Toward Holy Ground Margaret Guenther,1995-01-25 In each chapter Toward Holy Ground explores the practical aspects of spirituality in midlife intercessory prayer a sense of community a rule of life lightheartedness detachment and stripping down preparing for a good death

Holy Listening Margaret Guenther,1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered

God's Mother, Eve's Advocate Tina Beattie,2002-09-15 The focus of Beattie s book on the theology of woman is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve

Trustworthy Connections Anne Winchell Silver,2004-01-25 Although God is at the center of the process of spiritual direction the more readily visible participants are human beings Like all other people directors and directees are subject to relationship dynamics Trustworthy Connections identifies some issues and challenges that can arise in spiritual direction relationships and offers resources for further consideration and reflection The topics and examples are focused on traditional one to one face to face spiritual direction although some are also relevant to group direction and direction by correspondence Trustworthy Connections is designed for use as a reference and a springboard for discussion for spiritual directors and anyone else who is interested in spiritual direction Like the process of spiritual direction itself this book is about asking questions discussing ideas and suggesting alternatives rather than giving advice or getting answers

Practicing the Way John Mark Comer,2025-01-07 NEW YORK TIMES BESTSELLER The author of *The Ruthless Elimination of Hurry* calls us to rediscover the path that leads to a deeper life with God One of the most important books I have read in a decade If we would all follow in this way our lives would change and the world would change Jennie Allen author of *Get Out of Your Head* and *Find Your People* We are constantly being formed by the world around us To be formed by Jesus will require us to become his apprentice To live by what the first Christian disciples called a Rule of Life a set of practices and relational rhythms that slow us down and open up space in our daily lives for God to do what only God can do

transforms the deepest parts of us to become like him This introduction to spiritual formation is full of John Mark Comer s trademark mix of theological substance and cultural insight as well as practical wisdom on developing your own Rule of Life These ancient practices have much to offer us By learning to rearrange our days we can follow the Way of Jesus We can be with him Become like him And do as he did

The Living Church ,1995-07

Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person s growth Bidwell s work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to

identify God's action and respond in ways that collaborate with that identified movement of the Spirit **Guide to New Church's Teaching Series** Linda Grenz, 2000-01-25 A Guide to The New Church's Teaching Series by educator Linda L Grenz offers practical suggestions for using the books of the series in the diocese or congregation A complete reference for clergy and lay leaders teachers and small group facilitators the guide provides a brief overview of each book and contains suggestions for additional activities to enhance learning It surveys a wide variety of church groups and formats for using the series from adult forums and Bible study groups to retreats and vestry meetings and recommends volumes of the series that would be most helpful in each context Finally the guide offers specific guidelines for recruiting teaching and leading small groups in a chapter describing how to create and maintain a learning environment for adults **Contemplation and Midlife Crisis** Rosemarie Carfagna, 2014-05-14 This book helps the reader in midlife crisis frame his/her experience in spiritual contemplative terms and thereby provides a wider context in which to understand and eventually accept it

Spiritual Literacy Frederic Brussat, Mary Ann Brussat, 1998-08-05 This collection presents more than 650 readings about daily life from present day authors Inside jacket flap *Living Life to the Full* Una Kroll, 2006-01-01 Packed with insights this book is about the spirituality of old age As a doctor the author wrote about the physical problems of pain creaking joints osteoporosis and rheumatoid arthritis She also writes about depressive illnesses and the desire to obfuscate the problems of declining physical strength with pills booze and other quick fixes The Oxford Handbook of Anglican Studies Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world *Twelve Great Spiritual Writers* Liz Hoare, 2020-01-16 Liz Hoare's list of twelve great spiritual writers includes famous and lesser known women whose writings have touched her heart illuminated her mind and sharpened her spiritual vision Liz believes they can do the same for you which is why she has written this book Each of these great writers
