With: Reimagining the Way You Relate to God

With explores the narrative of the Bible to show that we were created to be with God, and that restoring this connection is his mission. Instead of life over, under, from, or even for God, what leads us into freedom and restoration is life with God. Why are American Christians, who have more access to biblical teaching than any other people in history, failing to experience the freedom of the Christian life? Why are pastors, those closest to the work and ministry, burning out at an alarming rate? Why do many church members, who give large amounts of their time and wealth to Christ and his kingdom, secretly question the legitimacy of their efforts? And why are spiritual seekers dismissing the validity of the Christian message? Is it possible we've misunderstood the call of the Christian life? A life lived in rich communion with God cultivates faith, hope, and love in a way that transforms both us and the broken world we inhabit. In *With*, you'll find illustrations of concepts in the book to aid understanding recommendations for how to practice

With Skye Jethani, 2011-08-22 With explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we've misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In With you'll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we've grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In With Skye Jethani tenderly unmasks the cliché posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly mark our lives James H Gilmore author The Experience Economy It doesn't matter as old theologians were rumored to argue how many angels can dance on a pinhead But it does matter which preposition governs your faith over after against for from under with Who knew what huge worlds turn on such tiny words Who knew what theological riches were laced into the bones of grammar Skye has done a great service to the church In prose elegant and clear with insights keen and deep he shows how everything changes with just one word With It's a book I want my whole church to read Mark Buchanan author of Spiritual Rhythm Who knew that a preposition had so much influence Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues You can't read this book and not see yourself and others differently Margaret Feinberg author of Scouting the Divine and Hungry for God

What If Jesus Was Serious About Prayer? Skye Jethani, 2021-06-01 Good things come to those who believe right People like to say Prayer works But what does that mean Prayer works for what Getting the answers from God that we want so much While God certainly cares for your deepest needs Skye Jethani wants you to know that prayer is so much more than a two-way transaction with a heavenly vending machine Jesus didn't pray like that And with a pastor's heart Skye wants to take you deeper into what Jesus the lover of your soul had to say about talking with God In What If Jesus Was Serious About Prayer you'll benefit not only from Skye's words of wisdom but his doodles that help the visual learner connect with spiritual truth Prayer isn't about getting answers but getting God We need more prayer in our lives not because God can give us what we crave but because He offers himself to us in love *Ready or Not* Drew

What If Jesus Was Serious about the Church? Skye Jethani, 2022-07-19 Researchers have uncovered the following three trends First distrust of institutions including the church is at an all time high Second young people raised in the church are leaving at alarming rates and not returning Third loneliness and social isolation are at pandemic levels What's the connection It appears that an entire generation is starving for the very thing the church is called to provide but has chosen to look for it elsewhere Why is this happening Following the model set by *What If Jesus Was Serious* short readings and engaging illustrations *What If Jesus Was Serious about the Church* looks at what the Bible really says about the church its purpose and the impact of its modern captivity to consumer values Rather than an event a building or an institution the New Testament calls the church to be a community living in communion with God and one another for the sake of the world *What If Jesus Was Serious?* Skye Jethani, 2020-06-02 Daily Devotions for People Who Hate Daily Devotions Let's face it A lot of Christian resources can feel cheesy out of touch and a little boring But when Skye Jethani started doodling and writing up some of his thoughts about God his Twitter and email list blew up *What If Jesus Was Serious* is a compilation of all new reflections and hand drawn doodles from Skye He takes a look at some of Jesus most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying The visual component of the book makes it memorable and enjoyable to read and Skye's incisive reflections make it worthwhile for any Christian If you've traditionally been dissatisfied with Christian devotional resources but love to learn about Jesus and think deeply this book was written for you

Finding Home Colleen Johnson, 2023-01-07 This book takes a unique approach to the idea of soul care by comparing it to the concept of home When we allow Jesus to do a transformational work in our souls to give us the feeling of home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus and work through key soul care principles and develop a rhythm of a practices that incorporate the spiritual disciplines of feeding on God's Word worship and thanksgiving listening prayer praying scripture and times of fasting and solitude it leads our soul home These practices create an atmosphere that God uses to fill us with more of Himself and His ways The more of

God we have the more He guides us to tear down walls of self protection find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked This process brings our soul to the home where it belongs

Futureville Skye Jethani, 2014-01-28 Want to see the future It is brighter than you think What we believe about tomorrow determines how we live today As Christians debate how to faithfully engage with our rapidly changing world our vision of the future has never been more important But rather than providing a clear sense of purpose for our lives popular Christian ideas about the future steal it from us by saying our work in the world apart from ministry has no eternal value Is it any wonder why young adults are less interested in church or why a culture desperate for meaning and hope dismisses our message In Futureville Skye Jethani offers us a vision shifting glimpse of the world of tomorrow described in Scripture He reveals how a biblical vision of the future can transform every person's work with a sense of purpose and dignity today Futureville is a smart inspiring call to cultivate the order beauty and abundance that reflects the heart and vision of God for our world

Giving Blood Leonard Sweet, 2014-03-25 A Groundbreaking Resource for Preaching If the church wishes to converse effectively with a culture it must learn the culture's language Today shifts in technology mean that language is increasingly one of symbols and metaphors stories and images not words So what does this mean for the sermon that long standing word based tradition of Christianity In this ground breaking resource bestselling author Leonard Sweet offers an alternative to traditional models of preaching one that is fitting to a new culture and a new mode of thinking The first book of its kind to move preaching beyond its pulpit centric fixation and toward more interactive participatory modes of communication Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post modern media saturated culture

Open-Hearted People, Soul-Connected Church Tom Bennardo, 2025-04-08 Ask most anyone and they would say they desire honest authentic real relationships Yet few of us experience the soul level connection we long for with other human beings let alone God Fear and pride drive us to mask our truest selves leaving us perpetually disconnected hidden and lonely God made us for something profoundly better an open hearted courageous honesty that liberates us from a life of guardedness and self protection and has the power to radically transform our approach to Christian community In fact it's those things about ourselves we're most afraid to reveal that lead to the kind of love and acceptance we yearn for This book is your call to embrace and practice heart level honesty and authenticity in this age of artificiality As you learn to engage your world with your soul wide open you'll discover deeper connections with yourself others and God and open avenues for other lonely and disconnected souls to join you there
