With God In The Crucible Preaching Costly Discipleship:

With God in the Crucible Peter Storey, 2010-09-01 Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ as church leaders led people lifted high the cross and they marched into the uncertainty that still prevails Here is a time and place where the call to risky discipleship was answered not with whimpers whines and excuses but with the power of faithful Christians living out their call This book illustrates what it can mean to faithfully answer the call to discipleship and God s service Many people wonder if they would be able to stand up for their faith if it meant great personal sacrifice or the sacrifice of people they love They wonder what they would risk for their faith if anything In the United States where cost benefit analysis is a popular way to assess risk many Christians wonder if they might not have to stand alone because too many see the risks as too costly As suggested by the title this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993 The original audiences ranged from the all white Central Methodist Church in Johannesburg to the South African Council of Churches to the nation of South Africa and to the world All of these sermons and addresses are directly related to specific historical events security police confrontations beatings and tear gassings in churches around the country of South Africa an imposed State of Emergency the murder of 14 year old Stompie Sepie by Winnie Mandela s thugs and the violent jockeying for power between Mandela s African National Congress Chief Mangosutho Buthe lizi s Inkatha Movement and F W de Klerk s regime The book offers the full perspective of what it means to speak truth empower people to stand for the truth and to pastor souls during times when living truth seems almost impossible Key Features 1 Foreword by Desmond Tutu 2 15 chapters each including a brief description of the original context the sermon and its connection with the present and a prayer 3 Epilogue by Will Willimon **Preaching Prophetic Care** Phillis Isabella Sheppard, Dawn

Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation s complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice

Practicing Discipleship Nicole L. Johnson, 2009-06-01 Despite a plurality of doctrinal statements on war peace and nonviolence some United Methodists sustain a commitment to nonviolence Through qualitative research Practicing Discipleship draws out lived theologies of nonviolence in order to understand how nonviolent United Methodists define ground and practice nonviolence and to give that voice opportunity to challenge church doctrine and thereby the wider church An analysis of statements from the Book of Disciplines and the Book of Resolutions reveals the plurality of Methodist teachings on moral issues related to war and peace While such plurality is indicative of the inclusive tradition of United Methodism Johnson shows that it also causes confusion thus hindering the vitality and authority of the church s witness This study s qualitative analysis of in depth interviews with twelve nonviolent United Methodists reveals a lived theology rooted in Scripture and theological reflection it points particularly to a christocentrism that posits nonviolence as central to Christ s teachings and example While study participants affirm the tradition of openness in the United Methodist Church they also call for more tangible and extensive support for and education about nonviolence as a faithful option for Christians Through amicable and constructive practical theological dialogue doctrinal plurality and ecclesial openness are affirmed as appropriate and possible only within the context of the church s profound commitment to serious discipleship which includes transformation toward nonviolence Implications of this interaction include developing and adopting a more truthful conception of a nonviolent ethics moving toward broadly conceived Christian formation in nonviolence and fostering ongoing ecclesial dialogue about difficult moral issues of war peace and nonviolence The Call to Discipleship Karl

Barth, 2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification **Preaching as Prophetic**

Calling, 2004-03-01 Preaching as Prophetic Calling is the twelfth in a series of books devoted to presenting examples of preaching excellence from parishes throughout the Episcopal Church This volume addresses the difficult and essential area of preaching a prophetic word What does a prophetic sermon look like without being shrill and without being filled with musts oughts and shoulds This collection of sermons includes examples of prophetic preaching that are visionary and that speak in ways that offer radical comfort as well as radical challenge **Sermons on the Gospel Readings** Charles L.
