Voor Een Verloren Soldaat:

Voor een verloren soldaat Rudi van Dantzig, Patty Voorsmit, 2000 **Voor een verloren soldaat** Rudi van Dantzig, 2013-10-10 De Tweede Wereldoorlog was op zich al ontwrichtend maar nog moeilijker als je ook nog op zoek bent naar je identiteit In deze autobiografische roman doet Rudi van Dantzig verslag van zijn intieme vriendschap met een bevrijder Voor een verloren soldaat is een aangrijpend verhaal over ontluikende homofilie in een verwarrende levensfase en in buitengewone omstandigheden Iemand zoenen betekent dat je hem houdt Wolt had me stijf in zijn armen gehouden alsof hij me plat wilde drukken Waarom deed hij dat hij kende me niet eens Ik knijp mijn ogen dicht en probeer te slapen Niet aan dat denken Is het slecht als iemand een stijve heeft **Voor een verloren soldaat** Rudi van Dantzig, 1995 Autobiografisch relaas van het verblijf in de Tweede Wereldoorlog van een Amsterdams jongetje bij een Fries gastgezin en van diens homo seksuele inwijding door een Canadese soldaat Memory in World Cinema Nancy J. Membrez, 2019-08-30 Film itself is an artifact of memory A blend of all the other fine arts film portrays and preserves human memory someone s memory faulty or not dramatically or comically in a documentary feature film or short Hollywood may dominate 80 percent of cinema production but it is not the only voice World cinema is about those other voices Drawn initially from presentations from a series of film conferences held at the University of Texas at San Antonio this collection of essays covers multiple geographical linguistic and cultural areas worldwide emphasizing the historical and cultural interpretation of films Appendices list films focusing on memory and invite readers to explore the films and issues raised *Youth Culture in Global Cinema* Timothy Shary, Alexandra Seibel, 2009-01-27 Coming of age is a pivotal experience for everyone So it is no surprise that filmmakers around the globe explore the experiences of growing up in their work From blockbuster U S movies such as the Harry Potter series to thought provoking foreign films such as Bend It Like Beckham and Whale Rider films about youth delve into young people s attitudes styles sexuality race families cultures class psychology and ideas These cinematic representations of youth also reflect perceptions about youth in their respective cultures as well as young people s worth to the larger society Indeed as the contributors to this volume make plain films about young people open a very revealing window on the attitudes and values of cultures across the globe Youth Culture in Global Cinema offers the first comprehensive investigation of how young people are portrayed in film around the world Eighteen established film scholars from eleven different national backgrounds discuss a wide range of films that illuminate the varied conditions in which youth live The essays are grouped thematically around the issues of youthful resistance and rebellion cultural and national identity including religion and politics and sexual maturation including gender distinctions and coming of age queer Some essays engage in close readings of films while others examine the advertising and reception of films or investigate psychological issues The volume concludes with filmographies of over 700 youth related titles arranged by nation and theme *Dutch Post-war Fiction Film through a Lens of Psychoanalysis* Peter Verstraten, 2025-10-01 Dutch Post war Fiction Film through a Lens of Psychoanalysis is a sequel to

Humour and Irony in Dutch Post war Fiction Film AUP 2016 but the two studies can be read separately Because of the sheer variety of Fons Rademakers oeuvre which spans art cinema and cult genre film and historical epics each chapter will start with one of his titles to introduce a key concept from psychoanalysis It is an oft voiced claim that Dutch cinema strongly adheres to realism but this idea is put into perspective by using psychoanalytic theories on desire and fantasy In the vein of cinephilia this study brings together canonical titles *Als twee druppels water* *Soldaat van Oranje* and little gems *Monsieur Hawarden* *Kracht* It juxtaposes among others *Gluckauf* and *De vliegende Hollander* on father figures *Flanagan* and *Spoorloos* on rabbles and heroes *De aanslag* and *Leedvermaak* on historical traumas and *Antonia* and *Bluebird* on aphanisis *German Film after Germany* Randall Halle, 2010-10-01 What is the work of film in the age of transnational production To answer that question Randall Halle focuses on the film industry of Germany one of Europe's largest film markets and one of the world's largest film producing nations In the 1990s Germany experienced an extreme transition from a state subsidized mode of film production that was free of anxious concerns about profit and audience entertainment to a mode dominated by private interest and big capital At the same time the European Union began actively drawing together the national markets of Germany and other European nations subsuming their individual significances into a synergistic whole This book studies these changes broadly but also focuses on the transformations in their particular national context It balances film politics and film aesthetics tracing transformations in financing along with analyses of particular films to describe the effects on the film object itself Halle concludes that we witness currently the emergence of a new transnational aesthetic a fundamental shift in cultural production with ramifications for communal identifications state cohesion and national economies *Europe Dancing* Andree Grau, Stephanie Jordan, 2002-06 *Europe Dancing* examines the dance cultures and movements which have developed in Europe since the Second World War Nine countries are represented in this unique collaboration between European dance scholars The contributors chart the art form and discuss the outside influences which have shaped it This comprehensive book explores questions of identity within individual countries within Europe and in relation to the USA the East West cultural division the development of state subsidy for dance the rise of contemporary dance as an alternative genre the implications for dance of political economic and social change Useful historical charts are included to trace significant dance and political events throughout the twentieth century in each country Never before has this information been gathered together in one place This book is essential reading for everyone interested in dance and its growth and development in recent years **A Literary History of the Low Countries** Theo Hermans, 2009 What was the written culture behind visual artists like Vermeer Rembrandt and Rubens What made the historical novel in nineteenth century Flanders so different from its counterpart in Holland What was the literary impact of the huge colonial empires run by the Netherlands and Belgium What role did Latin French and Frisian play in the literary culture of the Low Countries through the ages Why is experimental writing so prevalent in modern Dutch literature What has made Cees Nooteboom an internationally acclaimed

author And how does Flemish relate to Dutch anyway This first literary history of the Netherlands and Flanders in English since the 1970s answers these and many other questions Written by a team of Dutch and Flemish subject specialists it offers a comprehensive and authoritative account of the literature of the Dutch speaking area from the medieval period up to the present day While it focuses on literature written in Dutch it also assesses the significance of writings in French Latin and Frisian Routledge International Encyclopedia of Queer Culture David A. Gerstner,2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay lesbian bisexual transgender and queer GLBTQ life and culture post 1945 with a strong international approach to the subject The scope of the work is extremely comprehensive with entries falling into the broad categories of Dance Education Film Health Homophobia the Int **A Family Occupation** Jolanda Vanderwal Taylor,1997 A Family Occupation investigates Dutch language texts by well known authors which address the occupation and its aftermath in the lives of victims collaborators bystanders and Dutch internees in the prison camps of Indonesia It is the first English language introduction to writings by and about the Children of War and their cultural context Their themes and literary conventions throw an interesting light on the Dutch approach to issues such as guilt and innocence memory and narrative national identity victimhood child abuse post traumatic stress disorder amnesia and recovered memory The Culture of Queers Richard Dyer,2005-08-18 For around a hundred years up to the Stonewall riots the word used for gay men was queers In The Culture of Queers Richard Dyer traces the contours of queer culture examining the differences and continuities with the gay culture which succeeded it Opening with a discussion of the very concept of queers Dyer asks what it means to speak of a sexual grouping having a culture and addresses issues such as gay attitudes to women and the notion of camp From screaming queens to sensitive vampires and sad young men and from pulp novels to pornography to the films of Fassbinder The Culture of Queers explores the history of queer arts and media **Montreal Main** Thomas Waugh,Jason Garrison,2010-11-30 A Queer Film Classic a great Canadian indie film from 1974 that has become a cult classic about a photographer living among various outcasts in the Montreal neighborhood known as the Main who becomes obsessed with the teenaged son of friends *Literary Cultures and Twenty-First-Century Childhoods* Nathalie op de Beeck,2020-08-05 In the early decades of the twenty first century we are grappling with the legacies of past centuries and their cascading effects upon children and all people We realize anew how imperialism globalization industrialization and revolution continue to reshape our world and that of new generations At a volatile moment this collection asks how twenty first century literature and related media represent and shape the contemporary child childhood and youth Because literary representations construct ideal childhoods as well as model the rights privileges and respect afforded to actual young people this collection surveys examples from popular culture and from scholarly practice Chapters investigate the human rights of children in literature and international policy the potential subjective agency and power of the child the role models proposed for young people the diverse identities children embody and encounter and the environmental well being of future human

and nonhuman generations As a snapshot of our developing historical moment this collection identifies emergent trends considers theories and critiques of childhood and literature and observes how new technologies and paradigms are destabilizing past conventions of storytelling and lived experience *Year Zero* Ian Buruma, 2013-09-26 *Year Zero* is a remarkable book not because it breaks new ground but in its combination of magnificence and modesty Wall Street Journal A marvelous global history of the pivotal year 1945 as a new world emerged from the ruins of World War II *Year Zero* is a landmark reckoning with the great drama that ensued after war came to an end in 1945 One world had ended and a new uncertain one was beginning Regime change had come on a global scale across Asia including China Korea Indochina and the Philippines and of course Japan and all of continental Europe Out of the often vicious power struggles that ensued emerged the modern world as we know it In human terms the scale of transformation is almost impossible to imagine Great cities around the world lay in ruins their populations decimated displaced starving Harsh revenge was meted out on a wide scale and the ground was laid for much horror to come At the same time in the wake of unspeakable loss the euphoria of the liberated was extraordinary and the revelry unprecedented The postwar years gave rise to the European welfare state the United Nations decolonization Japanese pacifism and the European Union Social cultural and political reeducation was imposed on vanquished by victors on a scale that also had no historical precedent Much that was done was ill advised but in hindsight as Ian Buruma shows us these efforts were in fact relatively enlightened humane and effective A poignant grace note throughout this history is Buruma's own father's story Seized by the Nazis during the occupation of Holland he spent much of the war in Berlin as a laborer and by war's end was literally hiding in the rubble of a flattened city having barely managed to survive starvation rations Allied bombing and Soviet shock troops when the end came His journey home and attempted reentry into normalcy stand in many ways for his generation's experience A work of enormous range and stirring human drama conjuring both the Asian and European theaters with equal fluency *Year Zero* is a book that Ian Buruma is perhaps uniquely positioned to write It is surely his masterpiece Britannica Book of the Year 2013 Encyclopaedia

Britannica, Inc., 2013-03-01 The *Britannica Book of the Year 2013* provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again
