointe Church The straightforward practical wisdom in this book will recalibrate any leader and any church at any stage of the game Bill Hybels senior pastor Willow Creek Community Church Steve Stroope is more than knowledgeable about leadership and ministry He is wise He leads with strategic skill discernment and intuition Every conversation with Steve has marked me and impacted my ministry therefore I am eager to read anything he writes Eric Geiger acting vice president Church Resources Division Lifeway Christian Resources Steve Stroope is the wisest and most effective pastor I know This book is a treasure chest of godly wisdom for church leaders Steve gives us an inside look at the actual tools and methods he's used to lead Lake Pointe from a handful of people to a thriving and healthy multi site church of thousands Every pastor needs this book in their library Nelson Searcy lead pastor The Journey Church

Rebuilding The Kingdom Robert Barr, 2012-04-22 As I have studied the history of the church I have found that the church has gone through periods of success and failure in carrying out its mission to reach the lost and make disciples I have found that the periods of success have had several things in common as have the periods of failure I have tried to compile those things that have helped build the church down through history and which I have found successful in my own ministry in order to help pastors and church leaders build more successful churches

What's Right with the Church Elmer L. Towns, 2009-09-15 The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism They knew that they were followers of the living Lord Jesus Christ They were members of a thing called the church Through the centuries the church has been the most powerful transforming force in history Yet in America many observe it as anemic and powerless Author Elmer Towns contends that there is good news there are many things that are still right with the church What Is Right with the Church affirms the positive things that are present in the church today and what will carry it forward as a transforming force This book is not a defense of the traditional church nor does it run to embrace all new forms of worship Rather this book examines the biblical nature of church allowing the best to come forth It is not a book about old churches new churches or home churches It is a book about what is right about every true church no matter the expression history or culture A growing number of people are not aware of the enduring strengths of the church The author contends

that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century they must be established on foundational biblical truths and core values And when this happens the church thrives as a transforming force

Bringing Home the Message Robert K. Perkins,2014-09-03 Believing that study and application of Scripture in the context of Christian community can greatly enhance the transformative power of the preached message in Bringing Home the Message Robert Perkins aims to help pastors integrate small group ministry with their preaching Perkins lays out the biblical theological historical and sociological basis for the importance of hearing God s Word in the context of community and provides a practical methodology for implementing sermon based small group Bible studies This helpful book also includes a sample fourteen part series of Study Guides and Leader s Notes for the Gospel of Luke Step by step instructions illustrate how to prepare effective inductive Bible study questions for small groups that will challenge members to grow in their faith and discipleship through understanding and applying God s Word together

How to Attract and Keep Active Church Members Donald P. Smith,1992-01-01 In this study of church growth and membership retention Smith argues that if a church is to survive it must concentrate on keeping its present members as well as attracting new ones Interviewing people from 600 churches of various sizes and reviewing the causes of membership decline and retention in those churches Smith asserts that churches must meet members needs in order to attract and keep them

Being Christian Stephen Arterburn,John Shore,2009-05 This inviting book addresses the questions and concerns of newer believers and will inspire those looking for a refresher on what it means to be Christian Wherever the readers are in their faith journey they ll find their questions addressed with biblical theologically sound answers written in an engaging and conversational style The easy to use format allows readers to identify and find their most pressing faith concerns At the same time when read in its entirety Being Christian provides a solid topical introduction to Christianity Relevant Bible passages are used throughout the book to enhance the reader s understanding of how Scripture informs its answers Among the subjects discussed and deeply explored are God the Bible the church sin what it means to be saved by grace how to discern God s voice how to deal with guilt and much more Designed for use by individuals it s also a great resource for small groups and new believers classes

Biblical Counseling and the Church Bob Kelleman,2015-11-03 As people face addictions deal with loss and grief and seek help in restoring broken relationships where

can they turn for counsel and assistance The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can In Biblical Counseling and the Church Bob Kelleman and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church This comprehensive resource part of the Biblical Counseling Coalition series helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling a church culture that is saturated by one another ministry Divided into five parts Biblical Counseling and the Church will help church leaders Unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling Offer practical and theological training to equip counselors Launch and lead a counseling ministry regardless of the size of your church Bring together the relational focus of small group ministry with the ministry of care and counseling Better understand the relationship between biblical counseling church discipline and conflict resolution Learn how to use counseling in outreach through missional biblical counseling moving biblical counseling beyond the doors of the church and into the world

Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches The Complete Guide to Small Group Ministry Robert L. Hill, 2003 **Small Groups for the Rest of Us** Chris Surratt, 2015-09-29 Most churches in America struggle to have a significant percentage of their adult attendance in small groups According to recent research done by Lifeway Research only 33 percent of churchgoers attend classes or groups for adults such as Sunday school Bible study small groups or Adult Bible Fellowships four or more times in a typical month Fourteen percent attend two or three times a month Life transformation happens best within the context of community so if a church is going to be intentional about discipleship they have to develop on ramps to small groups that reach people on the fringes and beyond If we continue to offer small groups to the normal church attenders a majority of the people who show up to church are never reached Pastors church staff and small group leaders are trying to figure out how to make small groups work in their church and they don't know how Small Groups For The Rest Of Us gives them practical proven strategies on moving people from the fringes into biblically based communities **Envision Without Limits** Tong Liu, 2025-07-23 How did a small church in Silicon Valley grow into a worldwide movement of spiritual renewal In Envision Without Limits Pastor Tong Liu reveals the keys behind River of Life Christian Church's remarkable growth From breaking growth barriers to building strong small groups and inspiring men and women to lead this book is packed with practical strategies and spiritual insight for churches

today **Leading Small Groups That Thrive** Ryan T. Hartwig, Courtney W. Davis, Jason A. Sniff, 2020-08-11 Nearly every church is trying to help their congregants build relationships with others grow as disciples and or engage in meaningful service through small groups Many have argued that these small groups are the preferred vehicle for relationship building disciple making and membership assimilation in the local church especially in large multisite churches **Leading Small Groups That Thrive** shows small group leaders step by step how to plan for launch build sustain and multiply highly effective transformational healthy small group experiences where people grow spiritually together Based on a large scale research study of small group pastors leaders and members **Leading Small Groups That Thrive** gives church leaders both what they want practical straightforward actual small group member voices and experiences and compelling guidance on how to build transformational groups complemented with real life examples and data of successful small groups and what they need substantial challenging insights and a data driven model grounded in the latest research on church small groups **The Church of Our Lady of the Hundred Gates** Harry Herbert Jewell, Frederick William Hasluck, 1920 **Killing the Church** Jeff Parker, 2012 Do you have any voices of truth in your life Is there someone anyone who can be brutally honest with you about you Is the only thing more frightening than listening to a voice of truth being one If there is a responsibility of the church it is to confront to hold us accountable to be that voice of truth But what happens if she doesn't or worse her leaders desire popularity more than our purity **Killing the Church** is not to be seen as an attack against the Church no more than discipline is an attack against a child The reality is that without correction little can be done to keep child or Church on course And for correction to be effective it first requires confrontation
