Fertile Links? Connections Between Tourism Activities, Socioeconomic Contexts and Local Development Antonio Raschi, Elisabete Figueiredo, 2013 In many European regions rural areas are facing major challenges in economic and social terms consequence of transformations in the role and meaning of agriculture The loss of the productive character strongly contributed to the emergence of new roles and functions particularly related to leisure and tourism The book aims to discuss questions directly related to the connections between rural tourism and local socioeconomic contexts presenting diverse theoretical and methodological perspectives and different case studies from various European regions The book addresses the relationships among rural tourism and the complex interactions conflicts and innovative processes developing in rural

territories as consequence of the implementation of tourism activities The book responds to some relevant and not yet comprehensively researched aspects within this topic especially in what extent tourism in its various forms and processes might give an important contribution to rural development The Principles of Geotourism Anze Chen,Yunting Lu,Young C.Y. Ng,2015-05-07 The book introduces tourism earth science as a new scientific discipline by applying the principles of earth science in the study of natural and human tourism resources It involves studying the geo scientific characteristics of these tourism resources through surveys evaluation and aesthetic value assessment It also discusses about the principles behind geopark establishment and management It is an important publication providing direction for geopark and tourism developments in China The book is a tool for geological heritage survey assessment and research It can also be used to assist planning of geopark national parks heritage protection and scientific interpretation It is a valuable teaching material for teachers and students of geoscience and tourism as well as providing useful guidance for geopark managers and tour guides in their operation In addition the book also offers scientific knowledge of the surrounding natural and cultural landscapes to the public and the general visitors □□□□ ,2005 Deepening Local Democracy in Latin America Benjamin Goldfrank,2011 Addresses the question of why institutions meant to attract citizen participation succeed in strengthening civil society and improving state responsiveness and transparency in some places but fail in others Focuses on urban politics in Porto Alegre Brazil Montevideo Uruguay and Caracas Venezuela Provided by publisher OCR AS Geography Student Unit Guide: Unit F762 Peter Stiff,2012-08-31 Written by a senior examiner Peter Stiff this OCR AS Geography Student Unit Guide is the essential study companion for Unit F762 Managing Change in Human Environments This full colour book includes all you need to know to prepare for your unit exam clear guidance on the content of the unit with topic summaries knowledge check questions and a quick reference index examiner s advice throughout so you will know what to expect in the exam and will be able to demonstrate the skills required exam style questions with graded student responses so you can see clearly what is required to get a better grade Kenya Gazette ,2000-10-27 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week ADB Business Opportunities ,2000 Education of Minorities and Peace Education in Pluralistic Societies Yaacov Iram,2003-05-30 The existence of minorities will grow in most countries of the world because of sociopolitical upheaval and economic crisis both of which result in waves of migration Contributors to this volume discuss the task of education to alleviate the problems arising from the mix of peoples of various ethnic cultural linguistic and religious backgrounds No education system alone can create a just and equal society and education by itself is not enough to achieve peace Nevertheless educational efforts assisted by other institutional commitments and actions are essential in order to create an atmosphere of justice mutual recognition and acceptance as

preconditions for peaceful coexistence within groups and between people As a result of worldwide migration in reaction to wars and other geopolitical conflicts as well as economic crisis many modern nation states consist of a mix of people of various ethnic cultural linguistic and religious backgrounds Indeed there are very few countries that are monocultural Here contributors discuss how it is imperative that multicultural education be promoted to achieve awareness then tolerance and finally acceptance of ethnic and other diversity within societies □□□□□□□□ ,1993 **Federal Register** ,2013-07
