EDITED BY FREDERICK M. HESS

With The Best Of Intentions How Philanthropy Is Reshaping K 12 Education

Chester E. Finn, Jr.

With The Best Of Intentions How Philanthropy Is Reshaping K 12 Education:

With the Best of Intentions Frederick M. Hess, 2005-01-01 Bringing together a mix of researchers and practitioners *With the Best of Intentions* examines the major goals of recent philanthropic efforts and looks at some of the key lessons for educators philanthropists policymakers and community leaders of philanthropic contributions to schools and school systems From the Gates small school initiative to the Annenberg challenge to the Broad prize for urban education philanthropic giving has played an increasingly prominent role in recent years in education reform efforts across the United States Yet while we recognize that philanthropic organizations influence education in countless ways we know strikingly little about the extent dynamics and results of their efforts This lack of knowledge calls out for urgent attention of total K 12 spending it has a disproportionate impact in shaping reform agendas and promoting cutting edge efforts to improve schools and classrooms *With the Best of Intentions* aims to fill this gap offering lively perspectives on the role of philanthropy in K 12 education It opens by surveying the current landscape in philanthropic giving to education then examines the major goals of recent philanthropic efforts building new schools supporting troubled districts promoting school choice and advancing educational research and policy The book concludes by looking at some of the major lessons for educators philanthropists policymakers and community leaders of philanthropic contributions to schools and school systems An informative and multifaceted volume *With the Best of Intentions* is also full of debates and controversies It will be of interest to scholars policymakers and education and community leaders as well as to the philanthropic community itself

Troublemaker Chester E. Finn, Jr., 2008-02-04 Few people have been more involved in shaping postwar U S education reforms or dissented from some of them more effectively than Chester Finn Assistant secretary of education under Ronald Reagan and an aide to politicians as different as Richard Nixon and Daniel Moynihan Finn has also been a high school teacher an education professor a prolific and best selling writer a think tank analyst a nonprofit foundation president and both a Democrat and Republican This remarkably varied career has given him an extraordinary insider's view of every significant school reform movement of the past four decades from racial integration to No Child Left Behind In *Troublemaker* Finn has written a vivid history of postwar education reform that is also the personal story of one of the foremost players and mavericks in American education Finn tells how his experiences have shaped his changing views of the three major strands of postwar school reform standards driven choice driven and profession driven Of the three Finn now believes that a combination of choice and standards has the greatest potential but he favors this approach more on pragmatic than ideological grounds arguing that parents should be given more options at the same time that schools are allowed more flexibility and held to higher performance norms He also explains why education reforms of all kinds are so difficult to implement and he draws valuable lessons from their frequent failure Clear eyed yet optimistic Finn ultimately gives grounds for hope that the best of today's bold initiatives from charter schools to technology to makeovers of school system governance are finally beginning to make a difference [Handbook of](#)

Research in Education Finance and Policy Helen F. Ladd, Edward B. Fiske, 2012-08-21 Sponsored by the Association for Education Finance and Policy AEFPP this groundbreaking new handbook assembles in one place the existing research based knowledge in education finance and policy thereby helping to define this evolving field of research and practice It provides a readily available resource for anyone seriously involved in education finance and policy in the United States and around the world The Handbook traces the evolution of the field from its initial focus on school inputs and the revenue sources used to finance these inputs to a focus on educational outcomes and the larger policies used to achieve them It shows how the current decision making context in school finance inevitably interacts with those of governance accountability equity privatization and other areas of education policy Because a full understanding of the important contemporary issues requires input from a variety of perspectives the Handbook draws on contributors from a variety of disciplines While many of the chapters cover complex state of the art empirical research the authors explain key concepts in language that non specialists can understand

Philanthropy and Education E. Thümler, N. Bögelein, A. Beller, H. Anheier, 2014-02-06 Philanthropic foundations play an increasingly important role in attempts to enhance the performance of school systems Based on case studies from Germany Switzerland and the US this book develops an innovative model of effective education philanthropy for successfully tackling problems in the complex field of education

Advancing Research in Philanthropy and Education Noah D. Drezner, 2025-08-11 This interdisciplinary book brings together leading scholars to explore how cultural practices and traditions shape philanthropic efforts in education across diverse regions Offering a comprehensive overview of the field it identifies key theoretical developments emerging research topics and innovative methodologies that are transforming education philanthropy

Dark Money and the Politics of School Privatization Maurice T. Cunningham, 2021-10-08 This book goes deep behind the scenes of school privatization campaigns to expose the complex networks of funding that sustain these efforts often hidden from the view of the public Using the example of a 2016 Massachusetts charter school referendum Cunningham shows how wealthy individuals support charter school expansion through so called social welfare organizations thereby obscuring the true sources of funding while influencing major public policy votes With vast wealth and a political agenda foundations have helped to reshape the reform landscape in urban education

Letters to a Young Education Reformer Frederick M. Hess, 2017-04-25 In Letters to a Young Education Reformer Frederick M Hess distills knowledge from twenty five years of working in and around school reform Inspired by his conversations with young would be reformers who are passionate about transforming education the book offers a window into Hess s thinking about what education reform is and should be Hess writes that reform is more a matter of how one thinks about school improvement than a recital of programs and policy proposals Through his essays he explores a range of topics including Talkers and Doers The Temptations of Bureaucracy The Value in Talking with Those Who Disagree Why You Shouldn t Put Too Much Faith in Experts Philanthropy and Its Discontents The Problem with Passion Hess offers personal impressions as well as lessons from

notable mistakes he's observed with the hope that readers will benefit from his frustrations and realizations As the policy landscape continues to shift Letters to a Young Education Reformer offers valuable timely insights to any young person passionate about transforming education and to not so young reformers who are inclined to reflect on their successes and failures

The Charter School Experiment Christopher A. Lubienski, Peter C. Weitzel, 2010-09-01 When charter schools first arrived on the American educational scene few observers suspected that within two decades thousands of these schools would be established serving almost a million and a half children across forty states The widespread popularity of these schools and of the charter movement itself speaks to the unique and chronic desire for substantive change in American education As an innovation in governance the ultimate goal of the charter movement is to improve learning opportunities for all students not only those who attend charter schools but also students in public schools that are affected by competition from charters In The Charter School Experiment a select group of leading scholars traces the development of one of the most dynamic and powerful areas of education reform Contributors with varying perspectives on the charter movement carefully evaluate how well charter schools are fulfilling the goals originally set out for them introducing competition to the school sector promoting more equitable access to quality schools and encouraging innovation to improve educational outcomes They explore the unintended effects of the charter school experiment over the past two decades and conclude that charter schools are entering a new phase of their development beginning to serve purposes significantly different from those originally set out for them

Shaping Education Policy Douglas E. Mitchell, Dorothy Shipps, Robert L. Crowson, 2017-09-27 Shaping Education Policy is a comprehensive overview of education politics and policy which provides conceptual guideposts for future policy development and strategies for change Leading scholars explore the interacting social processes and the dynamics of power politics as they intersect with democratic ideals and shape school performance Chapters cover major themes that have influenced education including the Civil Rights Movement federal involvement the accountability movement family choice and development of nationalization and globalization This edited collection examines how education policy in the United States has evolved over the last several decades and how the resulting policies are affecting schools and the children who attend them This important book is a necessary resource for understanding the evolution current status and possibilities of educational policy and politics

Managing Nonprofit Organizations in a Policy World, Second Edition Shannon Vaughan, Shelly Arsneault, 2021-07-01 Connecting everyday management skills to the policy world this foundational textbook sheds new light on how nonprofit managers can better navigate policymaking and regulatory contexts to effectively lead their organizations While it covers all of the nuts and bolts what sets this book apart is how everyday management is tied to the broader view of how nonprofits can thrive within the increasingly intertwined public private and not for profit sectors The Second Edition includes updated discussions of coronavirus and pandemic related policy implications regulations sector statistics and social media fundraising new and updated case studies and a new chapter on Philanthropy and

Foundations
