White Collar Crime Materials Supplement:

Supplement to Federal White Collar Crime Julie O'Sullivan, 2005-08-01 This Supplement is designed to accompany O'Sullivan's Federal White Collar Crime 2d which reviews substantive and procedural areas of importance in white collar criminal practice for students and practitioners White Collar Crime: Cases, Materials, and Problems; Supplement J. Kelly Strader, White Collar Crime J. Kelly Strader, Sandra D. Jordan, 2015 *White-Collar Crime* Michael L. Benson, Sally S. Simpson, 2017-12-22 *White Collar Crime An Opportunity Perspective* analyzes white collar crime within a coherent theoretical framework Using the opportunity perspective which assumes that all crimes depend on offenders recognizing an opportunity to commit an offense the authors uncover the processes and situational conditions that facilitate white collar crimes In addition they offer potential solutions to this persistent and widespread social problem without being reductive in their treatment of the difficulties of control With this third edition Benson and Simpson have added substantive online teaching materials and expanded their coverage with up to date case studies and discussions of recent investigations into white collar crime and control These timely updates reaffirm this accessible and rigorous book as a core resource for courses on white collar crime *White Collar Crime Document Supplement*, 2015 *Legal Professionals in White-Collar Crime* Maria Eugenia Trombini, 2023-02-25 This work is dedicated to map the modes of thinking and acting of legal professionals who work in white collar crime Lawyers whose decisions generate economic and political consequences stand at a strategic location between the state and key segments of society This monograph's approach is linked to the foundations of the sociology of knowledge that culture antecedes and anchors social action It starts by reconstructing the worldviews that legal professionals hold about corruption and its main participants and then advances to examine decision making The author is introducing an innovative dataset comprised of interviews court records and biographical data to investigate Brazilian lawyers 1985-2021 The study's qualitative findings show a professional cognitive pattern that is apolitical and technical and criticizes unskilled people working in the state administration more than businesspeople The dominant mindset understands corporate state relations as a self feeding system that requires qualification and awareness of international trends to counter crime The decision making patterns confirm i that prosecutors and judges prioritize the ends fighting corruption and use existing legislation and organizational resources to secure verdicts ii the asymmetries between how bribe payers and bribe payees are treated *Case and Statutory Supplement to White Collar Crime* Bucy, Pamela H. Bucy, 2000-05 *White Collar Crime, Cases and Materials* Pamela H. Bucy, 1994-06 White-Collar Crime Brian K. Payne, 2011-11-04 *White Collar Crime A Text Reader* part of the text reader series in criminology and criminal justice incorporates contemporary and classic readings some including policy implications accompanied by original text that provides a theoretical framework and context for students The comprehensive coverage of the book includes crimes by workers sales oriented systems crimes in the health care system crimes by criminal justice professionals and politicians crimes in the educational system crimes in the economic

and technological systems crimes by employees in the housing industry corporate crime environmental crime explanations of white collar crime the police and court responses to white collar crime and the corrections sub system and white collar crime Features of the book include key points in focus box inserts discussion questions section summaries and photos **s8dyaf8b**

1994 Supplement to White Collar Crime, Cases and Materials Pamela Bucy Pierson, 1994 **Understanding White-Collar Crime** Michael L. Benson, Sally S. Simpson, 2014-11-20 Unlike other books of its kind Understanding White Collar Crime An Opportunity Perspective uses a coherent theoretical perspective in its coverage of white collar crime Using opportunity perspective or the assumption that all crimes depend on offenders having some sort of opportunity to commit an offense allows the authors to uncover the processes leading up to white collar crimes and offer potential solutions to this rampant issue without being reductive in their treatment of the topic With this second edition Benson and Simpson have greatly expanded their coverage to include new case studies substantive materials and an annotated appendix of online resources to make this a core book for courses on white collar crime White-Collar and Organizational Crime Diana Bociga, Jon Davies, 2025-08-21 Available open access digitally under CC BY NC ND licence White collar and organisational crimes such as fraud and corruption receive relatively little attention from researchers This edited collection redresses the balance with groundbreaking research and fresh perspectives on these crimes A new generation of scholars investigate both new and old forms of crime such as the little studied areas of sports fraud and the deviant subcultures within organizations that can lead to wrongdoing Recognising the profound harms stemming from these illicit activities this book provides a state of the art handbook for researchers and policy makers in understanding and controlling these ever evolving crimes
