Ronald Jorgensen,2006 This book teaches new lawyers how to effectively make and oppose motions and help experienced lawyers create more original and innovative work It teaches the basics of motion practice with a particular focus on the written motion and provides expert advice on making motions more persuasive It discusses the tools of persuasion and the marshaling of facts law and form to produce a winning motion Instead of merely laying out the rules the book outlines the analysis that the lawyer must make in writing and presenting a motion **Rhetoric and Discourse in Supreme Court Oral Arguments** Ryan A. Malphurs,2013 While legal scholars psychologists and political scientists commonly voice their skepticism over the influence oral arguments have on the Court s voting pattern this book offers a contrarian position focused on close scrutiny of the justices communication within oral arguments Malphurs examines the rhetoric discourse and subsequent decision making within the oral arguments for significant Supreme Court cases visiting their potential power and danger and revealing the rich dynamic nature of the justices interactions among themselves and the advocates In addition to offering advancements in scholars understanding of oral arguments this study introduces Sensemaking as an alternative to rational decision making in Supreme Court arguments suggesting a new model of judicial decision making to account for the communication within oral arguments that underscores a glaring irony surrounding the bulk of related research the willingness of scholars to criticize oral arguments but their unwillingness to study this communication With the growing accessibility of the Court s oral arguments and the inevitable introduction of television cameras in the courtroom this book offers new theoretical and methodological perspectives at a time when scholars across the fields of communication law psychology and political science will direct even greater attention and scrutiny toward the Supreme Court **Brief-Writing Master Plan** Chinua Asuzu,2022-08-23 As much a sword as a shield Brief Writing Master Plan offers an unparalleled and unprecedented curriculum of written advocacy It s a sparkling alchemical blend of doctrine ethics and skills It recruits linguistics logic psychology rhetoric and semantics into the arsenal of learned advocacy It contains the rhetorical wisdom of ages pages and sages An advocate files a brief to persuade the judge to decide the lawsuit in favor of the advocate s client The keyword is persuade Too often advocates forget this and write to please themselves They

address themselves instead of the court They write in chest thumping prose and style Advocates will do well to keep in mind that in advocacy all that counts is persuading the judiciary Hence Brief Writing Master Plan responds to the judicial wish list for advocates writing style and substance This book is a transformative resource with the potential to accelerate court proceedings by easing judicial burdens and caseloads A sober reflection on the advocate s duty to the court Brief Writing Master Plan encourages professional candor decency and honesty Writing as taught in this book will surely propel you to the top 1% of the global legal profession and secure your legacy **May It Please the Court** Brian L. Porto, 2017-07-28 This practical comprehensive and engaging introduction to the American judicial system is designed primarily for undergraduate students in criminal justice liberal arts political science and beginning law It differs from other texts not only by delivering an insider s view of the courts but also by demonstrating how the judicial process operates at the intersection of law and politics Unlike the many dull and inaccessible texts in this field May It Please The Court conveys the human drama of civil and criminal litigation With an updated epilogue case studies and discussion questions this third edition is a robust resource for criminal justice students **ABA Journal** , 1993-05 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
