Reinterpretations and Re-envisionings

REVIEWS

"The essays in this outstanding volume successfully avoid the common pitfalls of, on the one hand, objectifying and exoticizing the various Hindu categories and concepts with which they engage, and on the other, of deploying these same categories and concepts in a

simplistic and uncritical manner. The hermeneutics of intersubjectivity that the authors skillfully apply to their materials should be a model for future work in the field of Hindu studies."

- **Prof. Jeffery D. Long**, Associate Professor of Religion and Asian Studies, Elizabethtown College, and author of *A Vision for Hinduism*, and *Jainism: An Introduction*

"This book skillfully addresses all things feminine in Indian traditions: goddesses, female gurus, the lives of Hindu women, and more. Includes many excellent new translations of key passages from Sanskrit literature."

- **Prof. Christopher Key Chapple**, Doshi Professor of Indic and Comparative Theology, Loyola Marymount University, author of *Yoga And The Luminous - Patañjali's Spiritual Path To Freedom*, and *Hinduism and Ecology: The Intersection of Earth, Sky, and Water (Religions of the World and Ecology)*

"The role of the female within the Hindu tradition is both varied and vigorous, as the multiple contributors to this text reveal. They bring together scholarship and sensitivity in conveying unique dimensions and valuable perceptions of that role. This book is an important read for anyone seeking to comprehend female spirituality and divinity in the Hindu context."

- **Prof. Ramdas Lamb**, Associate Professor of Religion, University of Hawaii at Manoa, author of *Rapt in the Name: The Ramnamis, Ramnam, and Untouchable Religion in Central India*.

Woman And Goddess In Hinduism Reinterpretations And Re Envisionings:

Woman and Goddess in Hinduism T. Pintchman, R. Sherma, 2011-08-29 Offering multilayered explorations of Hindu understandings of the Feminine both human and divine this book emphasizes theological and activist methods and aims over historical anthropological and literary ones *Women's Authority and Leadership in a Hindu Goddess Tradition* Nanette R. Spina, 2017-02-28 This book investigates women's ritual authority and the common boundaries between religion and notions of gender ethnicity and identity Nanette R Spina situates her study within the transnational Melmaruvathur Adhiparasakthi movement established by the Tamil Indian guru Bangaru Adigalar One of the most prominent defining elements of this tradition is that women are privileged with positions of leadership and ritual authority This represents an extraordinary shift from orthodox tradition in which religious authority has been the exclusive domain of male Brahmin priests Presenting historical and contemporary perspectives on the transnational Adhiparasakthi organization Spina analyzes women's roles and means of expression within the tradition The book takes a close look at the Adhiparasakthi society in Toronto Canada a Hindu community in both its transnational and diasporic dimensions and how this Canadian temple has both shaped and demonstrated their own diasporic Hindu identity The Toronto Adhiparasakthi society illustrates how Goddess theology women's ritual authority and inclusivity ethics have dynamically shaped the identity of this prominent movement overseas Based on years of ethnographic fieldwork the volume draws the reader into the rich textures of culture community and ritual life with the Goddess **The Oxford History of Hinduism: The Goddess** Mandakranta Bose, 2018-05-24 The Oxford History of Hinduism The Goddess provides a critical exposition of the Hindu idea of the divine feminine or Dev conceived as a singularity expressed in many forms With the theological principles examined in the opening chapters the book proceeds to describe and expound historically how individual manifestations of Dev have been imagined in Hindu religious culture and their impact upon Hindu social life In this quest the contributors draw upon the history and philosophy of major Hindu ideologies such as the Puranic Tantric and Vaishnavite belief systems A particular distinction of the book is its attention not only to the major goddesses from the earliest period of Hindu religious history but also to goddesses of later origin in many cases of regional provenance and influence Viewed through the lens of worship practices legend and literature belief in goddesses is discovered as the formative impulse of much of public and private life The influence of the goddess culture is especially powerful on women's life often paradoxically situating women between veneration and subjection This apparent contradiction arises from the humanization of goddesses while acknowledging their divinity which is central to Hindu beliefs In addition to studying the social and theological aspect of the goddess ideology the contributors take anthropological sociological and literary approaches to delineate the emotional force of the goddess figure that claims intense human attachments and shapes personal and communal lives *The Goddess in the Mirror* Tulasi Srinivas, 2025-09-26 Tulasi Srinivas explores the dynamic and gendered world of beauty through the experiences of women in the intimate space of the

contemporary Indian beauty salon Inventing and Reinventing the Goddess Sree Padma, 2014-07-03 Popular religion in village India is overwhelmingly dominated by goddess worship Goddesses can be nationally well known like Durga or Kali or they can be an obscure deity who is only known in a particular rural locale The origins of a goddess can be both ancient with many transitions or amalgamations with other cults having occurred along the way and very recent While some have tribal origins others sprout up overnight due to a vivid dream Inventing and Reinventing the Goddess Contemporary Iterations of Hindu Divinities on the Move looks at the nature of how and why goddesses are invented and reinvented historically in India and how social hierarchy gender differences and modernity play roles in these emerging religious phenomena

Thematizations of the Goddess in South Asian Cinema Anway Mukhopadhyay, Shouvik Narayan Hore, 2022-11-16 This collection presents cross disciplinary explorations of the tropes themes and representational frameworks constellating around the figure of the Goddess in South Asian cinema It critically approaches the Goddess theme in various genres of South Asian cinema using analytical tools culled from gender studies comparative cultural studies and religious studies as well as film semiotics The films discussed here represent variegated thematizations of the Goddess across regions in South Asia including Nepal Bangladesh Sri Lanka and various geo cultural locations in India As the volume highlights the regional and politico cultural differences and commonalities in representational schemes between South Asian films of different genres through the Goddess motif it will appeal to scholars of film studies South Asian studies and comparative religion and will hold a special appeal for those interested in Goddess cultures and theology **Canadian Women Shaping Diasporic Religious Identities** Becky R. Lee, Terry Tak-ling Woo, 2016-01-01 This collection of essays explores how women from a variety of religious and cultural communities have contributed to the richly textured pluralistic society of Canada Focusing on women's religiosity it examines the ways in which they have carried and conserved and brought forward and transformed their cultures old and new in modern Canada Each essay explores the ways in which the religiosities of women serve as locations for both the assertion and the refashioning of individual and communal identity in transcultural contexts Three shared assumptions guide these essays religion plays a dynamic role in the shaping and reshaping of social cultures women are active participants in their transmission and their transformation and a focus on women's activities within their religious traditions often informal and unofficial provides new perspectives on the intersection of religion gender and transnationalism Since the first European migrations Canada has been shaped by immigrant communities as they negotiated the tension between preserving their religious and cultural traditions and embracing the new opportunities in their adopted homeland Viewing those interactions through the lens of women's religiosity the essays in this collection model an innovative approach and provide new perspectives for students and researchers of Canadian Studies Religious Studies and Women's Studies

Gendered Agency in Transcultural Hinduism and Buddhism Ute Hüsken, Agi Wittich, Nanette R. Spina, 2024-04-01 Focusing on complex entanglements of religion and gender from a diversity of perspectives this book explores how women

enact agencies in transcultural Hindu and Buddhist settings The chapters draw on original in depth empirical research in various contexts in South Asian religious traditions Today in an increasing number of such contexts women are able to undergo monastic and priestly education receive ordination initiation as nuns and priestesses and are accepted as ascetic religious leaders They are starting to establish new religious communities within conservative traditions occupying religious leadership positions on par with men This volume considers the historical background contemporary trajectories and potential impact of the emergence of these new and powerful female agencies in conservative South Asian religious traditions It will be of particular interest to scholars of religion women s and gender studies and South Asian studies

The Authority of Female Speech in Indian Goddess Traditions Anway Mukhopadhyay, 2020-08-27 Contemporary debates on mansplaining foreground the authority enjoyed by male speech and highlight the way it projects listening as the responsibility of the dominated and speech as the privilege of the dominant What mansplaining denies systematically is the right of women to speak and be heard as much as men This book excavates numerous instances of the authority of female speech from Indian goddess traditions and relates them to the contemporary gender debates especially to the issues of mansplaining and womansplaining These traditions present a paradigm of female speech that compels its male audience to reframe the configurations of masculinity This tradition of authoritative female speech forms a continuum even though there are many points of disjuncture as well as conjuncture between the Vedic Upanishadic puranic and tantric figurations of the Goddess as an authoritative speaker The book underlines the Goddess s role as the spiritual mentor of her devotee exemplified in the Devi Gitas and re situates the female gurus in Hinduism within the traditions that find in Devi s speech ultimate spiritual authority Moreover it explores whether the figure of Devi as Womansplainer can encourage a more dialogic structure of gender relations in today s world where female voices are still often undervalued

Women in the Hindu World Mandakranta Bose, 2023-08-01 *Women in the Hindu World* explores the role of womanhood in Hindu religious culture and how the faith influences women s social experiences *Women in the Hindu World* encourages readers to develop and nurture their own understanding of the life of a woman as a Hindu The seven chapters proceed both historically and thematically exploring abstract philosophical concepts about women as well as concrete worldly conditions of the lives they lead from the earliest stages of Hindu society to the present marking through time the evolving religious roles and social status of women Hindu women have consistently found in their faith resources for claiming selfhood both within their faith and in society Within the home women are the keepers of the family s religious rites Outside the home they worship through poetry painting dance and music Like their peers around the world modern Hindu women have fought and worked together to claim decisive roles in shaping their own lives while maintaining their faith and culture *Women in the Hindu World* explores and explains the place of women in Hinduism and the impact of Hinduism on women s roles in society
