Wits University 2015 Prospectus:

Global University Rankings and the Mediatization of Higher Education Michelle Stack, 2016-04-12 Higher Education Institutions simultaneously critique and participate in national and international rankings of universities However this creates a difficult situation since if universities do participate in rankings they acquiesce to a system based in media logics that has little to do with academic norms of research If they do not participate in the rankings they risk losing public funding students and donors in an increasingly competitive and globalized environment This book delves into the influence of journalists business tycoons and multinational corporations in defining what world class is and how it will be measured Rankings provide us with a rich study for understanding how universities define deploy and manage their assets and liabilities in a mediatized globalized economy

Artefacts of Writing Peter D. McDonald, 2017-10-11 Some forms of literature interfere with the workings of the literate brain posing a challenge to readers of all kinds including professional literary critics In *Artefacts of Writing* Peter D McDonald argues they pose as much of a challenge to the way states conceptualise language culture and community Drawing on a wealth of evidence from Victorian scholarly disputes over the identity of the English language to the constitutional debates about its future in Ireland India and South Africa and from the quarrels over the idea of culture within the League of Nations in the interwar years to UNESCO's ongoing struggle to articulate a viable concept of diversity McDonald brings together a large ensemble of legacy writers including T S Eliot James Joyce and Rabindranath Tagore putting them in dialogue with each other and with the policy makers who shaped the formation of modern states and the history of internationalist thought from the 1860s to the 1940s In the second part of the book he reflects on the continuing evolution of these dialogues showing how a varied array of more contemporary writers from Amit Chaudhuri J M Coetzee and Salman Rushdie to Antjie Krog Arvind Krishna Mehrotra and Es'kia Mphahlele cast new light on a range of questions concerning education literacy human rights translation indigenous knowledge and cultural diversity that have preoccupied UNESCO since 1945 At once a novel contribution to institutional and intellectual history and an innovative exercise in literary and philosophical analysis *Artefacts of Writing* affords a unique perspective on literature's place at the centre of some of the most fraught often lethal public controversies that defined the long twentieth century and that continue to haunt us today

Changing Our Worlds Michelle LeBaron, Janis Sarra, 2018-07-03 *Changing Our Worlds* draws on the wisdom of African artists theorists educators and leaders It profiles an array of transformative arts projects that among other things changed attitudes and behaviours toward HIV testing and prevention helped rural citizens to design and build a new community centre and supported those with HIV/AIDS to strengthen their resilience As a group of scholar practitioners collaborating on the book reinforced our confidence in the potency of arts practices to unsettle unjust orders inspire new visions and embrace the human dignity that comes from acknowledging the interdependent world in which we live

Doing Digital Migration Studies Koen Leurs, Sandra Ponzanesi, 2025-10-01 Doing Digital Migration present a comprehensive entry point to the variety of theoretical debates methodological interventions political discussions and ethical debates around migrant forms of belonging as articulated through digital practices Digital technologies impact upon everyday migrant lives while vice versa migrants play a key role in technological developments be it when negotiating the communicative affordances of platforms and devices as consumers of particular commercial services such as sending remittances as platform gig workers or test cases for new advanced surveillance technologies With its international scope this anthology invites scholars to pluralize understandings of the migrant and the digital The anthology is organized in five different sections Creative Practices Digital Diasporas and Placemaking Affect and Belonging Visuality and digital media and Datafication Infrastructuring and Securitization These sections are dedicated to emerging key topics and debates in digital migration studies and sections are each introduced by international experts I The emphasis on reflective doing of digital migration studies So far scholarship in this interdisciplinary focus area has remained relatively silent on the topic of accountability and questions of decision making in the research process II The truly transdisciplinary and international scope of the volume distinguishes this volume from the disciplinary oriented special issues and monographs published in the field of media and communication anthropology migration studies and refugee studies Digital migration creates new challenges for cross disciplinary dialogues that require an integration of ethnography with digital methods and

critical data studies in order to look at the formation of identity and experience representation community building and creating spaces of belongingness III The innovative emphasis on everyday lived experiences and practices sheds much needed light on the ways in which increasingly documented infrastructures of datafication and digitization are lived negotiated and contested For this purpose the volume pays particular attention to the everyday use of digital media for the support of transnational lives emotional bonds and cosmopolitan affiliations focusing also on the role technologies such as social media and smartphones play in shaping local urban and national diasporic formations This is because it becomes increasingly important to give everyday digital media usage a central role in investigations of transnational belonging digital intimacy diasporic community re production migrant subject formation long distance political participation urban social integration and local national self organization

The changing spaces of television acting Richard Hewett, 2017-08-17 This book provides a historical overview and then and now comparison of performing for British television drama By examining changing acting styles from distinct eras of television production studio realism and location realism it makes a unique contribution to both television and performance studies unpacking the various determinants that have combined to influence how performers work in the medium The book compares the original versions of The Quatermass Experiment BBC 1953 Doctor Who BBC 1963 89 and Survivors BBC 1975 77 with their respective modern day re makes unpacking the effects of the shift from multi camera studio to single camera location production Textual analysis is combined with extensive archival research into production process and reception alongside interviews with numerous actors and production personnel from more than sixty years of television production

Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland, 2020-11-03 In Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland argues that the literary criticism accompanying the publication of Hans Christian Andersen s works in the United States compares favorably in scope perceptiveness and chronological coverage with the few other national receptions of Andersen outside of Denmark Rowland contends that American commentators made it abundantly evident that in addition to his fairy tales Andersen wrote several novels travelogues and an autobiography which were all of more than common interest In the process Rowland shows that American commentators naturalized Andersen in the United States by confronting the sensationalism in the journalism and literature of the time with the perceived wholesomeness of Andersen s writing deploying his long fiction on both sides of the debate over the nature and relative value of the romance and the novel and drawing on three of his works to support their positions on slavery the Civil War and Reconstruction

Arbitrary Power William Keach, 2015-07-28 This book explores previously unexamined links between the arbitrary as articulated in linguistic theories on the one hand and in political discourse about power on the other In particular Willam Keach shows how Enlightenment conceptions of the arbitrary were contested and extended in British Romantic writing In doing so he offers a new paradigm for understanding the recurrent problem of verbal representation in Romantic writing and the disputes over stylistic performance during this period With clarity and force Keach reads these phenomena in relation to a rapidly shifting literary marketplace and to the social pressures in Britain generated by the French Revolution the Napoleonic Wars and the class antagonisms that culminated in the Peterloo Massacre The question of what it means to think of language or politics as arbitrary persists through postmodern thinking and this book advances an unfinished dialogue between Romantic culture and the critical techniques we currently use to analyze it Keach s intertwined linguistic and political account of arbitrary power culminates in a detailed textual analysis of the language of revolutionary violence Including substantial sections on Blake Wollstonecraft Wordsworth Coleridge Byron P B Shelley Keats and Anna Jameson Arbitrary Power will engage not only students and scholars of eighteenth and nineteenth century literature but also those interested in critical and linguistic theory and in social and political history

Wits University 2015 Prospectus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Wits University 2015 Prospectus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Wits University 2015 Prospectus has opened up a world of possibilities. Downloading Wits University 2015 Prospectus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Wits University 2015 Prospectus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Wits University 2015 Prospectus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Wits University 2015 Prospectus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Wits University 2015 Prospectus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Wits University 2015 Prospectus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Wits University 2015 Prospectus Books

What is a Wits University 2015 Prospectus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Wits University 2015 Prospectus PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper.
