Church Tomorrow? Stephanie Spellers, 2025-12-02 Remarkable a vision for the future that is decidedly not the way we ve always done it but instead shaped by the way of Jesus and his love from the foreword by Michael B Curry former Presiding Bishop of The Episcopal Church The Nones Dones Unchurched spiritual but not religious SBNRs Call them what you will they re a dominant force in American religion and the majority among Millennials and Gen Zers In Church Tomorrow Stephanie Spellers presents hard truths about declining religious affiliation in America paired with stories and wisdom from her interviews with dozens of young people who either

grew up with no faith or gave up formal religion Along the way she observes a course called Becoming Nonreligious in America at Santa Clara University in Atlanta Georgia she attends Sunday Assembly a secular congregation that caters to agnostics and atheists just outside the Twin Cities she interviews college students and leaders to discover current faith trends and in New York City she comes home to meet spiritual but not religious young adults who once attended her own church As she listens and learns she asks Why are younger generations passing on church What spiritual pathways and communities are they creating And how could their insights help to shape the future of Christian community Listen up today s young Nones and Dones have a prophecy for the church of tomorrow **Longing for More** Ruth Haley Barton,2010-04-07 Ruth Haley Barton looks at the complexity of women s lives and how women experience spiritual transformation Underneath all the confusion is a longing for freedom not the freedom to do as we please but the freedom to discover our full identity in Christ and use our gifts to serve him **Longing for Spring** Elaine A Heath,Scott T Kisker,2011-05-26 Delving into the widespread contemporary longing for a more serious and communal experience of Christianity this book provides important theoretical underpinnings and casts a vision for a new monasticism within the Wesleyan tradition Elaine Heathand Scott Kisker call for the planting of neo monastic churches which embody the Wesleyan vision of holiness in postmodern contexts This book also points toward some vital shifts that are necessary in theological education in order to equip pastorsto lead such communities Longing for Spring helps Wesleyans of all stripes understand the theory and praxis necessary for planting neo monastic communities as a new model of the church that is particularly important in the postmodern context The authors write in an engaging conversational style that is conversant with postmodern culture yet thoroughly informed by critical research Heath and Kisker boldly challenge the imagination of the church both within and beyond Wesleyan traditions to consider the possibility of revitalizing the church through the new monasticism *Practicing Passion* Kenda Creasy Dean,2004-04-26 Youth and the Quest for a Passionate Church **Hitting the Ball You Cannot See** Jurie Kriel,NXT Move Community,2025-09-09 In a world defined by unprecedented change the very foundations of society are shifting leaving many disoriented and searching for direction Technology is rewriting what it means to be human Trust is collapsing in our institutions and relationships Communities are more connected and yet more fragmented than ever For many leaders it feels like trying to swing at a ball you cannot see unpredictable invisible and moving faster than you can track Hitting the Ball You Cannot See is both a prophetic wake up call and a practical field guide for Christian leaders seeking to navigate this new reality with clarity courage and faith It challenges us not to retreat into what s familiar but to pioneer boldly into the unknown trusting that God is already present in the future we are stepping into Born out of global conversations with leaders across every continent this book explores the profound shifts shaping the next era of Christian faith and leadership the redefinition of humanity in light of technology the rise of digital existence the collapse of trust the changing dimensions of organization the shifting degrees of separation and the rediscovery of belonging Each chapter highlights one of these critical

shifts and pairs it with a practical leadership skill anticipating the unseen rebuilding trust cultivating collaboration embracing innovation and more This is not a book of abstract trends or academic theory It is a compass for leaders in every sphere of society pastors educators non profit leaders entrepreneurs and next gen pioneers who are determined to remain rooted in Christ while leading into an uncertain future Through vivid metaphors wisdom from global practitioners and deeply theological reflections readers are equipped to move beyond reacting to cultural disruption and instead anticipate innovate and disciple faithfully in the midst of it Reflection questions at the end of each chapter make this more than a book to read it is a conversation to join a movement to be part of and a call to personal and communal transformation In these pages you ll wrestle with questions such as Are we swinging at where the ball used to be or where it s headed How do we disciple in a digital age without losing depth How do we build intergenerational teams rooted in authenticity and trust What does it mean to pioneer kingdom innovation in a rapidly unraveling world Hitting the Ball You Cannot See offers hope direction and a vision for the future of Jesus following It reminds us that while the world may feel unpredictable God s Kingdom is unshakable This is how we lead into the future This is how we swing by faith not by sight *Cultivating Teen Faith* Richard R. Osmer, Katherine M. Douglass, 2018-10-25 What are churches doing to form the faith of their young people Many church denominations that practice infant baptism offer confirmation or an equivalent ministry when children reach adolescence and enter a new phase of spiritual growth but all churches regardless of tradition wrestle with how to get young adults to actively join the church What really works In this book twelve authors draw on a three year study of more than three thousand US congregations across five denominations United Methodist Church African Methodist Episcopal Church Episcopal Church Evangelical Lutheran Church in America and Presbyterian Church USA to answer this pressing question They tell stories of excellent and innovative confirmation programs that work and that show above all what good discipleship with young people looks like Youth pastors church leaders and parents alike will benefit from the practices and new ways of teaching presented here that have proven helpful in forming and enhancing the faith of youth Contributors Joy L Arroyo Reginald Blount Kenda Creasy Dean Katherine M Douglass Terri Martinson Elton Lisa Kimball Gordon S Mikoski Kermit Moss Richard R Osmer Kate Harmon Siberine Jacob Sorenson Kate O Unruh *The Pilgrim's Compass* Paul H. Lang, 2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community The Pilgrim s Compass shepherds readers through a metaphorical pilgrimage to consider one s life a journey for faith formation Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness disciples will encounter God wrestle with God be wounded as will God and be reborn as a new person with a new name The Pilgrim s Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith which uses prayerful travel to assist an inner

to be reflected in their actions giving Christianity a bad name in the process In their practical day to day lives many Christians are almost living as though they are atheists Pastor Avant witnesses many Christians not living up to their claims and he asserts that there is not much Christ left in that form of Christianity In *If God Were Real* he challenges Christians to consider whether or not they believe in God If they do Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God He advocates for the pursuit of a new Jesus movement that resembles Christ's original followers followers who were so steadfastly devoted to Him that their every action reflected His glory With *If God Were Real* readers will embark on an adventure of discovery of the real God and a life lived in praise of Him *Song of Songs and Lamentations, Volume 23B* Duane Garrett, Dr. Paul R. Kubicki, 2006-11-15 The Dogmatic Constitution on the Sacred Liturgy of Vatican II reiterates the church's traditional teaching on the manifold

presence of Christ in his church especially in liturgical celebrations in the priest the consecrated bread and wine the sacraments and when the gathered church prays and sings Nevertheless there continues to exist in both scholarly writing and popular piety an almost exclusive focus on the presence of Christ in the eucharistic species The purpose of this book is to examine the most elusive mode of the manifold presence of Christ mentioned above that is as it is symbolized within the assembly that gathers for worship Using the resources of several contemporary philosophical approaches including semiotics phenomenology personalism and existentialism the book draws attention to the forgotten or or less understood aspects of the belief in the presence of Christ in the gathered assembly and explores the implications of this belief for participating in the liturgy and living the Christian life While the book is scholarly in tone it has extremely practical ramifications for the ways in which the mass should be celebrated in millions of Catholic parishes around the world Discipleship Parenting Kim
