Whistleblowing At Work Whistleblowing At Work:

Whistleblowing At Work Terry Miethe, 2019-04-25 This book explores the fundamental questions about whistleblowing and summarizes what we know about the experiences of whistleblowers. It provides a detailed summary of the current legal protection for whistleblowers and some general guidelines for reporting misconduct. **Whistleblowing at Work** David Lewis, 2001-08-01 Whistleblowing has become a burning issue in contemporary society. When is whistleblowing appropriate? How is it best carried out? And how should managers and employers handle the issue? This book takes a look at whistleblowing at work, taking a group of key occupations including the Health Service, Local Government, Accountancy, and Education, and from different points of view, including those of the employer, the trade unions, and the employed. A whistleblower speaks for herself; advice is given on the whistleblower's best route, and the ethical issues are weighed, and the legal situation set out. This book is invaluable to those concerned with employment, personnel, and human resource management, and to all those working in whistleblowing territory. **Towards a Better Protection of Workplace Whistleblowers in the Visegrad Countries, France and Slovenia** Dagmara Skupień, 2021 This monograph is an outcome of research completed within the Visegrad Grant Workplace Whistleblower Protection in the V4 Countries, France and Slovenia, WhistlePro 2020/2021, financed from the International Visegrad Fund. The project aims to contribute to the improvement of the legal framework in the Visegrad countries concerning the protection of workplace whistleblowers and indirectly to the change of workers' attitudes towards whistleblowing. Contributions prepared by legal experts from various countries and universities concern matters of universal importance, such as freedom of expression relative to whistleblowing, personal scope of the EU Whistleblower Protection Directive 2019/1937, or personal data protection. They also discuss the legal situation concerning whistleblower protection in the Visegrad countries, France and Slovenia, and present recommendations for changes in the respective countries. The monograph culminates with a summary of proposals for the improvement of the legal situation of persons disclosing breaches of law in the work-related context. Given its topicality and in-depth analysis of legal problems related to adequate whistleblower protection, the book may be of interest to academics, practitioners, social partners, non-governmental organisations, NGOs, and policy makers in the process of the EU Whistleblower Protection Directive transposition in Member States. Dagmara Skupień. Whistleblowing At Work Terance D. Miethe, 1999 An examination of whistleblowing: the reporting by employees and former employees of illegal, unethical, and otherwise inappropriate conduct to someone who has the power to take corrective action and its individual and organizational consequences. **The Emerald Handbook of Work, Workplaces and Disruptive Issues in HRM** Peter Holland, Timothy Bartram, Thomas Garavan, Kirsteen Grant, 2022-08-22 The Emerald Handbook of Work, Workplaces and Disruptive Issues in HRM considers the way work, employment, and people are being managed across the globe, using a multidisciplinary range of voices to illustrate just how fundamental recent developments will be in reshaping work and employment. **Rules for Whistleblowers** Stephen M.
