Whisper Snipe Four Seasons Haiku:

A Whisper of Snipe David Townsend Hoopes, 2015-12-15 Haiku poetry inspired by the Pacific Northwest and Alaska

Walden by Haiku Ian Marshall, 2012-01-01 In this intriguing literary experiment Ian Marshall presents a collection of nearly three hundred haiku that he extracted from Henry David Thoreau's *Walden* and documents the underlying similarities between Thoreau's prose and the art of haiku. Although Thoreau would never have encountered the Japanese haiku tradition, the way in which the most important ideas in *Walden* find expression in the most haikulike language suggests that Thoreau at Walden Pond and the haiku master Basho at his old pond might have drunk at the same well. *Walden* and the tradition of haiku share an aesthetic that embodies ideas in natural images, dissolves boundaries between self and world, emphasizes simplicity, and honors both solitude and humble familiar objects. Marshall examines each of these aesthetic principles and offers a relevant collection of found haiku. In the second part of the book, he explains his process of finding the haiku in the text, breaking down each chapter of *Walden* to highlight the imagery and poetic language embedded in the most powerful passages. Marshall's exploration not only provides a fresh perspective on haiku but also sheds new light on Thoreau's much studied text and lays the foundation for a clearer understanding of the aesthetics of American nature writing.

Four Seasons: Japanese Haiku FOUR SEASONS: JAPANESE HAIKU., 1958

The Four Seasons, 2013-01-07 Step into a series of dazzling, funny, melancholy, and joyous moments with this collection of haiku masterworks. Beloved translator Peter Beilenson's goals were twofold: to craft a book of haiku accessible to anyone and to render his best guess at what the poets would have written in English. His translations preserve the sublime spirit of each verse, conjuring vivid visual and emotional impressions in spare words. Haiku icon Basho is represented amply here, as are imagery virtuoso Buson and wry, warm, painfully human Issa. The verses of Shiki, Joso, Kyorai, Kikaku, Chora, Gyodai, Kakei, Izen, and others also appear, all illuminated by lovely woodblock prints. Filled with witty surprises, hazy, ponded moon, and pale night sky, are broken, bungling black frog, Buson's fond musings, rainy afternoon, little daughter you will never teach that cat to dance, Issa, and pensive marveling. Here is the dark tree, denuded now of leafage, but a million stars. Shiki: this collection will stir your senses and your heart.

Haiku for Every Season Suzanne Anderson, 2015-09-08 This attractive collection features thirty poems written in a form of haiku and beautifully illustrated in dramatic watercolor. The beauty of haiku is the poet's ability to use descriptive language to convey poignant experiences in a few syllables. Haiku in English is most often written as three lines. Tradition calls for seventeen syllables divided into three phrases that include five, seven, and five sounds. In this book, the author presents the four seasons and uses the delicate simplicity of poetry to capture ways in which children like writers of haiku are inspired by elements of nature, beautiful moments in time, and details observed by their senses. Readers can expect to find several poems to their liking and will be extremely pleased by the visual drama and imagery presented in each illustration.
