Truth, Power and Lies Tom Inglis, 2003 The finding of two dead babies within the space of a fortnight in County Kerry in 1984 is an extraordinary story that rocked Catholic Ireland The Kerry Babies Case is still unresolved with many unanswered questions Did Joanne Hayes have twins Did the Gardai the Irish police intimidate her family into confessing their involvement in the murder of one of the babies The Tribunal which examined the case largely exonerated the Gardai and blamed the family yet as a result of the case the Murder Squad was disbanded and a Garda Complaints Board established Tom Inglis in his detailed analysis of the case explains that it is obviously important to retell the story because justice might not have been done But he goes further to explain how the case is an important part of understanding how the second half of 20th century Ireland saw a transition from a traditional rural conservative and Catholic society to the modern urban liberal and secular one which is emerging today In particular the case represents a watershed for the position of women in Irish society many were motivated to protest for the first time **Panic Attack** Robby Soave, 2025-10-16 Robby Soave s **Panic Attack** investigates millennial activism in the age of Trump and profiles the full spectrum of major and minor groups on left
