Wildlife Tourism, Environmental Learning and Ethical Encounters Ismar Borges de Lima, Ronda J. Green, 2017-06-13. This book outlines the status quo of worldwide wildlife tourism and its impacts on planning management knowledge awareness behaviour and attitudes related to wildlife encounters. It sets out to fill the considerable gaps in our knowledge on wildlife tourism applied ecology and environmental education providing comprehensive information on and an interdisciplinary approach to effective management in wildlife tourism. Examining the intricacies challenges and lessons learned in a meaningful and rewarding tourism niche this interdisciplinary book comprehensively examines the major potentials and controversies in the wildlife tourism industry. Pursuing an insightful provocative and hands on approach it primarily addresses two questions: Can we reconcile the needs of the wildlife tourism industry biodiversity conservation ecological learning and animal ethics issues and What is the Future of the Wildlife Tourism Industry? Though primarily intended as a research text it also offers a valuable resource for a broad readership which includes university and training students researchers scholars tourism practitioners and professionals planners and managers as well as the staff of government agencies.

Commercial Space Tourism Dirk C. Gibson, 2012. The general themes of this analysis of the commercial space tourism industry include three main topics: 1. Benefits of commercial space tourism to numerous stakeholders 2. The viability of commercial space tourism 3. existing public relations solutions.

Philosophical Issues in Tourism John Tribe, 2009-03-19. Despite the geometric expansion of tourism knowledge some areas have remained stubbornly underdeveloped and a full or comprehensive consideration of the philosophical issues of tourism represents one such significant knowledge gap. A key aim of this book therefore is to provide an initial mapping of and fresh insights into this territory. In doing so it discusses key philosophical questions in the field such as: What is tourism? Who is a tourist? What is wisdom? What is it to know something? What is the nature of reality? Why are some destinations considered beautiful? Why is tourism desirable? What is good and bad tourism? What are desirable ends? These and similar topics are addressed in this book under the headings of truth beauty and virtue.
