Total Truth Liberating Christianity From Its Cultural Captivity:

Total Truth Nancy Pearcey, Phillip E Johnson, 2004-08-01 In response to the growing contemporary separation of faith from public life Nancy Pearcey proposes an integrated Christian world view as the solution **The 21st Century Great Awakening** Edward T. Holliday, 2007 The energy power and purpose for a cogent revival and a 21st century great awakening are found in John 17:21 Even today Jesus prays for us to be unified as the Body of Christ As all Christians are called to be ambassadors for Christ we must present to the world actions for which the spiritually dead will know that we are Christians by our love Though theologies and styles of worship will be different we must lift up the name of Jesus proclaim the Good News and work intentionally for racial and denominational unity These actions are the witness that Jesus proclaims will allow the world to believe that he is the King of kings and the Lord of lords It is time to let the city on a hill shine Back cover

The Deconstruction of Christianity Alisa Childers, Tim Barnett, 2024-01-30 A groundbreaking book on the true nature of faith deconstruction Alisa and Tim help the reader to deconstruct the deconstructionists and thus to respond to them both with arguments and with love and sensitivity This is a timely book Carl Trueman author of *The Rise and Triumph of the Modern Self* A movement called deconstruction is sweeping through our churches and it is affecting our loved ones It has disrupted dismantled and destroyed the faith of so many and this book can help you not only understand what's happening but also stand your ground and respond with clarity and confidence Maybe you have a loved one who is deconstructing their faith and you are struggling to know how to respond Maybe you are trying to understand the radical spiritual makeover your friend or family member is going through Maybe your relationship with a loved one has been strained or even cut off because of your toxic Christian beliefs and you don't know what to do Maybe you're experiencing doubt yourself and facing hard questions about truth God the Bible theology and the gospel Some who leave the faith feel wounded by the church Others feel repressed by some of the moral imperatives found in Scripture For some it leads to a custom made spirituality For others deconstructing their faith leads them away from the truth into agnosticism atheism the occult or humanism In this seminal book Alisa Childers author of *Another Gospel* and Tim Barnett creator of *Red Pen Logic* will help you understand what deconstruction is where it comes from why it is compelling to some and how it disorients the lives of so many You will be able to think through the main issues around faith deconstruction and explore wise and loving ways to respond from a biblical worldview

The Case for Life (Second edition) Scott Klusendorf, 2023-10-24 Pro Life Advocate Scott Klusendorf Answers the Important Question What Are the Unborn Pro life Christians take heart the pro life message can compete in the marketplace of ideas if Christians properly understand and articulate that message In light of the 50th anniversary of *Roe v Wade* too many Christians do not understand the essential truths of the pro life position making it difficult for them to articulate a biblical worldview on issues like abortion cloning and embryo research This second edition of *The Case for Life* now with added content provides intellectual grounding for the pro life convictions that most evangelicals hold Author Scott

Klusendorf simplifies the debate the sanctity of life is not a morally complex issue The debate turns on one key question What is the unborn In this timely ebook Klusendorf teaches readers what the role of the pro life Christian should be and how to lovingly and winsomely engage in questions and objections Timely Covers current hot button topics related to abortion cloning and embryo research Ideal for Christians or Anyone Curious about the Pro Life Movement Written for those looking to learn more about the pro life argument and why it matters Logically Grounded Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way Additional Content Includes two new chapters on how to organize material for a pro life talk and what it means to be pro life *The Toxic War on Masculinity* Nancy R.

Pearcey,2023-06-27 Why Can t We Hate Men asks a headline in the Washington Post A trendy hashtag is KillAllMen Books are sold titled I Hate Men The End of Men and Are Men Necessary How did the idea arise that masculinity is dangerous and destructive Bestselling author Nancy Pearcey leads you on a fascinating excursion through American history to discover why the script for masculinity turned toxic and how to fix it Pearcey then turns to surprising findings from sociology Religion is often cast as a cause of domestic abuse But research shows that authentically committed Christian men test out as the most loving and engaged husbands and fathers They have the lowest rates of divorce and domestic violence of any group in America Yes domestic abuse is an urgent issue and Pearcey does not mince words in addressing it But the sociological facts explode the negative stereotypes and show that Christianity has the power to overcome toxic behavior in men and reconcile the sexes an unexpected finding that has stood up to rigorous empirical testing *Apologetics for a New Generation* Sean

McDowell,2009-03-01 Many teenagers leave home for college but don t take their faith with them Popular writer and speaker Sean McDowell offers a solution for this problem a new way of approaching faith that addresses the questions the emerging generation is asking and that incorporates a radically humble and relational approach An impressive list of contributors including Dan Kimball They Like Jesus but Not the Church Brian Godawa Hollywood Worldviews and Josh McDowell show that today s apologetics must employ a clear connection with everyday lifean invitation for people to express their doubts and wrestle with tough questionsa culturally savvy understanding of the way secular people view Christiansan engaging methodology that captures the imagination before engaging the minda strong emphasis on the resurrection and how it changes everything This resource is imperative for leaders who are ready to engage a new generation with the claims of Christ

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash's study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

Think Christianly Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every

day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don't notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world *Stand Up, Stand Strong* Sara Barratt, 2022-04-19 If we live according to the gospel we're going to make waves Why Because the way of Christ is countercultural It doesn't go with the flow compromise on truth or stay silent in the face of injustice so neither can we No matter how young or old we are or how much or how little influence we think we have God calls us to boldly engage our upside down culture through the lens of his truth With powerful examples from Scripture and stories from teens today and through the centuries Sara Barratt equips teens to live with a biblical worldview approach today's hot button issues with godly wisdom and influence their generation for the glory of God Tackling tough topics like sexuality addiction identity media and much more Sara offers practical ways to stay rooted in God's truth while engaging culture with the redemptive story of the gospel no matter the cost **Afterlife** Hank Hanegraaff, 2025-04-08 If there was ever a need to know book Afterlife is it On his daily call in radio show the most common questions Hanegraaff fields are about the hereafter For instance millions are voraciously reading about the near death experiences of young children Consumers are desperate for knowledge and reassurance about what comes after life on the earth Hank Hanegraaff one of the most remarkable theological minds of the 21st century explains the marvelous way this physical life connects our past to our eternal future Afterlife gives reader a clear and concrete understanding about what happens after death to us and to those we love [Blueprint for Theocracy](#) James C. Sanford, 2014 This investigation sheds new light on the confrontational stance the religious right has taken toward contemporary America by examining the nature and origins of its highly charged ideas It traces its belief system commonly called the Christian Worldview to four Christian thinkers Abraham Kuyper Cornelius Van Til Rousas John Rushdoony and Francis Schaeffer known for their anti modernist authoritarian and in some cases openly theocratic ideas Although virtually unknown to most Americans these men have been treated like patron saints by the religious right Their ideas seriously discussed within the movement and codified in Christian Worldview documents during the 1980s have been widely disseminated to followers through textbooks and seminars evolving over time into standard talking points The book then examines how the ideology buttresses the movement's controversial right wing agenda It explores how the Christian Worldview advances a concept of total truth that is unique to biblical

Christians and enables them to redefine freedom law government and even history and science in their own infallible terms A vision for the future and plan of action are formed on the basis of these certainties The book concludes by discussing the danger the ideology poses to pluralist society and offers intelligent ways of confronting it *THE YOUNG CHRISTIAN'S SURVIVAL GUIDE* Donald T. Williams,2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery Doesn t the Bible support homophobia Doesn t the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers **Faith Has Its Reasons** Kenneth Boa,Robert M. Bowman Jr.,2012-01-05 A most accessible but thoroughly practical primer on apologetics **Faith's Defenders** Dr. Octavian Caius Obeada,2024-07-28 Faith s Defenders The Christian Apologetic Mission offers a comprehensive exploration of the crucial role of apologetics in the Christian Church It examines the foundational beliefs historical challenges and modern day threats to Christianity while providing a detailed overview of apologetics from early Christianity to the present The book emphasizes the need for respectful and intellectually rigorous strategies to engage with contemporary culture address doubts and reinvigorate faith Drawing on insights from renowned defenders of the faith it highlights the importance of apologetics in strengthening the Church s witness and fostering meaningful dialogue making a compelling call for the Church to present the gospel with confidence clarity and compassion You can find the PAPERBACK version on Amazon <https://amzn.to/4jiSDjr> Relational Christianity Wesley M. Pinkham,2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian

Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God s intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God s movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God s family The shape of the new covenant community must reflect the Father s nature Church culture must prioritize relationship in the same way the Trinity does

Worldview as Worship Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn t looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul s teaching in Romans 12:1-2 Worldview as Worship approaches the renewing of your mind as the result of the believer s presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice
