

Sample Tour Guide Speech

Listen to a tour guide on a shuttle bus from the airport to the resort.

Welcoming tourists:

Hello everyone. My name is Luca. On behalf of Suntan Tours I'd like to welcome you all to Los Cabos. The bus ride to your hotel will take about fifteen minutes. Right now I'd like to take a minute to familiarize you with the area and discuss some brief safety precautions. Firstly, I ask that you remain seated until we reach our destination and that you not eat or drink while on the bus. Secondly, please realize that it is against the law to get drunk in public. Enjoy your vacation, but do drink responsibly and do not drink and drive.

Describing the location:

I promise you are going to enjoy your stay here in San Jose, Los Cabos. This is a beautiful, quiet city where you can relax, sit by the beach, enjoy great meals and feel very safe. You can walk into town and enjoy the fountains or take a moonlit walk along the water. Please do not swim here. This is not a safe place to swim because there is a strong undertow. Cabos San Lucas is the place to go if you want to enjoy swimming in the ocean. You can take a short bus ride from your hotel. There you will also enjoy entertainment and dancing.

Introducing special events and offers:

Suntan tours offers a variety of special discounts depending on your travel plans. We have golf packages, as well as guided whale boat tours, and fishing charters. There will be a short information session at 1pm in the lobby of the hotel tomorrow where you can learn all about these offers. We recommend that you do not purchase packages from street vendors as they are not always 100 percent reliable. They also may charge you more than what they say. Please take my advice and allow Suntan tours to book all of your day trips and activities while you are here.

Offering advice:

If you need to exchange your dollars into pesos, please use a bank or money exchange. We don't recommend exchanging your money at the hotel because you won't get a fair rate. Some restaurants will accept American or Canadian money, but you are better off to exchange your money and pay with pesos. Or, if you prefer, you can always use your credit cards. Also, if you want to get around the city, or travel to Cabos San Lucas, we recommend that you take the local bus rather than a taxi. The bus costs about one American dollar, and the driver can give you change if you don't have the exact amount. If you do decide to take a taxi make sure that you negotiate a price before you go.

Closing remarks:

We're going to be pulling up to the hotel in just a few minutes. Please sit back and enjoy the view of the ocean on the left hand side of the bus as we enter the city. I ask that you remain in your seats until we have come to a complete stop. Javier will be meeting us at the bus to help you with

Spoken Dialogue Systems Technology and Design Wolfgang Minker, Gary Geunbae Lee, Satoshi Nakamura, Joseph Mariani, 2010-11-09 Spoken Dialogue Systems Technology and Design covers key topics in the field of spoken language dialogue interaction from a variety of leading researchers. It brings together several perspectives in the areas of corpus annotation and analysis, dialogue system construction, as well as theoretical perspectives on communicative intention, context-based generation and modelling of discourse structure. These topics are all part of the general research and development within the area of discourse and dialogue, with an emphasis on dialogue systems, corpora and corpus tools, and semantic and pragmatic modelling of discourse and dialogue. *The Routledge Companion to Tour Guiding* Shailja Sharma, 2025-08-29 This comprehensive handbook offers an in-depth exploration of both the theoretical and practical dimensions of tour guiding as a profession. It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers. Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world, the book highlights emerging trends and the importance of continuous skill development in the profession. It covers topics such as pre-tour preparations, the art of effectively opening and closing tours, engaging narration at attractions, the importance of technology for tour guides, and the nuances of managing diverse groups. Additionally, it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest inquiries, managing grievances, and handling emergencies, besides addressing the new emerging trends in the field of tour guiding. This companion is designed for students and educators in tourism, travel, and hospitality management programs worldwide. It serves as a valuable training manual for national, regional, and local tourism authorities, as well as tour operators and travel agencies. Furthermore, both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices. **Promoting Creative**

Guide Jonathan R. Wynn, 2011-07-05 Everyone wants to visit New York at least once The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs The only problem is figuring out where to start and that's where the city's tour guides come in These guides are a vital part of New York's raucous sidewalk culture and as The Tour Guide reveals the tours they offer are as fascinatingly diverse and eccentric as the city itself Visitors can take tours that cover Manhattan before the arrival of European settlers the nineteenth century Irish gangs of Five Points the culinary traditions of Queens the culture of Harlem or even the surveillance cameras of Chelsea in short there are tours to satisfy anyone's curiosity about the city's past or present And the guides are as intriguing as the subjects we learn as Jonathan R Wynn explores the lives of the people behind the tours introducing us to office workers looking for a diversion from their desk jobs unemployed actors honing their vocal skills and struggling retirees searching for a second calling Matching years of research with his own experiences as a guide Wynn also lays bare the grueling process of acquiring an official license and offers a how to guide to designing and leading a tour Touching on the long history of tour giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9 11 The Tour Guide is as informative and insightful as the chatty charming and colorful characters at its heart **Liminality in Tourism** Robert S. Bristow, Ian

Jenkins, 2021-09-05 Liminality is not typically associated with tourism even though it can be viewed as an intrinsic element of the social cultural experiences of tourism Liminality in Tourism Spatial and Temporal Considerations aims to build upon the tradition of liminality as expounded in social and anthropological disciplines elaborating on the theoretical principles and concepts found within certain aspects of the tourist journey and tourist product The emergence of post modern society has impelled a change in the tourist gaze towards a more experiential and adventuresome globalised experience An important aspect of the tourist phenomenon of liminality is where a transformative experience is triggered by entering a liminoid tourist space leaving the tourist permanently psychologically transformed before returning to normalised society The narrative provides a new perspective on the tourist experience with a provocative examination into the multidimensional aspects of tourism by exploring tourism within the spatial and temporal aspects of liminal landscapes Covid 19 has further changed the rubric of tourism Until the current pandemic tourism has basically been a fun experience In a post pandemic world however the tourist is now facing an unknown future which will almost certainly affect tourism liminality This book presents the reader with a wealth of examples and case studies closely illustrating the association between tourism and liminal experiences The geographical perspectives explore the more subconscious outcomes of destination and tourist product consumption The book should be a useful reader to tourism geography where the theory of liminality can be synthesized into tourist experiences The chapters in this book were originally published as a special issue of the journal Tourism Geographies
